

KNIGHTS OF PYTHIAS PICNIC AT WAYSIDE

CHAS. BAUGHMAN, FORMER
GRAND CHANCELLOR SPEAKS
AT PICNIC MEETING

Members of the Knights of Pythias Lodge of Cameron enjoyed a picnic barbecue at Wayside Inn Tuesday evening, with 125 people in attendance.

W. G. Gillis was master of ceremonies and the following program was heard:

Reading, Beulah Collier.
Address, Chas. Baughman, former Grand Chancellor, of Austin.
Advantages of a Club room for the lodge, Cecil Wilson.

Reading, Miss Dorothy Blaylock.
Talks on 'Why a Young Man Should Join the K. P. Lodge,' C. D. McGehee and C. H. Hurley of Austin.

Guests from Austin other than Messrs. Baughman and Hurley were Fred Moore and Floyd Goff.

Nature Wonders Are Revealed in Photos Taken in Milam Co.

On display at the B. & B. Studio are a collection of pictures made by Mr. Brady on last Friday of massive rocks found in Milam County on the Brazos river. These rocks are little known to the people at large. They were discovered for the camera by J. B. White and Dr. G. E. Sutton and have been brought in pictures within reach of everyone who desires them.

The rocks and the landscape are made in colors and these pictures sell for \$1.25 each. The expense of the trip and the original pictures have been taken care of and these photos can be purchased by the people without that expense.

The pictures reveal some natural wonders in Milam county that will make interesting and ornamental decorations for the home and office. There are some scenes of the rapids taken with the sunlight on the water and colored so that they compare with the calendar scenes sold and distributed in large quantities all over America.

Why not show our appreciation of our own home beauties and preserve them for future generations? If you do not care to buy you should at least go and look at these pictures.

More Funds Allowed For Paying Tuition High School Pupils

The Cameron City Schools will receive a total of \$2443 from funds recently allowed by the State Board of Education for the payment of high school tuition under the provisions of the state law. This amount represents tuition for approximately 80 high school pupils for the 1928-29 session, and comes through common school districts whose finances would not permit the payment of high school tuition from their own resources. The total amount allotted to the common school districts of Milam County for this purpose is \$5380.

Tests Show Majestic Qualities Says Green

C. N. Green of the Green Brothers Store has an interesting advertisement in this issue of The Herald regarding the Majestic Radio. 'What we want is tests by comparison side by side,' said Mr. Green in discussing the new Majestic.

'Here is what we say and stand behind: Go to any good radio dealer. Have him place the new Majestic side by side with the most expensive set in the store—both sets connected to the same aerial—with a two way switch to operate each set in turn. Check each against the other on these seven vital points: Tone, selectivity, sensitivity, ease of control, beauty, reliable performance, and quietness. When that is done we have no hesitancy in assuring you that Majestic will outperform any set of any price.'

Mr. Green is a strong believer in the merits of Majestic and the sales volume of this store would indicate a wide approval also of the new set.

Economy Twins Make Appearance in City Through Newspapers

A schedule of interesting advertising is now running in the Cameron papers by the Texas Power and Light Company. The advertising schedule features the Economy Twins and tells of the economical usages of electricity in home and industry.

In the recent rate reduction announced by the Texas Power & Light Company the customers in Cameron may use more electricity at the same prices heretofore paid. The reduction in rates comes as an aid to both homes and commercial institutions.

It will be of interest each week to read the advertisements featuring the Economy Twins 7 and 5.

SHARP WINS THE TRIBUNE CUP IN PENNANT RACE SEPTEMBER TO USHER IN NEW SCHOOL TERM FOR STUDENTS HERE

WACO DEFEATED IN FINAL GAME OF SERIES

ROSENBERG'S SHARPE SHOOTERS BRING FLAG TO MATCH-LESS MILAM

By SUNNY POPE

Waco met its Waterloo Tuesday afternoon at the Katy Park in Waco when the Sharpe Shooters invaded their city and came home with a pennant won by a very decisive victory, the result being fourteen to four in favor of the Shooters and they well deserved to win.

In the stands could be seen many fans from Cameron, Sharpe and intermediate points. The sentiment in Waco was the same as the Cameron attitude as they seemed to sense defeat even before the first ball was thrown. The 'gate' amounted to something like \$230 but there were many passes into the gate.

Manager Rosenberg deserves much praise for the manner in which he has handled the club from its inception and the Cameron fans as well as the Sharpe fans have stood solidly behind him in his efforts to achieve the victory which he so richly deserves. The Sharpe team has played a total of forty games in which Sharpe won thirty, lost nine and tied one. In the series just ended it was necessary to win the best 3 out of 5 games in order to win the Waco News Tribune cup giving the winner the championship of Central Texas. West had won the pennants in 1926, 1927 and 1928 and Sharpe eliminated them a short time ago at the same ball grounds on which they were later destined to win the pennant.

Pitcher Humphries was in top form in today's game and only four hits were obtained off of his delivery and only in the third inning was he in any danger but courageously pulled himself out of the hole after three runs had been put over on three hits and a base on balls, but for the last six innings only twenty men faced him. Sharpe gathered their scores in three stanzas being the first, third and ninth innings in which the fourteen scores were chalked up. Two errors were marked up against the Waco aggregation while five miscues were made by the Shooters.

Gorin started in the box for Waco but was relieved in the first inning after two scores had been made and two outs had been made. He was relieved by Lewis who fared even worse in the time he was in the box, as the Shooters nicked his offerings for five runs in two innings. In the third he walked three Shooters, allowed a batsman to make first on an error and after five scores had been made he was replaced by Rickett. Thirteen hits with three walks in 6 1-3 innings was the best Rickett could offer and the Shooters obtained seven scores off of him. A close scrutiny of the box score shows how the Shooters brought the much coveted pennant to old Milam.

Bread Sales Record Made By J. T. Parma

An all time record has been established by J. T. Parma for the sale of bread in a single day. On last Saturday Mr. Parma featured bread and sold 967 loaves, thus establishing a record that has never been reached by any merchant in Cameron.

This is a remarkable sale of bread for a single day. Mr. Parma has made many records in merchandising but this one is supreme.

B. P. MATOCHA APPOINTED CITY ATTORNEY HERE

PROMINENT BAR MEMBER ACCEPTS PLACE IN CITY GOVERNMENT HERE

B. P. Matocha has been appointed city attorney by the city council of Cameron and has accepted the place and begun his duties in that office.

Mr. Matocha brings to the office of city attorney the advantages of much legal training. He is a prominent member of the Cameron bar and is a practicing attorney.

At present Mr. Matocha is giving attention to the collection of delinquent taxes. He succeeds Paul Webb who resigned the place some weeks ago to accept a position with a firm now engaged in collecting delinquent taxes for the counties of Texas. During the war Mr. Matocha was at Washington in the government service and rendered valuable assistance in that capacity.

The many friends of Mr. Matocha will be interested in the announcement of his appointment and the council is to be congratulated on securing his services for this important branch of the government.

MOST WORTHY CITIZEN TO GET HONOR AWARD

LEGION PROGRAM AT HIGH SCHOOL AUDITORIUM FRIDAY NIGHT, AUG. 23

The Edwin Hardy Post No. 3 of the American Legion has finally selected the citizen who they consider has done the most to promote community welfare in this town during the past year. The certificate of honor will be presented to the Most Worthy Citizen at the Yoe High School auditorium Friday evening at eight o'clock.

The most distinguished citizen will not be announced until the presentation meeting and all candidates will be at this meeting.

The Legion has prepared a good program for your entertainment and sincerely hopes that the citizenship of Cameron will join with us in honoring our 'Most Worthy Citizen' and then look forward to see who will be of most service to our community for the coming year.

The program for Friday evening will be as follows:

Master of Ceremonies, J. D. Baskin.
Little Banjo, Inez Evans, Dora Emily Moore, Florence Atkinson.
Violin solo, Lydia Boedeker, accompanied by Laura Boedeker.

Vocal solo, Inez Evans.
Cornet solo, Arthur A. Lee.
Vocal solo, Florence Atkinson.
Piano solo, Geraldine Slaughter.
Presentation of the 'Most Distinguished Service Certificate', Hon. Jack Lewis.

Cameron Furniture Co. Gets New Furniture

A car load of new furniture has been received this week at the show room of the Cameron Furniture Company. Mr. Coleman has just returned from the furniture markets and the new goods are coming in at a rapid rate.

In this issue will be found an advertisement from the Cameron Furniture Company telling of the new goods just arrived for display and sale. The new furniture embraces all the new effects in colors and designs and if you have not seen the new things in furniture you should visit this store and look over the new goods. Moderate prices feature the new furniture.

DR. M. FRANCES, NOTED ANATOMIST VISITS HERE

A. & M. COLLEGE PROFESSOR INTERESTED IN FOSSILS FOUND IN MILAM

Dr. M. Frances, dean of the school of veterinary at A. & M. College and nationally known authority on anatomy, was in Cameron Wednesday the guest of Dr. G. E. Sutton, city sanitary officer and J. B. White, editor of the Cameron Herald.

While in the city Dr. Frances looked over a collection of fossils gathered here by Dr. Sutton, J. B. White and Lester Slaughter. Among the collection is a tooth from an Imperial Mammoth now on display at the Herald office, and a large number of bison bones.

In the museum and study of Dr. Frances at College Station are to be found an interesting collection of fossils showing the pre-historic animals of this continent. Among the contributions are a large number of fossils from Cameron, in fact Milam county has made as large a contribution to the museum as any county in Texas.

At the present time Dr. Frances is conducting an extensive study and research of the origin of domestic animals and is interested in the bison bones to be found in the old lake beds and in the stream beds of Milam county. Among the collection at the college are some rare buffalo heads found in Milam county, one of which was given the noted professor by Judge Jeff T. Kemp.

It was Dr. Frances who discovered and traced the cattle tick fever Texas and gave to the cattle industry its most important stride in eradicating the disease among their herds.

On last Sunday Dr. Sutton and Mr. White spent the day at the college, guests of Dr. Frances. A large fossil rock found on the Milam county side of the Brazos river at Car-Ball shoals north of the Port Sullivan bridge was taken to the office of Dr. Frances. The rock contains among other fossils a large number of petrified fish. A noted geologist now in Munich will return to the college in a few weeks and will study the rock.

Those who are interested in the fossil life of past centuries, evidence of which can be found in Milam county, are asked to co-operate in this important contribution to education. Fossils found may be brought to the office of The Herald with the assurance they will be given attention and will be appreciated by Dr. Frances and the College.

OIL SEARCH IS ON IN BELL COUNTY

FIVE WELLS TO BE DRILLED AND INTEREST DEVELOPS IN THAT COUNTY

Belton, Aug. 21.—That Belton within the near future will be the center of a systematic drilling campaign for oil is indicated in a telegram received today by P. L. Stone from F. H. Etheridge of Los Angeles, California. Mr. Etheridge is head of the Rio Grande Oil Company which proposes to sink five test wells in the vicinity of Belton. He stated to Mr. Stone that he had \$130,000 with which to make a thorough test for oil in this section.

Associated with Mr. Etheridge is H. L. Lockhart, a former Bell county man who was born and reared at Holland. In a letter just received here from these men it was stated that drilling operations would begin by October 1. A large amount of acreage has been secured by Mr. Stone and others here for drilling purposes of the Rio Grande company.

CHRISTIAN CHURCH

Dr. E. J. Bradley will preach at the First Christian church in Cameron on Sunday August 25, at the morning and evening hours.

The public is invited to attend and all members are urged to hear Dr. Bradley's message at both hours.

Mr. and Mrs. J. W. Stitt are spending this week in Lamesa.

Admirer, the body builder, regular price \$1.20 for only 75c at Schillers Drug Store.

Veterans To Attend Legion Convention

A number of Cameron Legion men will attend the State Legion Convention at Port Arthur this year.

Joe Richter, Assistant City Marshal will leave Cameron Sunday by train for Port Arthur. The convention meets on August 26, 27 and 28.

Other veterans who plan to attend are A. F. Mitchell and L. Van Perkins and Mr. and Mrs. C. E. Akers.

LEGION POST NAMES PORT ARTHUR DELEGATES

ANNUAL STATE CONVENTION TO MEET AUGUST 26, 27 AND 28TH

The annual State Convention of the American Legion to be held this year in Port Arthur, August 26, 27 and 28, bids fair to be the best attended and most interesting of any yet held in Texas," said Ross R. Cole, State Adjutant of the Legion who has just returned from Port Arthur after a final check-up of convention plans and entertainments.

"The city of Port Arthur is making elaborate plans to entertain the World War Veterans," said Mr. Cole. Two magnificent new hotels have just been completed, which guarantee comfortable housing. The U. S. Cruiser, Cleveland, will be one of the attractions. Fish fries, motor boat races, dances, special free attractions at the theatres and many other entertainments have been provided which will keep the veterans busy day and night.

The annual parade will be held this year at 6:00 p. m. on Tuesday August 27th, and with the personnel of the Cruiser Cleveland and the numerous bands and drum corps attending, together with thousands of veterans and ladies of the Auxiliary it promises to be a colorful and interesting affair.

One of the outstanding features of the convention will be 'The Battle of the Argonne,' a gigantic sham battle and pyrotechnic display with a cast of over three hundred people and costing over \$3000 to present, following the parade.

Our Legionaire Governor Dan Moody and many other distinguished guests have already accepted the invitation to address the Veterans.

Early reservations indicate a record crowd of veterans are taking advantage of the rate of one fare for a round trip.

Legion members and their families and members of the Auxiliary can secure reduced fare certificates from their local Post Adjutant and they must have these before they can get the reduced fare.

The following members of the Edwin Hardy Post No. 9 have been elected delegates to this convention:

The delegates are L. Van Perkins, Joe Richter, C. E. Akers, O. P. Nicholson and A. F. Mitchell.

Alternates are W. R. Hoover, Chas. Hester, J. D. Baskin, E. B. Hess and Larry Hackebell.

Myers and Oswald Big Tent Show One Week Beginning Monday

The show you know, Myers and Oswald, comedy players will open for a week's engagement in Cameron beginning Monday, August 26.

The big tent show will be here for one week under the auspices of the American Legion and the big tent will be located on the Legion lease in the new addition to the city park across the street from the grounds used by the Hopkins players.

The opening play will be 'Hard Boiled Miss Pete,' the show will feature Jess 'Toby' Myers, the American premier comedian in the very latest comedy plays and also will feature vaudeville specialties.

One of the big cards of the week will be the red hot orchestra.

Another popular appeal of this show will be the 'painless prewar prices' 25c for adults and kids 10c. Ladies will be admitted free on Monday night the opening show. In this issue will be found an advertisement with a coupon which when clipped will admit women free when accompanied with one paid adult ticket.

This show is one of the best tent attractions on the road and will give Cameron some real entertainment.

CAMERON SCHOOLS TO OPEN SEPTEMBER 9

TRANSFERS SHOW INCREASE IN NUMBER OF STUDENTS THIS YEAR

The Cameron Public Schools will open Monday, September 9. The calendar adopted by the Board of Education for the 1929-30 session is as follows:

Monday, September 9, school opens. September 26-27, Teachers Institute.

November 11, Armistice Day, holiday. November 28-29, Thanksgiving holidays.

December 20, schools close for Christmas holidays. January 1, schools open for holidays.

January 23-24, examinations for first semester. January 27, second term begins.

April 21, San Jacinto Day, holiday. May 8, Yoe Day, holiday.

May 28-29-30, final examinations. Sunday, June 1, Baccalaureate sermon.

June 2, Graduation Exercises.

Advanced enrollment on the part of students from the rural districts indicates a substantial increase over last years enrollment in the high school. Records in the County Superintendent's office show 220 transfers into the Cameron district. Of this number about 160 are white and 60 colored. Of the white transfers approximately 120 are for high school purposes.

An amendment to the high school tuition law passed by the last session of the Legislature places the high school tuition rate at \$7.50 per month instead of \$5.00 as heretofore and the Cameron board has set the rate of tuition for high school students whose parents reside outside the city at \$7.50 per month to conform to the new state law. Tuition for high school pupils is payable by the home district when the grade to which the pupil belongs is not taught in the home district, otherwise the parent is responsible for the payment of tuition.

In accordance with a ruling recently adopted by the Board of Education effective for the coming session children who will be seven years of age on or before June 1, 1930, will be admitted to the first grade at the opening of school in September, and children who will be six years old on or before June 1, 1930 will be admitted to the kindergarten. In compliance with the State law fixing the free school age a tuition charge of \$1.50 per month will be made for pupils in the first grade who have not reached seven years of age on September 1, 1929. No tuition charge will be made in the kindergarten for children living in Cameron.

2500 BALES OF NEW COTTON RECEIVED

CROP MOVEMENT STARTS AND DRY WEATHER HASTENS PICKING HERE

Up to Thursday morning 2500 bales of new crop cotton had been received at the warves of the Cameron Compress Company. The crop movement is on in earnest and the continued dry weather will hasten the season general movement.

Estimates received from those in touch with the crop in this county places the estimate for this year at about 30 per cent short of the 1928 production. Last year the county produced a little over 69,000 bales of cotton. Based on the estimate of the crop this year the yield should be about 40,000 bales or a little over.

In the bottom lands the drought has retarded development and this factor combined with the insect devastation has reduced the chances for a yield as low as has ever been noted in the drastic years of non-production.

The plant appears healthy but no fruit of consequence can be found. The advanced season and the lack of rainfall in July and August has made the outlook decidedly bad.

Indications are that the next government report to be made on September 8 will show a decided reduction in the outlook for national yield.

S. B. FORD, 78 PIONEER DIES IN ROCKDALE HOME

NATIVE OF ALABAMA AND PIONEER IS BURIED IN ROCKDALE TUESDAY, AUG. 20

S. B. Ford, 78, pioneer resident of Milam county, who died at his residence in Rockdale Monday, August 19, 1929, was buried in that city Tuesday morning August 20, 1929 with a large number of friends, relatives and acquaintances of the family attending paying tribute to the memory of the pioneer who had seen history in the making as a resident here and at Rockdale and other portions of Texas.

S. B. Ford was a native of Alabama. He was born in 1851 and came to Texas when a young man of 18 years. He had lived in Milam county for 60 years being engaged in business in Cameron at one time managing the Farmers Alliance Store. He later became interested in farming and owned and operated a large farm near Ben Arnold where he lived for a number of years. He later moved to Kerrville and in recent years had resided in Rockdale.

He was married to Miss Alice Allen at Branchville about 54 years ago. They moved to Cameron where they reared a large family. Mrs. Ford died in Cameron. In 1900 he was married to Miss Boodie Winston of Minnesota.

Funeral services were held Tuesday morning August 20, 1929 at the residence in Rockdale with Rev. P. T. Ramsey of the Methodist church in Cameron conducting the services and the Henne and Meyer undertaking company directing the funeral arrangements. Interment was made in the Rockdale cemetery.

The pioneer is survived by his widow and the following children: W. C. Ford of Cameron; Major Ford, Rockdale; John Ford, Santa Anna; S. B. Ford Jr., Sweetwater; Roy Ford, San Diego, California. Mrs. W. M. Schrock, Midland; Mrs. Elmer Green, Corpus Christi; Mrs. John Snyder, El Paso and Mrs. Grover Burton of Dallas.

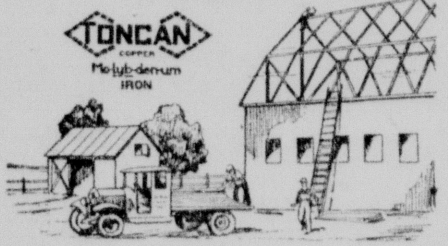

He is also survived by three brothers as follows, Homer Ford of Graham who was present for the funeral; Dudley Ford, Abilene; Joe Ford of Denton; and one sister, Mrs. Rufus Cosby of Maysfield.

The following friends of the family from Cameron were pallbearers: Elbert Hood, Penn Wolf, George T. Graves, Giles L. Avriett, Perry Wilkerson and Roy Baskin.

Mr. Ford in his life as he lived among the people of this county was the true pioneer and held to the ideals of his beloved Southland. He was an inspiration to his fellowmen and his sons and daughters who survive him are blessed with the memory of this pioneer father.

The Herald extends its sympathy to the bereaved relatives and to the family of children and the aged widow who survive him.

The Bluebird Choral Club Gives Dance And Picnic Friday

The Bluebird Choral Club entertained with a picnic and dance at the Country Club Friday evening, beginning at 6:30 o'clock. The girls belonging to the club gathered at the home of Mr. and Mrs. Wm. Rogers and went from there to the club where the picnic lunch was enjoyed. The plate consisted of roasted weinies, lettuce and pimiento sandwiches, stuffed eggs, potato salad, olives, pickles, potato chips and a chocolate muffin.

At eight o'clock the girls assembled at the club house where they were joined by the boys and the dancing began. Music was furnished by Sam, colored pianist. Two tables of bridge were kept going at intervals.

Those dancing were Misses Dora Emily Moore, Inez Evans, Florence Atkinson, Gladys Davis, Dinks Baskin, Harriett Flinn, Dorothy Denson, Dorothy Blaylock, Helen Blaylock, Lillian Mondrik, Frances Hause, Katherine Leath, Ethel Green, Geraldine

Slaughter, Frances McDermott and Lucille McDermott; Messrs. Kenneth Rogers, Alvin Mondrik, Billy Wallace Red Baskin, Thomas Graves, Lee Braum, Scarbrough Mayfield, 'Boots' Smith, John Young, Leland Stedman, Paul Werner, Reed Rogers, Wallace Moody, Billy Newton, Sonny Byrd, Joe Rowland, Prothro Deer, Leo Mohler, George Adams, W. T. Whatley, and M. Graham. Those playing bridge were Mr. and Mrs. Shofner Sterling, Mr. and Mrs. Vernon Roberts, 'Red' Collins, Misses LaVerne Bowmer, Martha Lou Hooks and Eloise Rogers. The picnic and dance were chaperoned by Mrs. Wm. Rogers.

BIBLE CLASS MEETS

The Friendly Bible Class of the Methodist church held its regular monthly business and social meeting Friday afternoon from four until six o'clock in the classroom at the church. A good representation of the membership was present.

Mrs. J. W. Kemp led the devotional, after which Mrs. P. T. Ramsey directed the social hour. Punch was

passed and then a number of games and stunts were enjoyed. Just before time for departure those present were served ice cream cones.

E. SCHLEMER

E. Schlemmer, age 66 years, died at 6:30 in the afternoon, August 17. Funeral services were held from his home near Watt's Switch Sunday afternoon at three o'clock with Rev. Kalkbrenner of the Lutheran church and Rev. E. S. Hutcherson of the Baptist church, Cameron, officiating. Interment was at Ben Arnold Cemetery. Coleman and Eplen in charge.

MRS. A. W. BARKER

Funeral services for Mrs. A. W. Barker were held at the Walker's Creek church Wednesday afternoon at four o'clock, with Rev. Kelly Simmons officiating. Mrs. Barker died at 6:50 o'clock in the afternoon, August 20. Interment was in Walker's Creek Cemetery, Green Brothers in charge.

Mrs. Joe Denson, Mrs. Edwin Hamilton, Mrs. Wilson Gunn, and Miss Bess DuBois formed a party going to the show at Rockdale Tuesday.

SCRUB BULL IS HALED TO COURT

Placed on Trial for Hindering
Development and Prosperity
of Dairy Industry.

Indicted for robbery, larceny, and a few other such charges, Scrub Bull went on trial for his life at Laurel, Mississippi, recently. It seems that for some time people had suspicions that Mr. Bull was hindering the right and lawful development of the dairy industry, thereby "maliciously and wilfully lowering production and decreasing profits in the dairy business," says the Bulletin of the American Bankers Association Agricultural Commission in commenting on the case.

This, it says, was the first trial of its kind ever held in that section and was attended by several hundred people. The jury, representing every vocation within the boundaries of the Laurel trade territory, rendered a unanimous verdict of "guilty." The death sentence was pronounced, "but during the night, before the sentence could be carried out, friends of the convict secretly spirited him away and he has not been seen since."

The arraignment came during the Milk Products Show sponsored by the banks of Laurel. People attending the show had the opportunity of also attending the bull's "trial" and went away firmly convinced of the seriousness of lax and out-of-date methods in the pursuit of dairying. The purposes of both the Milk Products Show and the trial were threefold, namely: to develop public sentiment for more and better Jerseys; to foster a more cooperative spirit for dairying and livestock growing; and to promote tick eradication.

The banks of Laurel entered into a cooperative arrangement in their efforts for fostering agricultural development and successful farming in the community, offering \$2,165 as premiums to the outstanding farm workers throughout the territory during 1929. An instructive booklet has been issued, showing the agricultural activity of the banks, together with announcements of contests for farmers, exhibits in the bank lobbies and prizes offered.

BANKERS DEVELOP NOVEL INSTITUTE

The Georgia Bankers Association in cooperation with the State College of Agriculture has sponsored a series of farmers' institutes in various parts of the State of an entirely new character. The principle feature is a large and comprehensive exhibit transported in four large trucks and set up at each stop. When set up it fills a space 40 by 60 feet and consists of panels, charts, and models on practically every phase of agriculture, including agronomy, horticulture, agricultural engineering, poultry, animal husbandry, soils and fertilizers, home economics and marketing. A large electrified farm model, showing the uses of electricity on the farm, model farm buildings and the ideal layout and landscaping of the farmstead, one of the most elaborate and attractive exhibits.

Local bankers in each town visited gave the money to cover expenses for the transportation and installation of the exhibit in their territory and assisted in the preliminary advertising and publicity. The College of Agriculture assembled the exhibit and conducted the tour through the various extension specialists.

Mrs. Frank Mondrik Guest At Country Club Bridge Here

Presenting Mrs. Frank Mondrik, a recent bride who has come to Cameron to make her home, Mrs. F. C. Fahrendorf entertained last Thursday afternoon at the Country Club with bridge and 42 games forming diversions.

Because the romance between Mr. and Mrs. Mondrik began and culminated while they were students at the University of Texas, Mrs. Fahrendorf chose the University colors of white and gold in carrying out a decorative scheme. The mantle at the club house was centered with a silver candelabra holding gold candles, and this was banked with masses of white and gold flowers and ferns. Baskets and bowls of flowers in the chosen colors were noted at every advantageous point.

Miss Martha Lou Hooks, as winner of high score, was presented a quaint

pitcher in Japanese pottery and Miss Malchen Rischar, who was low, received a vase of similar design. Table cuts were low bowls of this same ware wrapped in yellow paper.

Following the games the hostess served a salad plate and an ice. She was assisted by Misses Dora Emily Moore, Inez Evans, Geraldine Slaughter, Florence Atkinson, Lillian Mondrik and Mary Newton.

BEN ARNOLD

Hugo Lorenz and family of Chapel Hill were visiting relatives here the week end.

R. H. Ponkonein of Rosebud was in our community Tuesday.

J. D. Tubbs and wife of Clarkson visited relatives here Sunday.

Otto Kelm Jr., and wife of Thornedale visited in the home of Mr. and Mrs. Otto Kelm Sr., Sunday.

Mr. and Mrs. Ed Dahse were the guests of Mr. and Mrs. Bennie Lindemann Sunday afternoon.

Norene Becker was a caller on her sister, Mrs. Robert Folschinsky Wednesday afternoon.

Mr. and Mrs. August Boecker and daughter visited in the home of Mrs. Louise Lorenz and family Sunday afternoon.

Lorene and Helarie Folschinsky enjoyed the dance at Skeezix Saturday night.

Eugene Melchior of Burton is the guest of Mr. and Mrs. Ed Dahse this week.

More Funds Allowed For Paying Tuition High School Pupils

The Cameron City Schools will receive a total of \$2443 from funds recently allowed by the State Board of Education for the payment of high school tuition under the provisions of the state law. This amount represents tuition for approximately 80 high school pupils for the 1928-29 session, and comes through common school districts whose finances would not permit the payment of high school tuition from their own resources. The total amount allotted to the common school districts of Milam County for this purpose is \$5380.

Wedding Anniversary Celebrated With 42 Party Tuesday

Tuesday was the second anniversary of the marriage of Mr. and Mrs. Edwin Hamilton of Vinton, Iowa, who are visiting relatives in Cameron this summer, and in observance of the occasion Mr. and Mrs. Roy Law entertained in the evening with eight tables of 42.

Games were played on the lawn at the rear of the house. Punch was served preceding the games by Mrs. J. C. Tucker and again during the games by Mrs. Law. Total scores were kept for the games and Mrs. Claude McGregor was high for ladies and B. F. Bonds for gentlemen. Both received awards, and Mr. and Mrs. Hamilton were presented a lovely print as a gift.

Following the games, the hostess served lime ice and angel squares. Mrs. Tom Law of Houston was an additional out of town guest.

Mr. & Mrs. R. P. Fisher Return From Trip To Arkansas Hills

Mr. and Mrs. R. P. Fisher returned Sunday from Northwest Arkansas. While in the Ozarks they visited Eureka Springs and Harrison. They also visited Diamond Cave at Jasper. Also Hollister, Branson and Forsythe in Missouri and Rockaway Beach, a delightful summer resort located on Lake Tanecoma some miles out from Branson. They were joined at Harrison, Arkansas by Mrs. Fisher's mother, Mrs. Kimberlin and her nephew, Calvin Kimberlin and Miss Clara Andrews who visited the different resorts with them. Mr. and Mrs. Fisher are back home feeling much improved as a result of their vacation trip.

MISSIONARY SOCIETY

The ladies of the Methodist church met in circles Monday afternoon for a program from the missionary magazine "Voice." Circle one and four met with Mrs. R. H. Davis with ten members present. Mrs. John Olson led the devotional and Mrs. W. O. Triggs discussed the leaflet. Following the lesson, a social hour was enjoyed. Circle two met with Mrs. R. B. Rylander with nine members present and one visitor, Mrs. Gaston. Mrs. Rylander conducted the devotional and Mrs. P. T. Ramsey led the

lesson. Circle three met with Mrs. H. A. Jackson with seven members present. Mrs. Pope Sapp led the lesson. This circle planned to have a rummage sale in the near future.

COOKING DEMONSTRATION

A demonstration of the Cary Vapor Cooker was held at the home of Mrs. R. H. Davis Tuesday morning with A. J. Cook in charge. The twenty ladies who were present witnessed the cooking of an entire meal in 45 minutes over one burner of a gas stove with the flame turned very low. The meal consisted of roast, potatoes, carrots, rice, apple sauce, and a desert of boiled custard, which Mr. Cook prepared, cooked and served.

At the request of some of those present another demonstration will be held in the near future.

Mrs. Earl Evers returned Saturday to her home in Cuero, after having been the guest for several days of her parents, Mr. and Mrs. J. W. Coleman.

ELECTION NOTICE

STATE OF TEXAS.

County of Milam,

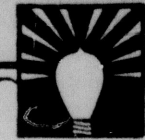

Notice is hereby given that upon a petition of G. W. Malone and twenty other freeholder voters, the Honorable Commissioners Court of Milam County, Texas, on the 12th day of August 1929, the same being at a regular term, ordered an election to be held at the Liberty School House to determine whether or not horses, mules, jacks, jennets, cattle, sheep and goats shall be permitted to run at large in the following described territory, viz: A part of Justice Precinct No. 3 of said county beginning where Carnon Snap Creek crosses the Cameron and Gause public road. Thence up Cannon Snap Creek to East fork of said Creek where it branches off in the Mrs. J. H. Ashenbeck land. Thence up said East fork to the Milano and Hanover road at the R. L. Batte 290 acre tract of land. Thence in a northerly direction with said road to the point where the Stock Law District established in January 29, 1927 crosses said road. Thence with the line of said Stock Law District to Cannon Snap Creek to the place of beginning.

The election was ordered by said court to be held on Saturday, September 28th, 1929, and I appoint G. W. Malone as manager of same.

Witness my hand and seal of office this 16th day of August A. D., 1929.

We Like Our Jobs, But—

THERE isn't *anything* we'd rather sell than Delco-Light. People like 'em—know they get their money's worth and *then* some. The only trouble is that the folks who are the *most* enthusiastic about Delco-Light electric plants are those that already have 'em. If the people that *didn't* have Delco-Light were as eager about it as those that *have*, our only job would be to get enough plants to go around.

What we'd like to do now is to tell you some of the things Delco-Light users say.

Every city should spend a certain amount of money for the cultural and recreational things of life, parks, recreational facilities and the like. We sometimes think the world is giving itself up too much to pleasure and to play, but we believe, in this age of speed and high pressure it requires just these things to keep the world from plunging too deeply into the material things. A people who have not forgotten how to play are a safe people. Play develops the kindly and the human side of people while the rule always for things material often creates a hard and selfish people.

An exchange in an effort to be facetious urges that every couple about to be married should follow the well known advice, found at the railroad crossing, to 'Stop, Look, Listen.' If the promoters of this movement have no more success than the railroads

GRAY ATLANTIC HOLDS FATE OF SWISS FLYERS; MAY HAVE GIVEN LIVES IN ATTEMPT TO CONQUOR

New York, Aug. 21.—The Swiss flyers, Oscar Kaeser and Kurt Luescher, were missing Wednesday. Their names apparently added to the list of those who dared the perilous westward passage of the North Atlantic and lost their lives in the attempt.

They were last seen two days ago, flying over the Azores on their way from Lisbon to New York. They should have arrived Tuesday, but they failed to appear. Some were between the ocean islands and the fog-bound coast of America their adventure came to an untimely death.

They had little in their favor beyond the courage of their youth, they were but 21 and 22 years old. Their white monoplane was a sturdy ship of proven design, but it was unequipped for alighting on the water. Neither of them knew much of navigation

Thomas Drug Store To Move To New Building

Gorge A. Thomas and Sons drug store will be moved into the new building next week. This building is being completed in the same contract with the construction of the Citizens National Bank and will be one of the best equipped stores in Texas.

The new furniture is being placed this week and all will be in readiness in a day or two for the store to move in.

The fixtures are the finest that can be purchased and the store which has been in Cameron for 38 years will be the most attractively arranged drug store in this section of Texas.

Announcement will be made by the store in the next issue of the Cameron papers.

S. B. FORD, 78 PIONEER DIES IN ROCKDALE HOME

NATIVE OF ALABAMA AND PIONEER IS BURIED IN ROCKDALE TUESDAY, AUG. 20

S. B. Ford, 78, pioneer resident of Milam county, who died at his residence in Rockdale Monday, August 19, 1929, was buried in that city Tuesday morning August 20, 1929 with a large number of friends, relatives and acquaintances of the family attending paying tribute to the memory of the pioneer who had seen history in the making as a resident here and at Rockdale and other portions of Texas.

S. B. Ford was a native of Alabama. He was born in 1851 and came to Texas when a young man of 18 years. He had lived in Milam county for 60 years being engaged in business in Cameron at one time managing the Farmers Alliance Store. He later became interested in farming and owned and operated a large farm near Ben Arnold where he lived for a number of years. He later moved to Kerrville and in recent years had resided in Rockdale.

He was married to Miss Alice Allen at Branchville about 54 years ago. They moved to Cameron where they

have had with the same sign, it is not likely that economical conditions will be upset very soon.

Give us the ignorant man, an exchange pleads, in preference to the learned man who is forever trying to tell how much he knows. You may pity the ignorant man but you flee in dread from the learned bore. In the opinion of this column a man who persists in making himself a bore is not learned. He is a dumb bell.

It will require 100,000 persons to make the census of this country. The bill authorizing the taking of the census will be signed this week.

An outing or week end that leaves one better fitted to tackle the job next week is vacation. If, however, it leaves one worn out, it is a dissipation.

and they had been flying only since 1927.

But they had youth so they took off with blithe audacity on the adventure that has brought failure or death to all who have tried it except the German plane Bremen, who barely managed to achieve a crash landing on icebound Greenland Island.

Admiral Charles F. Hughes, chief of naval operations, Wednesday asked merchant ships and ordered naval vessels plying the North Atlantic to keep close watch for the flyers, whose only means of staying alive if they had to bring their plane down at sea were inflated rubber suits and a rubber boat.

There was still hope in some optimistic quarters but even there it was faint, flickering and diminishing with each additional hour.

reared a large family. Mrs. Ford died in Cameron. In 1900 he was married to Miss Boadie Winston of Minerva.

Funeral services were held Tuesday morning August 20, 1929 at the residence in Rockdale with Rev. P. T. Ramsey of the Methodist church in Cameron conducting the services and the Henne and Meyer undertaking company directing the funeral arrangements. Interment was made in the Rockdale cemetery.

The pioneer is survived by his widow and the following children: W. C. Ford of Cameron; Major Ford, Rockdale; John Ford, Santa Anna; S. B. Ford Jr., Sweetwater; Roy Ford, San Diego, California. Mrs. W. M. Schrock, Midland; Mrs. Elmer Green, Corpus Christi; Mrs. John Snyder, El Paso and Mrs. Grover Burton of Dallas.

He is also survived by three brothers as follows, Homer Ford of Graham who was present for the funeral; Dudley Ford, Abilene; Joe Ford of Denton; and one sister, Mrs. Rufus Cosby of Maysfield.

The following friends of the family from Cameron were pallbearers: Elbert Hood, Penn Wolf, George T. Graves, Giles L. Arvitt, Perry Wilkerson and Roy Baskin.

Mr. Ford in his life as he lived it among the people of this county was the true pioneer and held to the ideals of his beloved Southland. He was an inspiration to his fellowmen and his sons and daughters who survive him are blessed with the memory of this pioneer father.

The Herald extends its sympathy to the bereaved relatives and to the family of children and the aged widow who survive him.

E. SCHLEMER
E. Schlemer, age 66 years, died at 6:30 in the afternoon, August 17, Funeral services were held from his home near Watt's Switch Sunday afternoon at three o'clock with Rev. Kulkbrenner of the Lutheran church and Rev. E. S. Hutcherson of the Baptist church, Cameron, officiating. Interment was at Ben Arnold Cemetery, Coleman and Eplen in charge.

According to a morning newspaper, women are now buying dresses on the installment plan. We have seen some of them wearing the first installment.

SHARPE TAKES FIRST GAME FROM WACO

RABBIT DARRAUGH ALLOWS BUT THREE HITS AND SHOOTERS WIN AGAIN

In the first of the games between Sharpe and Waco in the playoff for the Waco News-Tribune cup played on the Cameron diamond the game was won in a walk as the expression goes, three to one. The game was devoid of any spectacular plays and in the game only two extra bases on hits were made, one by Lewis in the first inning, he being first man to the bat, went to third on an infield out but got no further. The second extra base hit was made by Buckley in the eighth and he likewise made third but on a nerror, there to perish. Sharpe scored in the second on hits by Buckley and Currie with an error by pitcher Rickett but on the play Currie was thrown out at home plate. In the fourth Watkins drew a base on balls, Hodge followed with a hit. Buckley sacrificed putting Watkins on third and Hodge on second. Watkins was thrown out at the plate. Hodge then stole home on an infield play scoring the second of the game. Waco scored for their first and only time in the fifth on a base on balls, sacrifice hit and an error. Sharpe also scored in their half of the fifth on a fielders choice, hit batsman, error and another hit batsman, ending the scoring for the game. Darrrough pitched an exceptionally fine game, allowing Waco only three hits while Sharpe got seven.

Miller, c.	2	1	0	6	1	0
Rickett, p.	2	0	0	1	5	2
Allen, 3b.	3	0	0	0	1	1

Score by innings:
Sharpe 010 110 00x—3
Waco 000 010 000—1

Summary: 2b hits, Lewis, Buckley. Struck out by Darrrough 6, by ickett 4; bases on balls off Darrrough 2, off ickett 2. Stolen bases, Hodge, Currie. Sacrifice hit, Rickett. Double plays Lewis to Currie to Speegle, (2), Smith to Gorin to Byrd. Umpires McElroy and Abbott.

Waco Wins Second

The second of the Sharpe-Waco series which was staged at the Katy Park at Waco was rather one of those games where horse shoes played their part in that Waco succeeded in scoring nine runs with nine hits while the best Sharpe could do was to get three runs with eight hits. Humphries was off stride and errors at critical times accounted for the poor showing the Shooters made. Manager Rosenberg made several changes in the line up during the game shifting Lewis from Short to left field in the seventh inning, Kostick from left field to First. Rosenberg started catching but yanked himself to be replaced by Henderson, who had been playing first base. Farley went to short in the sixth. Hodge came through with a pinch hit in the ninth, hitting for Farley, but died on third when Kostick struck out.

Eight hits, three runs and four errors for Sharpe; nine hits, nine runs and two errors shows the beraks that were against the Shooters.

Score by innings:
Sharpe 100 000 002—3
Waco 212 000 040—9

Summary: 2b hits, Watkins, Henderson 2, Currie, Franklin; 3b hit, Gorin. Struck out by Humphries 6, by Stel 3, by Lewis 2. Bases on balls off Humphries 5, off Stel 3, off Lewis 1. Stolen bases Behrens, Gorin. Umpires, Abbott.

Waco Wins Two Straight

With ideal baseball weather the fans came to Cameron from far and wide to witness the defeat of the Sharpe Shooters in the most ignominious defeat they have suffered perhaps this year. Waco duplicated their defeat of the day before by making their hits in bunches off of the offering of Izzy Glenn who was very much off form from the first and was yanked in the fifth after five scores had been made off of eight hits. Glenn was relieved by Kostick in the fifth with two men out and fanned the first man to face him for the third out and was never in danger to the end of the game. Of the ten hits Waco made four of them were labelled two baggers. Watkins obtained the only extra base hit for the Shooters in the third inning when he banged out a three bagger. Of the fifteen men who faced Kostick seven were struck out. Glenn had only three strikeouts, while Lewis fanned seven of the thirty-six men to face him. A \$390 crowd saw the game, being

the largest of the season by far.

Mrs. Vernon Roberts Hostess At Bridge At Country Club

Mrs. Vernon Roberts entertained with a prettily appointed bridge party at the Country Club Tuesday afternoon using pink and green as predominating colors in all appointments. The wide mantle and the piano were banked with shrubbery and trailing queen's crown, tied with pink maline bows; table covers, tallies and score pads were all in the chosen colors.

Mrs. H. Clay Watson of Waco was high for the afternoon, receiving as a favor a pretty vase; Mrs. Ben Baskin was presented a novelty Book of recipes for low score award; and Mrs. Frank Plaster received a bowl for making the highest number of slams during the afternoon.

The hostess also carried out her colors in the collation which she served on green trays covered with luncheon sets of pink turlin with frayed edges with napkins to match. There was a pear salad, the fruit tinted pink and served with green salad dressing, pecan rolls, crackers, and a green drink having in it pink sherbert. Centering the trays were pink vases filled with fern and queen's crown.

Out of town guests were Mrs. Clay Watson of Waco and Miss Malenon Rischer and Mrs. Dan Legacy of Couer d'Alene, Idaho.

Judge Rutherford On International Radio

Sunday, August 25, beginning at 8:00 A. M., Central Standard time, listeners throughout the United States and Canada as well as foreign lands will again have the opportunity to hear an address by Judge Rutherford, president of the International Bible Students Association.

'Health and Life for the People' is his subject. This will be the first microphone 'appearance' of Judge Rutherford since his return from an extended tour in Europe.

Introductory music composed for the occasion by Omero Castillucco of New York City, will be played under his direction by an orchestra of selected musicians. Vocal duet numbers by the Tour de Garde Singers are also included in the program.

The broadcast will go out simultaneously from more than eighty stations interconnected in a specially arranged wire network stretching to all corners of the United States and Canada. Two short-wave stations, W2XAF, Schenectady, N. Y. 31.48 meters and CJRX, Winnipeg, Man., 25.6 meters, will broadcast for the benefit of overseas listeners.

Texas stations on the chain are as follows: WJAD, Waco; WRR, Dallas; KPRC, Houston; KTSA, San Antonio. Tune in on WJAD and get the program at 8:00 A. M. Sunday.

BIBLE CLASS MEETS

The Friendly Bible Class of the Methodist church held its regular monthly business and social meeting Friday afternoon from four until six o'clock in the classroom at the church. A good representation of the membership was present.

Mrs. J. W. Kemp led the devotion, after which Mrs. P. T. Ramsey directed the social hour. Punch was passed and then a number of games and stunts were enjoyed. Just before time for departure those present were served ice cream cones.

FOR SALE—Five room house with one-fourth acre land near Yoe High School. Small cash payment, balance terms six per cent interest. Price \$3500.00. See Rush A. Thomas or J. H. Thomas, Rosebud, Texas. 18-2tc

A telephone pole never strikes an auto except in self defense.

We are one of the fellows who does not know what the ball score is.

Mrs. Frank Mondrik Guest At Country Club Bridge Here

Presenting Mrs. Frank Mondrik, a recent bride who has come to Cameron to make her home, Mrs. F. C. Fahrendorf entertained last Thursday afternoon at the Country Club with bridge and 42 games forming diversions.

Because the romance between Mr. and Mrs. Mondrik began and culminated while they were students at the University of Texas, Mrs. Fahrendorf chose the University colors of white and gold in carrying out a decorative scheme. The mantle at the club house was centered with a silver candelabra holding gold candles, and this was banked with masses of white and gold flowers and ferns. Baskets and bowls of flowers in the chosen colors were noted at every advantageous point.

Miss Martha Lou Hooks, as winner of high score, was presented a quaint pitcher in Japanese pottery and Miss Malchen Rischer, who was low, received a vase of similar design. Table cuts were low bowls of this same ware wrapped in yellow paper.

Following the games the hostess served a salad plate and an ice. She was assisted by Misses Dora Emily Moore, Inez Evans, Geraldine Slaughter, Florence Atkinson, Lilian Mondrik and Mary Newton.

ELECTION NOTICE

STATE OF TEXAS,
County of Milam,
Notice is hereby given that upon a petition of G. W. Malone and twenty other freeholder voters, the Honorable Commissioners Court of Milam County, Texas, on the 12th day of August 1929, the same being at a regular term, ordered an election to be held at the Liberty School House to determine whether or not horses, mules,

jacks, jennetts, cattle, sheep and goats shall be permitted to run at large in the following described territory, viz: A part of Justice Precinct No. 3 of said county beginning where Canon Snap Creek crosses the Cameron and Gause public road. Thence up Canon Snap Creek to East fork of said Creek where it branches off in the Mrs. J. H. Ashenbeck land. Thence up said East fork to the Milano and Hanover road at the R. L. Batte 290 acre tract of land. Thence in a northerly direction with said road to the point where the Stock Law District established in January 29, 1927 crosses said road. Thence with the line of said Stock Law District to Canon Snap Creek to the place of beginning.

The election was ordered by said court to be held on Saturday, September 28th, 1929, and I appoint G. W. Malone as manager of same.

Witness my hand and seal of office this 16th day of August A. D., 1929.

MATTIE MARIE McMILLAN

Mattie Marie McMillan, infant daughter of Mr. and Mrs. W. E. McMillan, died at 6:55 o'clock in the morning, August 20. Funeral services were held at the family home at Tan- glewood Tuesday afternoon.

The Bluebird Choral Club Gives Dance And Picnic Friday

The Bluebird Choral Club entertained with a picnic and dance at the Country Club Friday evening, beginning at 6:30 o'clock. The girls belonging to the club gathered at the home of Mr. and Mrs. Wm. Rogers and went from there to the club where the picnic lunch was enjoyed. The plate consisted of roasted weinies, lettuce and pimiento sandwiches, stuffed eggs, potato salad, olives, pickles, potato chips and a chocolate muffin.

At eight o'clock the girls assembled at the club house where they were joined by the boys and the dancing began. Music was furnished by Sam, colored pianist. Two tables of bridge were kept going at intervals.

Those dancing were Misses Dora Emily Moore, Inez Evans, Florence Atkinson, Gladys Davis, Dinks Baskin, Harriett Flinn, Dorothy Denson, Dorothy Blaylock, Helen Blaylock, Lillian Mondrik, Frances Haise, Katherine Leath, Ethel Green, Geraldine Slaughter, Frances McDermott and Lucille McDermott; Messrs. Kenneth Rogers, Alvin Mondrik, Billy Wallace Red Baskin, Thomas Graves, Lee Braum, Scarbrough Mayfield, 'Boots' Smith, John Young, Leland Stedman, Paul Werner, Reed Rogers, Wallace Moody, Billy Newton, Sonny Byrd, Joe Rowland, Prothro Deer, Leo Mohler, George Adams, W. T. Whatley, and M. Graham. Those playing bridge were Mr. and Mrs. Shofner Sterling, Mr. and Mrs. Vernon Roberts, 'Red' Collins, Misses LaVerne Bowmer, Martha Lou Hooks and Eloise Rogers. The picnic and dance were chaperoned by Mrs. Wm. Rogers.

The eternal right to be wrong is what makes life interesting.

What a dull world this would be, if all of us were always right.

Members of the Junior Epworth League of the Methodist church were entertained by Mrs. Guy Pope at her home Tuesday afternoon. Indoor and outdoor games were enjoyed and the hostess, assisted by Miss Mollie Moore served sandwiches and fruit punch.

SHERIFF'S SALE

The State of Texas,
County of Milam,
Notice is hereby given that by virtue of a certain Alias Execution is-

issued out of the Honorable County at Law No. 2 of Bexar county, of the 8th day of July 1929, by Jack R. Burke, Clerk of said court for the sum of Four Hundred Ninety Two and 96-100 Dollars and costs of suit, under a judgment in favor of F. D. Stout in a certain cause in said court, No. 19399 and styled F. D. Stout vs. E. J. Michna, placed in my hands for service, I, L. L. Blaylock as Sheriff of Milam County, Texas, did on the 15th day of July 1929, levy on certain Real Estate, situated in Milam County, Texas, described as follows, to-wit: Lot 11 and 12, block 15 in the town of Ben Arnold, Texas in Milam County and levied upon as the property of E. J. Michna and that on the first Tuesday in September 1929, the same being the 3rd day of said month at the Court House door, of Milam county, in the city of Cameron, Texas between the hours of 10 a. m. and 4 p. m. by virtue of said levy and said judgment I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the man, but he hates a lazy man."

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Cameron Herald, a newspaper published in Milam County.

Witness my hand, this 15th day of July 1929.

L. L. BLAYLOCK, Sheriff,
Milam County, Texas.

An Unbiased Opinion

One of the most successful patent medicine concerns in this country has been a consistent user of newspaper advertising for years. Not a week goes by that does not have an advertisement prepared by this company in the hundreds of newspapers the country over.

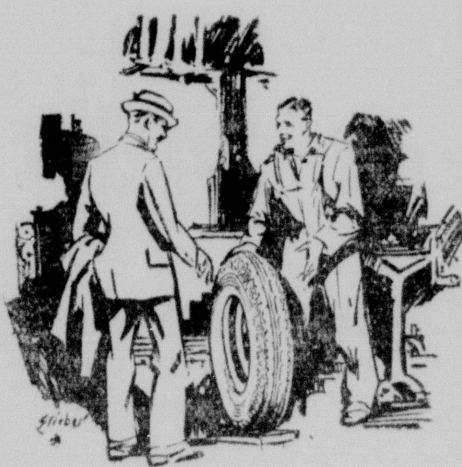

Recently the president of the company issued a statement in which he set forth the opinion of this company regarding newspaper advertising as a sales builder and promoter.

He said, "A comprehensive test of all the recognized forms of advertising exploitation, extending back to the crude methods of nearly one hundred years ago, has convinced us that one medium alone now serves our requirements best—the newspaper."

This is the opinion of a concern that has tried every other plan. Their conclusion is that the best avenue of advertising publicity is the newspaper.

The public reads the advertisements and if they are carefully and thoughtfully prepared they influence the purchaser in his decisions of where and what to buy.

Mrs. Vernon Roberts Hostess At Bridge At Country Club

Mrs. Vernon Roberts entertained with a prettily appointed bridge party at the Country Club Tuesday afternoon using pink and green as predominating colors in all appointments. The wide mantle and the piano were banked with shrubbery and trailing queen's crown, tied with pink maline bows; table covers, tallies and score pads were all in the chosen colors.

Mrs. H. Clay Watson of Waco was high for the afternoon, receiving as a favor a pretty vase; Mrs. Ben Baskin was presented a novelty book of recipes for low score award; and Mrs. Frank Plaster received a bowl for making the highest number of slams during the afternoon.

The hostess also carried out her colors in the collation which she served on green trays covered with luncheon sets of pink tarlton with frayed edges with napkins to match. There was a pear salad, the fruit tinted pink and served with green salad dressing, pecan rolls, crackers, and a green drink having in it pink sherbert. Centering the trays were pink vases filled with fern and queen's crown.

Out of town guests were Mrs. Clay Watson of Waco and Miss Malene Rischar and Mrs. Dan Legacy of Couer d'Alene, Idaho.

Judge Rutherford On International Radio

Sunday, August 25, beginning at 8:00 A. M., Central Standard time, listeners throughout the United States and Canada as well as foreign lands will again have the opportunity to hear an address by Judge Rutherford, president of the International Bible Students Association.

'Health and Life for the People' is his subject. This will be the first microphone 'appearance' of Judge Rutherford since his return from an extended tour in Europe.

Introductory music composed for the occasion by Omero Castillucco of New York City, will be played under his direction by an orchestra of selected musicians. Vocal duet numbers by the Tour de Garde Singers are also included in the program.

The broadcast will go out simultaneously from more than eighty stations interconnected in a specially arranged wire network stretching to all corners of the United States and

Canada. Two short-wave stations, W2XAF, Schenectady, N. Y. 31.48 meters and CJRX, Winnipeg, Man., 25.6 meters, will broadcast for the benefit of overseas listeners.

Texas stations on the chain are as follows: WJAD, Waco; WRR, Dallas; KPRC, Houston; KTSA, San Antonio. Tune in on WJAD and get the program at 8:00 A. M. Sunday.

Mrs. Bob Terry Is Hostess At Stroll Party Tuesday

Naming as honorees Misses Lucille, Mildred and Helen Ruth Wheelers of Freeport, Mrs. Bob Terry entertained Tuesday evening with a stroll party on the lawn of her home on West 23rd Street.

Colored Japanese lanterns lighted the lawn, where pink crepe myrtle and fern in baskets and vases emphasized a color scheme of pink and green. Strolls and dancing to Victrola music were diversions.

Mrs. Terry served individual cakes and fruit punch, the punch bowl on the porch being presided over by Misses Frances Terry and Lucille Wheelers.

THE STATE OF TEXAS

To the sheriff or any constable of Milam county, Greeting:

You are hereby commanded to summon the unknown heirs of C. Sadtler, deceased, by making publication of this citation once in each week for four successive weeks previous to return day hereof, in some newspaper published in your county, to be and appear before the Honorable district court of Milam county, Texas, at the next regular term thereof, to be held at the court house in Cameron on first Monday in September, 1929, same being the 2nd day of September 1929 then and there to answer the plaintiff's petition, filed in said court on the 27th day of July 1929, wherein the State of Texas is plaintiff and Mattie Sadtler Clayton, Jerry Clayton and the unknown heirs of C. Sadtler, deceased are defendants. File number of said suit being No. 1019.

The nature of the plaintiff's demand as set out in said petition being an action to recover of the defendants the sum of \$223.36 dollars as delinquent taxes due plaintiff for the years 1917, 1919, 1924, 1925, 1926 and 1927 including interest, penalties and costs, that have accrued thereon, said taxes, interest, penalties and costs

being due upon the following described property, situated in the county of Milam and state of Texas and within the metes and bounds and territorial 8 acres of land out of the A. G. Perry League and being the same land conveyed C. G. Cobb to C. Sadtler by deed dated Nov. 29th, 1883, recorded in Vol. 21 page 451 of the deed records of Milam county, Texas. And plaintiff further prays for the foreclosure of its liens against said property, to satisfy said taxes, interest, penalties and costs, for an order of sale, writ of possession, all costs of suit and for general and special relief, all of which will more fully appear in plaintiff's original petition now in file in this office.

Herein fail not, and have you then and there before said court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of said court, at my office in Cameron, in the county of Milam, this 27th day of July, A. D. 1929.

It's Cotton Picking Time!

And within a few days the movement of the 1929 cotton crop will be well under way. Present indications point to a good yield, and for your cotton, every local merchant wants you to receive the most possible cash.

Past experience shows that Cameron cotton buyers always pay the highest possible price for your cotton. The years past have proven that there were no fairer buyers or better prices paid for your cotton anywhere in Central Texas than in Cameron. More than that Cameron buyers set the pace for several neighboring towns.

Cameron merchants and dealers in all lines have prepared to take care of your every want. Every merchant, large or small, is daily receiving large stocks of the new-

est in fall merchandise, assuring you of plentiful assortments in every line, whether clothing, groceries, hardware, furniture, amusements, automobiles, tractors—anything you can possibly need, you can get it in Cameron.

Cameron has five modern gins, operated by experienced gin men, insuring a good sample and turnout of cotton. Cameron also has one of the most modern and best compresses in Texas to store and handle your cotton.

Three sound Cameron banks, managed by men who have the interests of your town and community at heart, insure capable and courteous handling of your financial transaction.

The leading business firms and individuals whose names are undersigned, invite you to gin and sell your cotton, buy your merchandise and

YOUTH--AND THE NEW LEADERSHIP

By CRAIG B. HAZLEWOOD
President American Bankers Association

LEADERSHIP is a picturesque word. With it, one pictures Hannibal fighting his way through the passes of the Alps—Napoleon in his campaigns—or Washington holding together his half-frozen army by the sheer magnetism of his character at Valley Forge. But I visualize something that holds a more astounding spectacle in many respects than any of these.

Craig B. Hazlewood

It is the onrush of our business life. Our economic progress plunges ahead at a rate unheard of in the history of the nations of the world and every industrial and financial leader is daily brought face to face with new and perplexing problems requiring the highest courage and intelligence for their solution.

Ninety billions a year, they tell us, this country is now producing in new wealth. The rate of increase is even more staggering than the amount. It is difficult to say where it may lead us in even ten or fifteen years.

We are moving exceptionally fast. Our economic and industrial structure is placing before us problems of greater and greater magnitude. Few men can see far ahead. Few are in complete control, for this is a changing world, as even the most experienced business man will readily testify. Our methods of adjusting our selves rapidly to economic changes and of cooperating are far from perfect.

What an opportunity the leadership of five, ten or fifteen years from now presents! What an adventure it will be! What responsibilities it will lay upon the broadest shoulders that may be found! This is the challenge to leadership as I see it. In the hands of the young men must rest the responsibility for this leadership.

Boys Who Reached the Pinnacles

Business is full of the romance of youngsters whose chief characteristic was working hard and keeping at it. There was a green farmer boy who decided he would rather stand behind a counter than follow a plow. He seemed so obviously lacking in sales ability that for a time no merchant would hire him. He failed in his first position, and in his second his salary was reduced. He even agreed that he was a misfit—but he stuck. Out of his first five stores, I believe, three failed. But he persisted and worked hard. And that boy, Frank W. Woolworth, became the greatest retail merchant in the world with a store in every city of eight thousand or more population in this country.

There was another lad who clerked in a grocery store sixteen hours a day and studied mathematics in his odd moments. He became interested in the doings of the steel plant where employees traded at this store. He began to study steel and sought a position in the plant. He carried a surveyor's chain and drove stakes. At night he studied mathematics and engineering. He did not despair. He could not be diverted. He kept the pressure on for seven years. And that boy, Charles Schwab, mastered the iron industry and became one of the country's great industrial leaders.

There was a lad who sold papers or a train. When he grew up, several million men and a score of billions of dollars of capital were given profitable employment through his inventions. Even in middle life, Thomas Edison continued to work twenty hours a day, if necessary to achieve his purpose.

Leadership is not play. Leadership offers countless perils of varying opportunity, of which the highest pinnacles will mean almost unbearable responsibility in the new era. There will be men with the fire and iron to qualify even for these places. Such men must have had the very finest preparation and the most grueling tests. Their reward will be the attainment of these highest pinnacles of achievement, and the rendering of an immeasurable service to their times.

Joe Grates, Negro, Is Shot; Joe Adams, Negro Is Arrested

Joe Adams, a negro, was arrested Sunday afternoon in connection with the shooting of Joe Grates, a negro, near Burlington. Adams shot Grates

with a shotgun in the hip and the hand. The injury done was not serious. Adams is in jail here charged with assault with intent to murder.

Indian Relics Are Collected By William Linke at San Gabriel

William Linke, a Milam county farmer and cabinet maker residing near San Gabriel, has a very fine collection of Indian relics, collected from this section. The assortment shows about 1000 arrow heads, an old powder horn used by an ancestor of Mrs. Linke in a battle against Napoleon, a tomahawk, some Indian beads, found in an old grave, some old pistols and many other interesting articles.

Chemical Blast Injures Workman's Eye At Rogers

While H. P. Phillips of Rogers was doing some tin work, using sulphuric acid, the mixture exploded, filling his left eye. He was rushed to Dr. Taylor here and is now under treatment. The burn is improving but it is undecided as to whether the sight will be saved as yet.

METHODIST CHURCH

Our mid-summer congregations are

holding up encouragingly, and summer is almost gone. Next Sunday is the last in August.

We are going to have a very interesting service next Sunday night. The sermon will be given over to the story of some of the old hymns. The choir will sing some of them as special and the congregation will sing some of them. You will miss a good time if you are not there.

The pastor has another one of those short sermons for the eleven o'clock service.

The Sunday School attendance was one short of the preceeding Sunday. Quite a number promised to find that absent one and bring him back.

The Leagues—all three of them had good attendance and interesting programs. The meeting hour is 7:00.

Lucky Dog

'What's the dog worth?'
'About \$350.'
'Who left it to him?'

Regular Customers

First Urchin, 'Dr. Smith brought our baby.'
Second Urchin, 'We take from him too.'

Young lady (just operated on for appendicitis), 'Oh doctor, will the scar show?'

Doctor, 'Not if you're careful.'

The more women there are, the more trouble a man has.

Thoughtful Husband

'John,' called his wife from the bedroom, 'I heard the clock strike two as you came in.'

'Yes, dear, it was beginning to strike ten but I stopped it for fear it should wake you.'

MAN FELT BLOATED

For Distress After Meals, He
Takes Thedford's Black-
Draught and Says He
Obtains Relief.

Gulfport, Miss.—"I have used Black-Draught for about five years," says Mr. George Chevalier, of this city. "I keep it in my house all the time."

"When I feel bloated, and have headache after meals, my method of taking Black-Draught is to take from a pinch to a level teaspoonful in my mouth, dry, and wash it down with about half a glassful of water, regulating the dose according to the situation by taking more or less, according to how I feel."

"I usually take a dose on going to bed, when needed, and am relieved next morning."

"I don't know of any medicine that I would exchange for Black-Draught. I believe if anyone is suffering from constipation, and would use Black-Draught as outlined above, he would get relief."

Thousands of other men and women find Black-Draught of great help in relieving common ailments, due to constipation, biliousness and indigestion.

Prepared from medicinal herbs and roots, of highest quality, carefully combined and packaged by automatic machinery.

NC-211

Thedford's
BLACK-DRAUGHT
for Constipation,
Indigestion, Biliousness

NEVER before in the history of this community has electric energy been so cheap as it is today. The new domestic electric service rate of the Texas Power & Light Company with the 7 and 5 cent steps for energy used, makes it possible for you to use double the amount of electricity which you used at our former rate at only a small increase in your monthly bill.

That means better lighting for your home. It means that you can now do all those things electrically which you have long wanted to do but which you have kept from doing because of the

cost. It is cheap to do things electrically today.

How often have you wished for the time to do new and interesting things, to have more time with your family, more time for relaxation and enjoyment. 7 and 5, the Economy Twins, will bring that time to you. They will do your work in less time and with very little effort on your part, so that when your work is done you will have the strength and energy to enjoy your leisure hours. Check up on electric service in your home and let 7 and 5 work for you.

Texas Power & Light Company

"Your Electric Servant"

FROM THE FILES OF THE CAMERON HERALD

28 Years Ago

At a meeting of the stockholders of the First National Bank last Tuesday the following were elected directors for the following year:

Mrs. Mary E. Hefley, J. N. Bradshaw, W. T. Hefley, J. C. Reese and T. F. Hardy.

The following were elected officers for the ensuing term:

T. F. Hardy, president.
J. N. Bradshaw, Vice president.
H. M. Hefley, Cashier
E. P. Lester, assistant cashier.

A semi-annual dividend was declared on January 5, 1904. The bank enters upon the new year under flattering auspices.

At the meeting of the stockholders of the Citizens National Bank last Tuesday the following were elected directors for the ensuing year.

H. F. Smith, T. G. Sampson, Oxsheer Smith, J. M. Sampson and B. J. Baskin

The following officers were elected:
H. F. Smith, president.
T. G. Sampson, Cashier.

J. M. Sampson and Oxsheer Smith, Assistant Cashiers

An annual dividend of ten per cent was declared and \$3000 was passed to the surplus fund. The bank is doing a large and increasing business.

Col. John N. Bradshaw of Orlando, Fla., brother of Mrs. John M. Hefley, has arrived in this city and will spend several weeks in our midst assisting his sister in the settlement and adjustment of the vast business interests left to her care since the death of her good husband. Colonel Bradshaw has made several visits here in the past and is well and favorably known by a great many of our people, and we hope his stay among us may be very pleasant.

County Attorney Chambers was in Buckholts last Saturday on official business.

Hon. T. S. Henderson spent a few days in Austin this week attending to business before the higher courts.

Dr. Denson of Ben Arnold was trading in Cameron last Saturday.

The tea last Friday afternoon and

evening at the home of Mrs. T. S. Henderson was attended by many and a nice sum was realized for the benefit of the Baptist church. The occasion was quite a pleasant one.

Last Friday the boll weevil bill passed the house of representatives, federal congress. It carried an appropriation of \$250,000 for experimental work this year. During the discussion pending a vote on the measure Congressman Slayden read telegrams from railroads and other interests showing that the weevil destroyed half a million bales of cotton last year. A Massachusetts congressman opposed the bill, declaring that the weevil had so increased the price of the raw material as to force many Massachusetts mills to close. He stood alone. Other members from New England favored the bill, because they reasoned that its effect would be to increase the production and thereby reduce the price. It is a nice point to take care of all these opinions.

William J. Bryan reached New York last Saturday on his return from a trip to England and a tour of the continent. He was received by committees and every mark of esteem and respect was extended to him. His plan was to spend Sunday in New York and leave Monday for the West. He returned as a passenger on the Celtic. As to the impression he made abroad, we quote the following paragraph from a New York special Sunday: 'It was said by one of the passengers Sunday that on Monday when Mr. Bryan spoke at the dinner given by Ambassador Choate, that the diners were carried away by the polished diction and address of the American statesman, and asked, "If such a man was defeated by McKinley, what manner of man must McKinley have been?"

CARD OF THANKS

Through The Cameron Herald
We take this means to express the thanks and heartfelt gratitude which cannot be expressed in words to Dr. W. R. Newton and the nurses who waited on me at the Cameron Hospital and to Sr. Daniel Garcia and Mr. and Mrs. Silverio Moreno for supply-

ing groceries to my family and to Mrs. G. Gillis for the flowers, also to all who visited me and they have been helping with groceries and money. May God richly bless one and all and the abundance of his grace be on all is my prayer and wishes.

Truly and faithfully in His service and love,

F. A. Hernandez

Mrs. F. A. Hernandez

Mrs. Myrte de Contreras.

THE STATE OF TEXAS

To the sheriff or any constable of Milam county, Greeting:

You are hereby commanded to summon the unknown heirs of C. Saddler, deceased by making publication of this citation once in each week for four successive weeks previous to return day hereof, in some newspaper published in your county, to be and appear before the Honorable district court of Milam county, Texas, at the next regular term thereof, to be held at the court house in Cameron on first Monday in September, 1929, same being the 2nd day of September 1929 then and there to answer the plaintiff's petition, filed in said court on the 27th day of July 1929, wherein the State of Texas is plaintiff and Mattie Saddler Clayton, Jerry Clayton and the unknown heirs of C. Saddler, deceased are defendants. File number of said suit being No. 1019.

The nature of the plaintiff's demand as set out in said petition being an action to recover of the defendants the sum of \$223.36 dollars as delinquent taxes due plaintiff for the years 1917, 1919, 1924, 1925, 1926 and 1927 including interest, penalties and costs, that have accrued thereon, said taxes, interest, penalties and costs being due upon the following described property, situated in the county of Milam and state of Texas and within the metes and bounds and territorial 8 acres of land out of the A. G. Perry League and being the same

Raise the Grade of Your Cotton

AND

YOU RAISE THE PRICE

The value of your cotton to the spinner determines the price you get. He gauges the value of the cotton by the way it is opened, cleaned and ginned, for those operations vitally effect the production of yarn.

Spinning values means cotton with a high percentage of uniform staple lengths, uncrimped, uncut, free from shale and with the bloom on.

Our gin increases the spinnability of every bale put through it by preserving the natural fiber length, untangling it, keeping shale out and removing stems and dirt.

We solicit your gin business on our record of service and the belief that we are best equipped to give you the better turnout. Give us a trial and you will be pleased.

The Essex Car

Is only one of the many desirable things we have in stock. It is the best of its kind, of course in our opinion. Equally as good in its way is the spirit of courtesy we put behind it, the maintenance system we provide for all its owners, the personal interest we take in each and every one of them, the conscientious effort we make to do things right and earn our customers friendship.

The Essex car is a great machine and deserves that kind of backing. But the credit for that goes to the Essex factory. We could not build it here if we wanted to but we can build a business atmosphere to match it in quality, and we work days and nights to accomplish that purpose.

The Essex owner is the judge of our success. Ask him about the spirit of our business.

Horstmann Brothers Tire Store

JEWISH HOSPITAL TO OPEN HEINEMAN BLDG.

**TUBERCULOUS CHILDREN TO BE
CARED FOR BY \$150,000 UNIT
TO HOSPITAL**

S. Kestenbaum of the Cameron Fruit Company has received a communication from Mrs. S. Pesko, secretary of the National Jewish Hospital at Denver, Colorado, announcing opening of the Louis Heinman building for tuberculous children on September 1.

The letter in full reads as follows: I am happy to advise you that the National Jewish Hospital will open the Louis Heinman Building for Tuberculous Children about September 1, 1929. This building has been erected and equipped at a cost of \$150,000 through the legacy of the late Louis Heinman of Jamestown, New York.

This latest extension of the life-saving service of the National Jewish Hospital will specialize in the treatment of bone, joint and glandular tuberculosis in children. Children suffering from pulmonary tuberculosis will also be treated.

The success which we have heretofore secured in treating tuberculosis of the bones and joints in children, the increasing recognition of the value of sun-treatment in such cases, and the unexcelled opportunity Colorado offers for sun-treatment, has made necessary an extension of our facilities for children.

Enclosed herewith is a photograph showing the Heinman Building and the Horheimer Preventorium. As you know, this latter building has been in operation for eight years, and is dedicated to the task of upbuilding children who are predisposed to tuberculosis, and giving them the opportunity for a happy childhood and a normal productive life.

It is the opinion of the medical profession that the ultimate solution of the problem of tuberculosis lies in the successful treatment of the disease as it manifests itself in various forms in children. With the addition of the Heinman building, the National Jewish Hospital will have beds for eighty children and complete facilities for treating all forms of tuberculosis in children.

It is the hope and desire of the officers of the National Jewish Hospital that our enlarged children's facilities will be used by your community when the need arises. If there is a child in your community who might be helped through this branch of our life saving service, and whose parents are without means to pay for treatment, send that child to us.

The service of the Horheimer Preventorium and of the Louis Heinman Building is free, national and non-sectarian. Do not confuse this work with that of any other Institution. Ours is the only national Institution offering this type of service for children.

The Louis Heinman Building will be opened about September 1. The building will be formally dedicated shortly thereafter, and we sincerely trust that you will find it possible to be here for the dedication.

Meanwhile, may we ask you to assist us in acquainting the people of America with our enlarged program of service? I would appreciate if you would arrange to have this letter printed in the newspapers of your city, including Jewish papers, if any, in this way advising the members of your community of the erection of this splendid building at the National Jewish Hospital. I am sure the newspapers will be glad to cooperate with you in this regard.

Will you kindly send us clippings of any such publicity which you may secure for us?

With thanks and appreciation for your interest and helpfulness, I am,

Sincerely,

S. PISKO, Secretary.

W. J. Walker Named Agent For Federal Life Insurance Co.

W. J. Walker and family, who have spent the summer in Cameron, left Tuesday for Waco where they expect to reside in the future. Mr. Walker has accepted the position of District Agent of the Federal Life Insurance Company with headquarters in Waco. Cameron and Milam County are a part of his territory and he expects to spend much of his time here.

Mr. Walker will be remembered here for his long connection with the Cameron public schools where he was held in highest esteem by all who knew him.

We trust Mr. Walker's new work will prove successful. He hopes his old friends and former pupils will share their insurance business with him. The Federal Life writes very attractive life, health and accident, and automobile accident policies.

COMMUNITY NATURAL GAS

COMPANY
Cameron, Texas
LONE STAR GAS CO. - DALLAS, TEXAS

"STARGAS Starts Where Gas Mains Stop"

This . . . answers the question . . . which is America's finest medium-priced automobile

The Oakland All-American Six was compared with twenty other cars in 878 individual comparisons. Of the 878 points of comparison, Oakland established clear-cut superiority on 451 or 51.37 per cent. The twenty cars combined proved at best to be equal to Oakland on 382 points or 43.50 per cent. Yet thirteen of these cars are higher-priced than the All-American Six . . . Let us give you complete returns of this analysis. Then you will know that here is America's finest medium-priced automobile.

What these features
mean to you

Large piston displacement is needed to develop high power at moderate engine speed. Moderate engine speed is an important factor in the life of a car.

PISTON
DISPLACEMENT

Fisher bodies are famous for style, luxury and roominess. In addition, they hold such advantages as sturdy hardwood and steel construction, VV windshield, side cowl ventilation and adjustable drivers' seats.

FISHER
BODY

How Oakland compares with the field

Oakland's 228 cubic inch piston displacement is greater than 12 of the 20 cars in its price field. Of the 8 remaining cars, 7 are higher priced than Oakland.

Only Oakland and two other cars in the field offer bodies by Fisher. And one of the two is nearly \$100 higher in price than Oakland. Of the 18 cars which have less-known bodies, 11 are priced above the All-American Six.

\$1145

AND UP

Prices, \$1145 to \$1375, f. o. b. Pontiac, Mich., plus delivery charges. Spring covers and Lovejoy shock absorbers included in list prices. Bumpers and rear fender guards extra. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the list price when comparing automobile values . . . Oakland-Pontiac delivered prices include only reasonable charges for handling and for financing when the C. M. A. C. Time Payment Plan is used.

Tire Repair Man Must Know Tire Building

"Not very long ago a serious tire injury usually meant the loss of the tire," said Mr. Horstmann of The Tire Store. "Of course, now and then one could find a repair man who could repair almost any tire injury and do it well, but such a man was an exception."

"When balloon tires came into fairly general use, tire repair equipment and methods had to be changed. These tires with their extremely flexible walls presented new problems. Firestone, the pioneer in the balloon tire field, realized the difficulties which confronted repair men and developed the necessary equipment and methods."

"Firestone did not stop here but went on and established schools at the factory and in other localities throughout the world where a man could learn proper balloon tire repair methods. At these schools students were taught the rudiments of tire building and how to make the necessary repairs—they were shown just what portions of rubber and fabric had to be cut away and replaced. In short, they were instructed how to restore the tire just as closely as possible to its original condition. This instruction was strictly practical, being accompanied by actual shop practice so that when students had completed the course, they could go out and make just as good repairs as could be made if injured tires had been sent in to the factory."

"In our shop," said Mr. Horstmann "we use Firestone methods and equipment and we know just what results can be obtained. All of our repairs are guaranteed and we can assure any customer, after we have completed the job, that the repaired portion will wear just as long as the rest of the tire."

MAYSFIELD

Mrs. Jim Barmore is visiting in Dallas this week end.

A. L. Massengale went to Cameron Friday.

Miss Vera Mayes spent Sunday with Miss Mary Ethel Massengale.

Mr. and Mrs. Eldred Massengale spent the week end with Jim Barmore.

Misses Mary Emma Thweatt, Mary and Doris White visited Miss Mildred Massengale Saturday evening.

John Thweatt has been on the sick list this week.

Tom Floyd made a business trip to Cameron Friday.

Jim Barmore's barn burned Friday evening and it was a considerable loss to him.

Mesdames DeWoody and Elliott Atkinson and little son, Gordon, who

have been visiting for several weeks in the home of Mrs. Hubert Atkinson left recently for their home in Colorado, Arkansas.

Misses Bertha, Ruby and Margaret Baylor spent Sunday afternoon with Miss Ruby Nicholson.

Miss Elizabeth Nicholson, who has been taking the summer course at Daniel Baker College at Brownwood came home Sunday afternoon for a three week's vacation.

Mrs. Wm. Freeman and children, Billy and Betty, took her mother-in-law, Mrs. Mary Freeman to Hubbard Tuesday.

Rev. R. L. Nicholson motored to Hearne with his son, Malcolm, Monday evening for the latter to take

the train for French Camp, Mississippi, where he will resume his studies in the school there.

Messrs. LeRoy and Ralph Massengale attended preaching at Marlow Sunday night.

BIRTHDAY PARTY

Sam Bill Law, son of Mr. and Mrs. Roy Law, observed his fourth birthday last Saturday afternoon, inviting several of his friends to play with him in the afternoon.

The birthday cake, iced in white, and bearing its four pink candles, was cut on the lawn. Together with the cake, candy and chewing gum were served the small guests. Out-door games were enjoyed and Sam was the recipient of many birthday remembrances from his friends.

Also we don't know a thing about it, when a golfer refers to 'finals.' Sometimes we think it may refer to something to drink.

Our boss is very exacting. He is always screaming for copy an hour ahead of the time I am ready.

Fine Plan

Old Lady (visiting prison). 'Poor man, I wish I could do something to get you out of here.'

Prisoner, 'Well, lady, if you want to change clothes with me when the guard isn't looking, I could do the rest.'

WANTED TO RENT

Two or three rooms furnished suitable for light housekeeping. Desire privilege of bath and toilet. Not necessarily close in. Would like garage for car. Address W. J. Walker care of M. G. Cox.

Better Farm Buildings Pay

Farm Implements are too valuable now-a-days to have them ruined because of a leaking roof. Livestock is worth money, too. Take it all around, it's mighty good economy to put barns and sheds in first class shape.

How about your grainery space? If you need more room, why not see us now about material for building?

Remember, we carry everything in lumber including that handy wall and ceiling material, Beaver Board—and our prices are right. Why not ask us to give you estimates and help you plan your work. No job is too small or no job is too large. Phone or call anytime and we will be right out to see you.

TOO much work, too much worry. Tired but too nervous to sleep. Counting imaginary sheep, relaxing your muscles, making your mind a blank, all no use. You'll feel "all in" tomorrow.

Just dissolve a Dr. Miles' Effervescent Nerve Tablet in a half glass of water. Drink the clear sparkling beverage. Drift off into deep dreamless sleep and get up in the morning refreshed in mind and body, and ready for the day's duties or pleasures.

Dr. Miles' Nerve is now made in two forms—Liquid and Effervescent Tablet. Both are the same therapeutically.

Get them at your drug store

L. L. RASBERRY DIES IN ROCKDALE MONDAY

L. L. (Les) Rasberry, age 53, died suddenly at his home on North Main street at an early hour Monday morning, the attending physician giving the cause of death as angina pectoris.

Mr. Rasberry had complained of an uncomfortable feeling in his chest Saturday and had made an appointment with Dr. I. P. Sessions for a thorough physical examination for the following Monday. Monday morning he arose about 5:00 a. m., as was his custom, made and drank a cup of coffee and seated himself in a chair on the back porch. A few minutes later Mrs. Rasberry heard him fall; when she reached his side he was unconscious and death followed in a few minutes.

Funeral services were held at the home at 6:00 p. m., Tuesday, conducted by Rev. Charles F. Smith, pastor of the Methodist church. Interment followed in the I. O. O. F. Cemetery. Pall bearers were Messrs. E. A. Camp, E. H. Coffield, C. M. Perry, W. T. Ramsel, E. R. Wolf and P. H. McCawley.

Lee Rasberry had spent most of his life in Rockdale and Milam county and had an unusually wide acquaintance over the county, and numbered his friends by the hundreds. He was born near Giddings in 1876 and came to Rockdale in the early days of the town's settlement. A few years ago he removed to California and resided there and at El Paso for a time, returning to Rockdale about two years ago and building the home in which he died. He is survived by his wife, one son, Jack Rasberry, an attorney of El Paso, one brother, E. L. Rasberry of Thorndale, and one sister, Mrs. C. M. Sessions of this city. Relatives present for the funeral included these, as well as Mr. and Mrs. L. Rasberry of Houston, and Mr. and Mrs. E. H. Wynne of Temple.—Rockdale Reporter.

CLARKSON

Mary Feist of Welda visited Mrs. Herman Schwarting the past week.

Bill Kohring and wife were callers at the W. M. Kohring home Sunday.

Henry Schwarting, Clarence Kelly

and John Talafiaro returned Saturday from Mexico.

ELECTION NOTICE

STATE OF TEXAS,
County of Milam,
Notice is hereby given that upon a petition of G. W. Malone and twenty other freeholder voters, the Honorable Commissioners Court of Milam County, Texas, on the 12th day of August

1929, the same being at a regular term, ordered an election to be held at the Liberty School House to determine whether or not horses, mules, jacks, jennetts, cattle, sheep and goats shall be permitted to run at large in the following described territory, viz: A part of Justice Precinct No. 3 of said county beginning where Canyon Snap Creek crosses the Cameron and Gause public road. Thence up Cannon Snap Creek to East fork of said Creek where it branches off in the Mrs. J. H. Ashenbeck land. Thence up said East fork to the Milano and Hanover road at the R. L. Batte 290 acre tract of land. Thence in a northerly direction with said road to the point where the Stock Law District established in January 29, 1927 crosses said road. Thence with the line of said Stock Law District to Cannon Snap Creek to the place of beginning.

The election was ordered by said court to be held on Saturday, September 28th, 1929, and I appoint G. W. Malone as manager of same.

Witness my hand and seal of office this 16th day of August A. D., 1929.
JEFF T. KEMP,
Co. Judge, Milam Co., Tex.

CARD OF THANKS

We wish to express our sincere appreciation to our many relatives and friends for their sympathy and many kindnesses and beautiful floral offerings during the loss of our dearly beloved wife and mother, Mrs. A. F. Robinson.

Second, 'Why?'
First, 'I promised I'd shoot anybody that looks like me.'
Second, 'Do I look like you?'
First, 'Yes.'
Second, 'Shoot.'

Afraid of Mrs. Grundy
'Oh, gosh,' the girl exclaimed. 'It started to rain. You'll have to take me home.'
'Why, I'd love to,' her bashful escort stammered, 'but you know I live at the Y.'

Learn Radio At Tyler Commercial College

Many Graduates Placed in Splendid Positions in this Newest and Most Interesting Field

Tyler Commercial College at Tyler is a Licensed Radio Technical Training Station. It is the only commercial school, so far as we know, that has a station in operation for and by the Radio Department. Tyler is on the air with Radio Code every day. Its call letters are W5YT. New equipment is being constantly added to keep the department in the forefront of radio schools.

Many Tyler radio graduates are in employment as operators on steamships that take them into ports in all parts of the world, others are in positions in the States, as land station operators, geographical research workers—all holding positions that require expert training.

The new Tyler Catalogue and other literature explains the courses and the employment opportunities. If you are interested in this new and large field, clip and mail the coupon printed below. There is no obligation. There is no branch school. Tyler leads; others follow.

The New Things For Fall Are Here

Important New Dresses and Fashionable Millinery—all pointing to a big thrill for you and a Season of Thrifty Buying

DOBBINS always announces the new things first and at the outset of a new and important style season, any announcement is good news, of course. And when one can be sure that an announcement of new arrivals in apparel will be as thoroughly a price event, it is more than good news.

Every thrifty woman who desires fashionable apparel will be here to see the new things for fall and winter. They have just come into our store and are now on display waiting your selection.

The big thrill about these new dresses are the prices. No season end bargain sale has more to offer than this season start of selling new things.

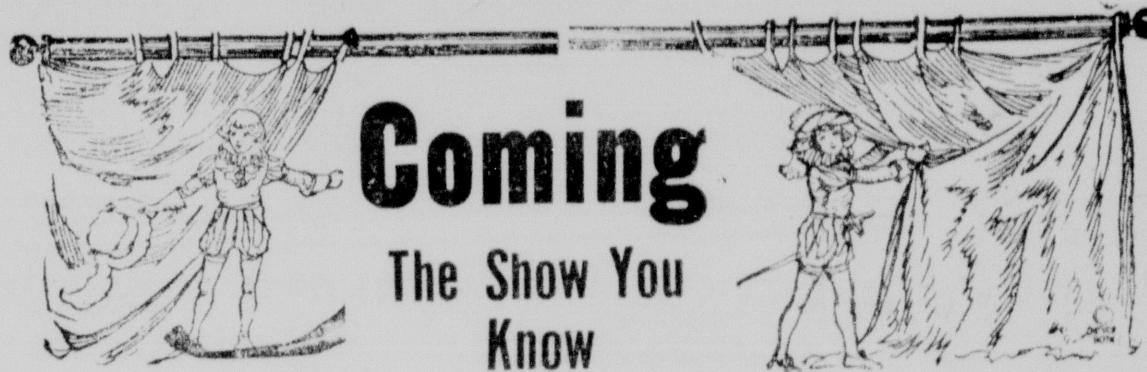

New Millinery

The really smart hats for fall have dozens of clever tricks to achieving snugness and smallness. But when they resort to cheek sweeping lines is when the fashionable world approves them. The new hats are here—softly becoming as well as extremely distinctive. We take pride in these offerings for early fall wear. So fine and so moderately priced.

DOBBINS SHOWS THE NEW THINGS FIRST has been a policy of this store for years. If you would see the new things first while they are new you should keep in touch here.

FRASER AGAIN HEADS WOODMAN OF WORLD

CONVENTION AT SEATTLE GIVES SOVEREIGN COMMANDER ENDORSEMENT

Omaha, Neb., Aug. 20, 1929—Officers of the Woodmen of World Life Insurance Association who returned here during the past week from the National convention of the Association at Seattle, were happy over the enthusiastic endorsement received by Sovereign Commander W. A. Fraser at the national meeting.

Sovereign Commander Fraser tendered his resignation as a challenge to certain efforts of men to embarrass the society by a series of court suits. As soon as Commander Fraser tendered his resignation pandemonium reigned at the meeting. Efforts were made to prevent the resignation but Sovereign Commander Fraser said he felt he owed it to himself and to his friends to take the step he had. The resignation was then accepted.

Sovereign Gregory, Congressman from Kentucky, placed the name of Mr. Fraser in nomination to succeed himself. Seconding speeches were made by Congressman Kincheloe of Kentucky, Judge Porter of Texas, General Royster of North Carolina and Judge Henderson of North Carolina.

Mr. Fraser was re-elected unanimously.

All of the other Sovereign Officers were also unanimously re-elected.

"In all my years of activity in fraternal work I never witnessed such a marvelous and wholehearted demonstration of respect and confidence as was tendered Sovereign Commander Fraser at the Seattle meeting," said Sovereign Clerk John T. Yates.

Since the national meeting telegrams and letters have been received by the national headquarters from practically every state in which we do business congratulating the Sovereign Camp for their action in re-electing Commander Fraser. The national meeting of the Woodmen of the World carried on very valuable business in connection with the organization.

Every Sovereign of every state is interested.

Among the changes in laws of the order adopted was one which calls for the nomination of a financial secretary by all local camps, commencing January 1, 1930. This financial secretary will be an honorable directly to the Sovereign Camp.

Head Camp or state Woodmen of the World conventions will be held every two years, instead of every 4 years, as in the past.

Another provision requires members who have complaints against the society to file these complaints with the Sovereign Commander prior to the institution of any law suit. The Sovereign Commander will then rule on the complaint and in the event a satisfactory settlement is not reached, the member may appeal to the board of directors of the Sovereign Camp.

Any member under 60 who becomes totally disabled shall receive one-half the face value of his certificate, prior to attaining the age of 60 years.

Arizona and California were united into a new Head Camp jurisdiction and New Mexico was also established as a Head Camp.

The Sovereign finance committee was authorized to invest surplus funds in United States or other bonds and such securities as are permitted by state laws to be purchased by life insurance companies.

Prior to the Sovereign Camp meeting Sovereign Commander Fraser appointed W. C. Braden, head consul of Louisiana, to the post of Sovereign Sentry, to fill the vacancy caused by the death of the late Col. B. W. Jewell and the advancement of other Sovereign officers.

H. O. Fishback, insurance commissioner of the state of Washington, attended the Woodmen sessions and in an address commended the Woodmen of the World on its efficient organization.

Miller Tires Please Men Who Change Own Tires Says Green

One of the surprises of Miller Rubber Company's history is the way its Deluxe tire has attracted small car buyers.

Designed especially for the use of 'big six' owners, this Deluxe tire has forced its makers to double their molds and equipment for small-car buyers.

"It's easy to see why," said C. N. Green. "The man who drives his own car is more particular about what he buys than is the man with a chauffeur. The car-owner who changes his own tires appreciates the best."

Miller has just brought out a new tire, similar appearing and a fit comparison to its high-priced Deluxe, which begins where the other tires leave off. The famous Geared-to-the-Road tread has been strengthened and toughened. The inner cord construction represents all that can be demanded in resiliency plus long life.

In actual tests, the same tires available in our own stock, over hot Florida roads, Miller Geared-to-the-Road tires outwore every other leading make. In many instances Millers were twice as long as competitive brands on the same car.

"We're expressing months of careful tests in a very simple guarantee," says C. N. Green. "We don't ask anyone to take our word for it, but here's what we guarantee,—that our new Miller Geared-to-the-Road tire will outwear any tire of the same price class, no matter whose."

This guarantee has just been announced to readers of two national magazines and many Sunday and daily papers throughout the country.

The new Miller Geared-to-the-Road tire is now available in all popular sizes in Cameron backed by this unsurpassable guarantee.

SHERIFF'S SALE

The State of Texas,
County of Milam,

Notice is hereby given that by virtue of a certain Alias Execution issued out of the Honorable County at Law No. 2 of Bexar county, of the 8th day of July 1929, by Jack R. Burke, Clerk of said court for the sum of Four Hundred Ninety Two and 96-100 Dollars and costs of suit, under a judgment in favor of F. D. Stout in a certain cause in said court, No. 19399 and styled F. D. Stout vs. E. J. Michna, placed in my hands for

service, I, L. L. Blaylock as Sheriff of Milam County, Texas, did on the 15th day of July 1929, levy on certain Real Estate, situated in Milam County, Texas, described as follows, to-wit: Lot 11 and 12, block 15 in the town of Ben Arnold, Texas in Milam County and levied upon as the property of E. J. Michna and that on the first Tuesday in September 1929, the same being the 3rd day of said month at the Court House door, of Milam county, in the city of Cameron, Texas between the hours of 10 a. m. and 4 p. m. by virtue of said levy and said judgment I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the man, but he hates a lazy man."

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Cameron Herald, a newspaper published in Milam County.

Witness my hand, this 15th day of July 1929.

L. L. BLAYLOCK, Sheriff,
Milam County, Texas.

ANNOUNCING A VARIETY OF COLORS on the Chevrolet Six at no extra cost!

In keeping with the progressive policies that have carried Chevrolet to record-breaking heights of success—the new Chevrolet Six is now made available in a wide variety of colors at no extra cost.

Still further enhancing the inherent beauty of the marvelous bodies by Fisher, these striking new colors give to the Chevrolet Six an order of smartness unapproached in any other low-priced car in the world.

And when you drive the Chevrolet Six, you will realize that its performance is equally as outstanding as its beauty. It flashes away at the traffic signal. It tops the steepest hills with an abundant reserve of power. The steering wheel responds to your slightest touch. And the quiet, non-locking, four-wheel brakes are unusually quick and positive in action.

Come in today. See this sensational Chevrolet Six which actually sells in the price range of the four.

The Roadster, \$525; The Phaeton, \$525; The Coach, \$595; The Coupe, \$595; The Sport Coupe, \$645; The Sedan, \$675; The Imperial Sedan, \$695. All prices f.o.b. factory, Flint, Mich.

COMPARE the delivered price as well as the list price in considering automobile values. Chevrolet's delivered prices include only reasonable charges for delivery and financing.

A SIX IN THE PRICE RANGE OF THE FOUR

ROCKDALE MAY GET LIGNITE POWER PLANT

C. OF C. RECEIVES ENCOURAGEMENT, THOUGH NO DEFINITE PROMISE MADE

The Rockdale Chamber of Commerce, through its board of managers—H. C. Meyer, E. A. Camp, J. W. Garner and Ed Gunn—and joined by the entire business interests of this city, has recently begun negotiations with the Texas Power and Light Company for the erection here of a big lignite burning power plant similar to the one operated by that company at Trinidad, Henderson county.

This action was taken last week when it was learned that the T. P. & L. Company has tentative plans for the location of such a plant in this section.

H. C. Meyer, president of the Chamber of Commerce, went to Dallas last week and held a conference with officials of the company, and while no definite promises were made, he received considerable encouragement the fact being developed that such a plant is actually in prospect in connection with the corporation's well-established program of not only growing with Texas, but actually keeping just a little ahead of the State's growth and development.

In the resolution adopted by the local Chamber of Commerce and submitted by Mr. Meyer, facts are set forth as follows: That there is an inexhaustible supply of quality lignite adjacent to Rockdale, served by two railroads, and for many years recognized as the largest lignite operation in the United States, with the possible exception of the Dakotas; that pick-and-shovel, as well as heavy surface mining operations are in effect in this field now, and have been for many years; that the potential production of lignite coal is unlimited, and fully adequate for any plant the company might install, regardless of size or scope; that the supply of water suitable for the Company's operations is also unlimited, and that the location offers the Company every advantage as to the providing of unlimited electric power on the cheapest scale, and in a section of the State best suited to the company's needs. The resolution concludes with the offer of every assistance and cooperation by the business interests of this city with the Texas Power and Light Company in the development of the project.

'My reception was most cordial and courteous,' Mr. Meyer stated on his return from Dallas, 'and I feel that Rockdale as a possible location for this plant will be given serious consideration by the Company. I was informed that they are actually considering the erection of such a plant, and that the matter is already in the hands of the engineering department, upon whose recommendation, of course the solution will depend.—Rockdale Reporter.'

CALDWELL, TEXAS

Texas and Texans

By Will H. Mayes

Texas Rural Routes

Texas is now fairly well covered with rural mail routes, these now being 2194 routes in the State serving 1,209,000 persons. The cost of this service is \$15.25 a year for each family, which is small when it is considered that Texas is yet so poorly covered by good roads.

There is nothing that has contributed more to rural life than the improved mail service unless it be the improved roads that have made the mail service possible.

The annual salary of Texas rural carriers averages \$1927, exclusive of the allowance for equipment maintenance, or about \$160 a month, which is enough to secure good service with a smile.

When it is considered that most of the State highways in Texas are comparatively new, their maintenance appears to be rather expensive. The highway department appropriates \$8,403,930 for the maintenance of 18,000 miles of road, or nearly \$500 a mile a year, however, this amount takes care of contingencies, such as flood damages to roads and bridges.

An argument advanced by the proponents of a State bond issue of considerable size is that the sooner permanent highways are built just that much sooner will maintenance costs decrease.

Prison Commission Tours

Eleven members of the Texas Prison Commission, created by the last legislature, are away on a visit to a score or more of northern and eastern prisons, accompanied by an architect and a secretary. The tour will last a month and at its end the commission expects to be informed as to the most modern methods in prison management.

While such a jaunt seems expensive if it only leads to the right improvement of the Texas prison system and to lessening the operating cost to tax payers, the trip will be worth many times its cost.

Brazos County Roads

Brazos county voters are to vote on the issuance of a \$1,250,000 road bond issue with which it is proposed to liquidate a half million dollars in

bonds and build State roads intersecting the county, and numerous laterals leading to these State highways. People who have occasion to travel in Brazos county will readily agree that the roads are needed.

Orient Extension

The hopes of the people of a vast section of West Texas will be realized sooner than some have expected in recent years if the Santa Fe makes good its proposal to complete the Orient line to Christoval by early September and to Sonora by the first of the year. The work, however, has reached the stage where there is every reason to believe this will be done.

Tomato Tariff

Commercial organizations of the lower Rio Grande Valley are protesting the action of some of the commercial bodies in other parts of the State in opposing the proposed tariff on tomatoes. They claim that in the tariff is increased, it would mean \$10,000,000 additional revenue to the Valley each year. It has not been long since the humble tomato was regarded as rank poison. It may yet become the chief source of Texas prosperity. Who knows?

Lockhart Creamery

The Lockhart Creamery, one of the many coming concerns of the kind, capitalized at \$25,000 and owned in small amounts by local people, has recently held its annual meeting, and is highly pleased with itself. One reason is that it has paid farmers \$200 a day for milk and is seeing the milk herds of the district much increased and improved.

Rockdale's Lights

Rockdale is putting in a system of incandescent street lights under the outer edge of the awnings of business houses. Most towns of the size are lighted in that way, and it creates a most favorable impression on both home folks and travelers. There is something about a well-lighted place that creates a home town pride, and in this day of general use of electricity the unlighted town has a neglected and forbidden appearance.

The Milk Industry

To whatever proportions the tomato industry may grow it will likely find a rival for supremacy in the milk cow. Dairy products plants of all kinds are increasing rapidly in all part of Texas and farmers are finding difficulty in getting enough

cows to supply the demand for milk and cream. While the milk plants are not showing extraordinary profits they are proving a boon to farmers by keeping them supplied with ready cash throughout the year.

In Southeast Kansas the bankers have agreed to put up a million dollar fund to be loaned to dairymen for the better development of the dairy industry, and they not only expect to get back their money with interest, but to increase their deposits largely. Something of the kind may have to be done in Texas.

Clay Products Plants

Natalie, Medina County, is to have a \$146,000 clay products plant to specialize in tiles. Much of the Texas soil is adapted not only to the making of tiles and fine brick but to a high class of ceramics equalling the best pottery of the country. Some day Texas will become famous for its pottery, although as yet but little is produced except the coarsest of the clay products.

Postoffice Receipts Increase

The Pampa Times is correct in its statement that the increase in postal receipts is one of the best indications of the growth of a town. The paper quotes figures to show that postal receipts there have jumped more than one-third over the corresponding periods of last year, from which one can conclude either that Pampa is growing very rapidly or that the people who are there are unusually prosperous and using the mails more than ever. Doubtless both of these conditions exist, for they usually go together.

Building Associations

Building and loan associations assets in Texas increased more than \$20,000,000 last year, bringing the total to \$113,000,000. These associa-

tions are now under the supervision of the State banking commission, and will get the same close supervision given to State banks. The result of this, the law for which has only lately become effective, will likely be to increase assets of the associations even more rapidly.

Llano's Hotel Leased

You need not try to lease the new hotel at Llano, for it has been leased before it is completed, but along in September you can be assured of a good room 'with all modern conveniences' when you go to Llano. The hotel business in Texas is so good that whenever and wherever a new hotel is to be built there are dozens of hotel proprietors anxious to secure long-term leases.

August Newspaper Business

It used to be that August was considered a dull month in the newspaper business but evidently August 1929, is not, for the papers, large and small, are nearly all overbalanced with advertising and many are getting out 'special editions' that show the great prosperity of their sections. Texas

is getting ready for a great fall business. If your town isn't, there must be something wrong with it.

Last week we suggested to a reporter of a great daily that it might be well to indulge in the truth occasionally, suggesting that most people read the papers to learn what liars men are. He intimated that the truth is not what men want. He further said that his boss called him down not long ago for even mentioning the truth about things in general. One item of his, smacking of the truth, cost the boss \$100,000. So you see the 'deer pepul' don't want the truth and won't pay for it. That is what's the trouble with us, hewing truthfully to the lines.

You must give the women credit for knowing more about dressing than men. Men always wear a lot of superfluous clothing, especially coats during hot weather, high collars and other hot things. I guess there is no help for it, but we have heard here say that coats were comfortable on hot days.

SPINNERS-- PAY HIGHER PRICES FOR THIS COTTON

Cotton free from gin-cuts and breaks, cotton clean and smooth through and through, sells for higher prices because it reduces spinning loss. And whatever does that the mill man pays a premium for.

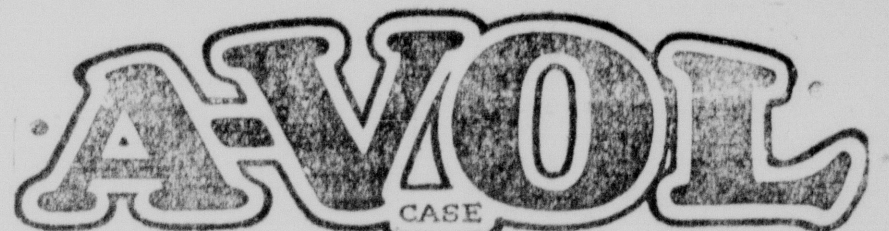

THE MURRAY HIGH SPEED, LOOSE ROLL, AIR BLAST GIN

will put your cotton in the high-price class by ginning it the way the spinner wants it ginned. This great machine does not cut or break the staple. It turns out sample clean and uniform in character.

It motes by centrifugal force—out of the air and at high speed, which throws out more of the smaller motes and particles than a slow speed gin does.

Why take ordinary prices for your cotton when you can get top money for it? We'll gladly explain how, if you'll ask us.

THE CENTAUR COMPANY, NEW YORK CITY.

SHARPE EVENS SERIES WITH WACO MONDAY

DARRAUGH PROVES TOO MUCH
FOR WACO MONDAY AND
EVENS COUNT

The Sharpe Shooters came into Cameron for the Monday game with the count one won and two lost so it was a matter of do it or die for the Shooters and they did it, winning a well played, heads up game by the score of seven to four. Darraugh was on the mound for Sharpe while Rickett drew the assignment for Waco. In the four games Rickett has pitched on the Cameron diamond he has been unfortunate enough to lose every one of them. Darraugh pitched a masterful game allowing Waco only six hits and but for an error, base on balls and a freak home run by catcher Miller in the second inning would have pitched shut out ball except for the eighth, when three hits netted Waco a run.

Speegle has been out of the line up for the second and third games account of illness showed up in uniform and was used in the eighth inning as a pinch hitter and came through with a single which scored two runs. Rosenberg ran for Speegle, stole second but was left stranded there. Lee showed up to play first in Speegle's absence and did excellent work at the initial bag. In the fourth Watkins led off with a single and Henderson, next up, banged one over the fence in the general direction of Hoyte. Lee connected with one of Rickett's offerings in the second inning for a three bagger. This game was a reversal of the two that Waco had scored in that Sharpe scored seven runs off of nine hits and played errorless ball behind Darraugh. Waco made four scores off of six hits but three errors were chalked up against their records.

Score by innings:
Sharp 010 201 03x-7
Waco 030 000 010-4

Husband, 'The doctor has ordered me to keep a diet of sea food.'
Wife, Oh fine. I'll bake a sponge cake right away.'

Ball Player, 'We gave the umpire fifty bucks to let us win the game.'
Friend, 'And still you lost.'
Player, 'Yeah—the umpire was so crooked.'

SHERIFF'S SALE

The State of Texas,
County of Milam,

Notice is hereby given that by virtue of a certain Alias Execution issued out of the Honorable County at Law No. 2 of Bexar county, of the 8th day of July 1929, by Jack R. Burke, Clerk of said court for the sum of Four Hundred Ninety Two and 96-100 Dollars and costs of suit, under a judgment in favor of F. D. Stout in a certain cause in said court, No. 19399 and styled F. D. Stout vs. E. J. Michna, placed in my hands for service, I, L. L. Blaylock as Sheriff of Milam County, Texas, did on the 15th day of July 1929, levy on certain Real Estate, situated in Milam County, Texas, described as follows, to-wit: Lot 11 and 12, block 15 in the town of Ben Arnold, Texas in Milam County and levied upon as the property of E. J. Michna and that on the first Tuesday in September 1929, the same being the 3rd day of said month at the Court House door, of Milam county, in the city of Cameron, Texas between the hours of 10 a. m. and 4 p. m. by virtue of said levy and said judgment I will sell said above described Real Estate at public vendue,

for cash, to the highest bidder, as the man, but he hates a lazy man."

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Cam-

eron Herald, a newspaper published in Milam County.

Witness my hand, this 15th day of July 1929.

L. L. BLAYLOCK, Sheriff,
Milam County, Texas.
By Will Vaughan, Deputy

Choose Your Bank as You Would Your Pardner

Most important of the qualities you would desire in a business partner are the ability to help you make money and co-operation in making your business grow.

These, too, are qualities to look for in choosing your bank. We invite you to consider these points with regard to this bank—and to give us the opportunity of demonstrating our willingness and ability to serve you.

PAINS QUIT COMING

Missouri Lady Says She Got Stronger and Awful Hurting Went Away After She Took Cardui.

Quilin, Mo.—"For some time, I had been having an awful time with pains in my back and sides," says Mrs. Robert Creasy, of this place. "My head would ache until I felt as if it would split open."

"I was very weak and nervous. It looked like the least little thing would upset me. I was cross with the children, and I had no patience for anything."

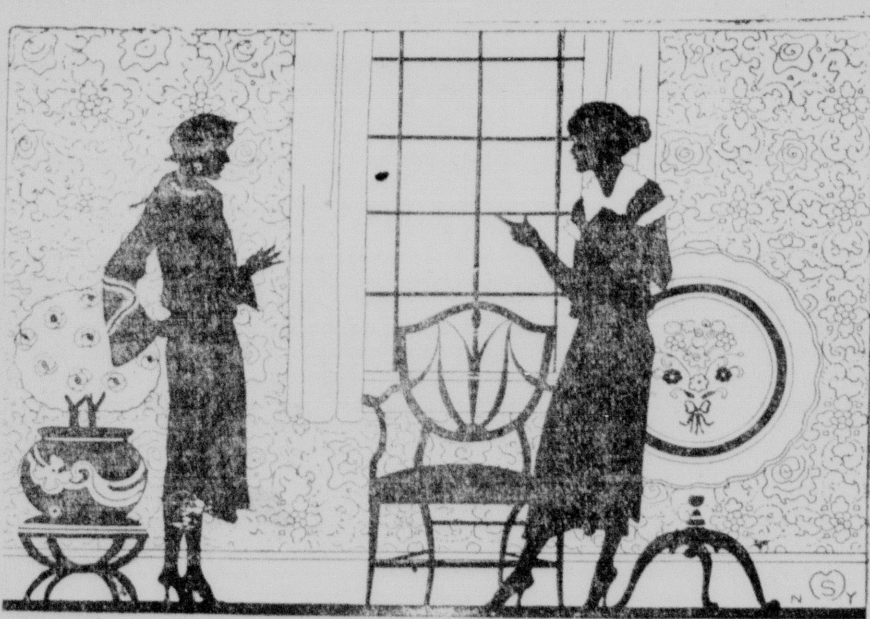

"Often, when I would get up in the morning, I would have to go back to bed. I was so weak. I dragged through my work, but it took all my strength to do it."

"I tried many remedies, but nothing did me any good until I started taking Cardui. I had read how Cardui had helped others, and so I wanted to try it, myself."

"Cardui proved to be all that was said of it. I took it for several months, regularly. At the end of that time, I was in good health, and have been so ever since. I gained in weight, my appetite was good, and I was able to do all my housework without it hurting me. The pains quit coming."

Thousands of cases similar to that described above have been reported by users of Cardui.

A Silver Lining For That Dreary Room!

In your own home may be a room which is as gloomy as a cloudy fall day.

But that atmosphere needn't last.

Fit it out with new wallpaper. Colors which are joyful and bright. Designs that are pleasing to the eye. Have your wallpaper harmonize with your furniture—and then you have the setting of a beautiful home.

How much wallpaper brightens one's home is really surprising—so is the low cost.

KELLY SPRINGFIELD

KELLY Has Always Been Known as the Quality Tire

It has always been a good tire—a tire you could depend upon. Rugged, reliable, long-lived—always giving your money's worth and then some—Kelly Balloons have been for years the favorite replacement tire among owners of the higher priced cars.

Now comes a NEW KELLY—the REGISTERED BALLOON—bigger and sturdier, to meet new conditions created by more powerful cars, that are driven faster and braked harder.

Extra built throughout; extra oversize, with nearly 10% more air capacity; a much thicker tread, extending farther down the side walls and giving them almost armored protection; more rubber between the plies of cords; two extra plies in the 7-inch size.

These in brief are the advantages which this superb tire possesses. It is a real de luxe tire—the finest that money can buy. To make sure that every purchaser gets the maximum service from it, each individual tire will be registered direct with the Kelly factory at the time of purchase.

We also have a large supply of Kelly Springfield and Kelly Buckeyes.

KNIGHTS OF PYTHIAS PICNIC AT WAYSIDE

CHAS. BAUGHMAN, FORMER
GRAND CHANCELLOR SPEAKS
AT PICNIC MEETING

Members of the Knights of Pythias Lodge of Cameron enjoyed a picnic barbecue at Wayside Inn Tuesday evening, with 125 people in attendance.

W. G. Gillis was master of ceremonies and the following program was heard:

Reading, Beulah Collier.
Address, Chas. Baughman, former Grand Chancellor, of Austin.
Advantages of a Club room for the lodge, Cecil Wilson.
Reading, Miss Dorothy Blaylock.
Talks on 'Why a Young Man Should Join the K. P. Lodge,' C. D. McGehee and C. H. Hurley of Austin.
Guests from Austin other than Messrs. Baughman and Hurley were Fred Moore and Floyd Goff.

Nature Wonders Are Revealed in Photos Taken in Milam Co.

On display at the B. & B. Studio are a collection of pictures made by Mr. Brady on last Friday of massive rocks found in Milam County on the Brazos river. These rocks are little known to the people at large. They were discovered for the camera by J. B. White and Dr. G. E. Sutton and have been brought in pictures within reach of everyone who desires them.

The rocks and the landscape are made in colors and these pictures sell for \$1.25 each. The expense of the trip and the original pictures have been taken care of and these photos can be purchased by the people without that expense.

The pictures reveal some natural wonders in Milam county that will make interesting and ornamental decorations for the home and office. There are some scenes of the rapids taken with the sunlight on the water and colored so that they compare with the calendar scenes sold and distributed in large quantities all over America.

Why not show our appreciation of our own home beauties and preserve them for future generations? If you do not care to buy you should at least go and look at these pictures.

More Funds Allowed For Paying Tuition High School Pupils

The Cameron City Schools will receive a total of \$2443 from funds recently allowed by the State Board of Education for the payment of high school tuition under the provisions of the state law. This amount represents tuition for approximately 80 high school pupils for the 1928-29 session, and comes through common school districts whose finances would not permit the payment of high school tuition from their own resources. The total amount allotted to the common school districts of Milam County for this purpose is \$5380.

Tests Show Majestic Qualities Says Green

C. N. Green of the Green Brothers Store has an interesting advertisement in this issue of The Herald regarding the Majestic Radio. "What we want is tests by comparison side by side," said Mr. Green in discussing the new Majestic.

"Here is what we say and stand behind: Go to any good radio dealer. Have him place the new Majestic side by side with the most expensive set in the store—both sets connected to the same aerial—with a two way switch to operate each set in turn. Check each against the other on these seven vital points: Tone, selectivity, sensitivity, ease of control, beauty, reliable performance, and quietness. When that is done we have no hesitation in assuring you that Majestic will outperform any set of any price."

Mr. Green is a strong believer in the merits of Majestic and the sales volume of this store would indicate a wide approval also of the new set.

Economy Twins Make Appearance in City Through Newspapers

A schedule of interesting advertising is now running in the Cameron papers by the Texas Power and Light Company. The advertising schedule features the Economy Twins and tells of the economical usages of electricity in home and industry.

In the recent rate reduction announced by the Texas Power & Light Company the customers in Cameron may use more electricity at the same prices heretofore paid. The reduction in rates comes as an aid to both homes and commercial industries.

It will be of interest each week to read the advertisements featuring the Economy Twins 7 and 5.

SHARP WINS THE TRIBUNE CUP IN PENNANT RACE

SEPTEMBER TO USHER IN NEW SCHOOL TERM FOR STUDENTS HERE

WACO DEFEATED IN FINAL GAME OF SERIES

ROSENBERG'S SHARPE SHOOT-
TERS BRING FLAG TO MATCH-
LESS MILAM

By SUNNY POPE
Waco met its Waterloo Tuesday afternoon at the Katy Park in Waco when the Sharpe Shooters invaded their city and came home with a pennant won by a very decisive victory, the result being fourteen to four in favor of the Shooters and they well deserved to win.

In the stands could be seen many fans from Cameron, Sharpe and intermediate points. The sentiment in Waco was the same as the Cameron attitude as they seemed to sense defeat even before the first ball was thrown. The 'gate' amounted to something like \$230 but there were many passes into the gate.

Manager Rosenberg deserves much praise for the manner in which he has handled the club from its inception and the Cameron fans as well as the Sharpe fans have stood solidly behind him in his efforts to achieve the victory which he so richly deserves. The Sharpe team has played a total of forty games in which Sharpe won thirty, lost nine and tied one. In the series just ended it was necessary to win the best 3 out of 5 games in order to win the Waco News Tribune cup giving the winner the championship of Central Texas. West had won the pennants in 1926, 1927 and 1928 and Sharpe eliminated them a short time ago at the same ball grounds on which they were later destined to win the pennant.

Pitcher Humphries was in top form in today's game and only four hits were obtained off of his delivery and only in the third inning was he in any danger but courageously pulled himself out of the hole after three runs had been put over on three hits and a base on balls, but for the last six innings only twenty men faced him. Sharpe gathered their scores in three stanzas being the first, third and ninth innings in which the fourteen scores were chalked up. Two errors were marked up against Waco aggregation while five miscues were made by the Shooters.

Gorin started in the box for Waco but was relieved in the first inning after two scores had been made and two outs had been made. He was relieved by Lewis who fared even worse in the time he was in the box, as the Shooters nicked his offerings for five runs in two innings. In the third he walked three Shooters, allowed a batsman to make first on an error and after five scores had been made he was replaced by Rickett. Thirteen hits with three walks in 6 1-3 innings was the best Rickett could offer and the Shooters obtained seven scores off of him. A close scrutiny of the box score shows how the Shooters brought the much coveted pennant to old Milam.

Bread Sales Record Made By J. T. Parma

An all time record has been established by J. T. Parma for the sale of bread in a single day. On last Saturday Mr. Parma featured bread and sold 967 loaves, thus establishing a record that has never been reached by any merchant in Cameron.

This is a remarkable sale of bread for a single day. Mr. Parma has made many records in merchandising but this one is supreme.

B. P. MATOCHA APPOINTED CITY ATTORNEY HERE

PROMINENT BAR MEMBER AC-
CEPTS PLACE IN CITY
GOVERNMENT HERE

B. P. Matocha has been appointed city attorney by the city council of Cameron and has accepted the place and begun his duties in that office. Mr. Matocha brings to the office of city attorney the advantages of much legal training. He is a prominent member of the Cameron bar and is a practicing attorney.

At present Mr. Matocha is giving attention to the collection of delinquent taxes. He succeeds Paul Webb who resigned the place some weeks ago to accept a position with a firm now engaged in collecting delinquent taxes for the counties of Texas. During the war Mr. Matocha was at Washington in the government service and rendered valuable assistance in that capacity.

The many friends of Mr. Matocha will be interested in the announcement of his appointment and the council is to be congratulated on securing his services for this important branch of the government.

MOST WORTHY CITIZEN TO GET HONOR AWARD

LEGION PROGRAM AT HIGH
SCHOOL AUDITORIUM FRI-
DAY NIGHT, AUG. 23

The Edwin Hardy Post No. 9 of the American Legion has finally selected the citizen who they consider has done the most to promote community welfare in this town during the past year. The certificate of honor will be presented to the Most Worthy Citizen at the Yoe High School auditorium Friday evening at eight o'clock.

The most distinguished citizen will not be announced until the presentation meeting and all candidates will be at this meeting.

The Legion has prepared a good program for your entertainment and sincerely hopes that the citizenship of Cameron will join with us in honoring our 'Most Worthy Citizen' and then look forward to see who will be of most service to our community for the coming year.

The program for Friday evening will be as follows:

Master of Ceremonies, J. D. Baskin.
Little Banjo, Inez Evans, Dora Emily Moore, Florence Atkinson.
Violin solo, Lydia Boedeker, accompanied by Laura Boedeker.
Vocal solo, Inez Evans.
Cornet solo, Arthur A. Lee.
Vocal solo, Florence Atkinson.
Piano solo, Geraldine Slaughter.
Presentation of the 'Most Distinguished Service Certificate', Hon. Jack Lewis.

Cameron Furniture Co. Gets New Furniture

A car load of new furniture has been received this week at the show room of the Cameron Furniture Company. Mr. Coleman has just returned from the furniture markets and the new goods are coming in at a rapid rate.

In this issue will be found an advertisement from the Cameron Furniture Company telling of the new goods just arrived for display and sale. The new furniture embraces all the new effects in colors and designs and if you have not seen the new things in furniture you should visit this store and look over the new goods. Moderate prices feature the new furniture.

DR. M. FRANCES, NOTED ANATOMIST VISITS HERE

A. & M. COLLEGE PROFESSOR
INTERESTED IN FOSSILS
FOUND IN MILAM

Dr. M. Frances, dean of the school of veterinary at A. & M. College and nationally known authority on anatomy, was in Cameron Wednesday the guest of Dr. G. E. Sutton, city sanitary officer and J. B. White, editor of the Cameron Herald.

While in the city Dr. Frances looked over a collection of fossils gathered here by Dr. Sutton, J. B. White and Lester Slaughter. Among the collection is a tooth from an Imperial Mammoth now on display at the Herald office, and a large number of bison bones.

In the museum and study of Dr. Frances at College Station are to be found an interesting collection of fossils showing the pre-historic animals of this continent. Among the contributions are a large number of fossils from Cameron, in fact Milam county has made as large a contribution to the museum as any county in Texas.

At the present time Dr. Frances is conducting an extensive study and research of the origin of domestic animals and is interested in the bison bones to be found in the old lake beds and in the stream beds of Milam county. Among the collection at the college are some rare buffalo heads found in Milam county, one of which was given the noted professor by Judge Jeff T. Kemp.

It was Dr. Frances who discovered and traced the cattle tick fever Texas and gave to the cattle industry its most important stride in eradicating the disease among their herds.

On last Sunday Dr. Sutton and Mr. White spent the day at the College. Guests of Dr. Frances. A large fossil rock found on the Milam county side of the Brazos river at Car-Ball shoals north of the Port Sullivan bridge was taken to the office of Dr. Frances. The rock contains among other fossils a large number of petrified fish. A noted geologist now in Munich will return to the college in a few weeks and will study the rock.

Those who are interested in the fossil life of past centuries, evidence of which can be found in Milam county, are asked to co-operate in this important contribution to education. Fossils found may be brought to the office of The Herald with the assurance they will be given attention and will be appreciated by Dr. Frances and the College.

OIL SEARCH IS ON IN BELL COUNTY

FIVE WELLS TO BE DRILLED
AND INTEREST DEVELOPS
IN THAT COUNTY

Belton, Aug. 21.—That Belton within the near future will be the center of a systematic drilling campaign for oil is indicated in a telegram received today by P. L. Stone from H. Etheridge of Los Angeles, California. Mr. Etheridge is head of the Rio Grande Oil Company which proposes to sink five test wells in the vicinity of Belton. He stated to Mr. Stone that he had \$130,000 with which to make a thorough test for oil in this section.

Associated with Mr. Etheridge is H. L. Lockhart, a former Bell county man who was born and reared at Holland. In a letter just received here from these men it was stated that drilling operations would begin by October 1. A large amount of acreage has been secured by Mr. Stone and others here for drilling purposes of the Rio Grande company.

CHRISTIAN CHURCH

Dr. E. J. Bradley will preach at the First Christian church in Cameron on Sunday August 25, at the morning and evening hours.

The public is invited to attend and all members are urged to hear Dr. Bradley's message at both hours.

Mr. and Mrs. J. W. Stitt are spending this week in Lamesa.

Admirine, the body builder, regular price \$1.20 for only 75c at Schillers Drug Store.

Veterans To Attend Legion Convention

A number of Cameron Legion men will attend the State Legion Convention at Port Arthur this year.

Joe Richter, Assistant City Marshal will leave Cameron Sunday by train for Port Arthur. The convention meets on August 26, 27 and 28.

Other veterans who plan to attend are A. F. Mitchell and L. Van Perkins and Mr. and Mrs. C. E. Akers.

LEGION POST NAMES PORT ARTHUR DELEGATES

ANNUAL STATE CONVENTION
TO MEET AUGUST 26, 27
AND 28TH

The annual State Convention of the American Legion to be held this year in Port Arthur, August 26, 27 and 28, bids fair to be the best attended and most interesting of any yet held in Texas," said Ross R. Cole, State Adjutant of the Legion who has just returned from Port Arthur after a final check-up of convention plans and entertainments.

"The city of Port Arthur is making elaborate plans to entertain the World War Veterans," said Mr. Cole. Two magnificent new hotels have just been completed, which guarantee comfortable housing. The U. S. Cruiser, Cleveland, will be one of the attractions. Fish fries, motor boat races, dances, special free attractions at the theatres and many other entertainments have been provided which will keep the veterans busy day and night.

The annual parade will be held this year at 6:00 p. m. on Tuesday August 27th, and with the personnel of the Cruiser Cleveland and the numerous bands and drum corps attending, together with thousands of veterans and ladies of the Auxiliary it promises to be a colorful and interesting affair.

One of the outstanding features of the convention will be 'The Battle of the Argonne,' a gigantic sham battle and pyrotechnic display with a cast of over three hundred people and costing over \$3000 to present, following the parade.

Our Legionaire Governor Dan Moody and many other distinguished guests have already accepted the invitation to address the Veterans.

Early reservations indicate a record crowd of veterans are taking advantage of the rate of one fare for a round trip.

Legion members and their families and members of the Auxiliary can secure reduced fare certificates from their local Post Adjutant and they must have these before they can get the reduced fare.

The following members of the Edwin Hardy Post No. 9 have been elected delegates to this convention:

The delegates are L. Van Perkins, Joe Richter, C. E. Akers, O. P. Nicholson and A. F. Mitchell.

Alternates are W. R. Hoover, Chas. Hester, J. D. Baskin, E. B. Hess and Larry Hackebell.

Myers and Oswald Big Tent Show One Week Beginning Monday

The show you know, Myers and Oswald, comedy players will open for a week's engagement in Cameron beginning Monday, August 26.

The big tent show will be here for one week under the auspices of the American Legion and the big tent will be located on the Legion lease in the new addition to the city park across the street from the grounds used by the Hopkins players.

The opening play will be 'Hard Boiled Miss Pete,' the show will feature Jess 'Toby' Myers, the American premier comedian in the very latest comedy plays and also will feature vaudeville specialties.

One of the big cards of the week will be the red hot orchestra.

Another popular appeal of this show will be the 'painless prewar prices' 25c for adults and kids 10c. Ladies will be admitted free on Monday night the opening show. In this issue will be found an advertisement with a coupon which when clipped will admit women free when accompanied with one paid adult ticket.

This show is one of the best tent attractions on the road and will give Cameron some real entertainment.

CAMERON SCHOOLS TO OPEN SEPTEMBER 9

TRANSFERS SHOW INCREASE
IN NUMBER OF STUDENTS
THIS YEAR

The Cameron Public Schools will open Monday, September 9. The calendar adopted by the Board of Education for the 1929-30 session is as follows:

Monday, September 9, school opens. September 26-27, Teachers Institute.

November 11, Armistice Day, holiday.

November 28-29, Thanksgiving holidays.

December 20, schools close for Christmas holidays.

January 1, schools open for holidays.

January 23-24, examinations for first semester.

January 27, second term begins.

April 21, San Jacinto Day, holiday.

May 8, Yoe Day, holiday.

May 28-29-30, final examinations.

Sunday, June 1, Baccalaureate sermon.

June 2, Graduation Exercises.

Advanced enrollment on the part of students from the rural districts indicates a substantial increase over last years enrollment in the high school. Records in the County Superintendents office show 220 transfers into the Cameron district. Of this number about 160 are white and 60 colored. Of the white transfers approximately 120 are for high school purposes.

An amendment to the high school tuition law passed by the last session of the Legislature places the high school tuition rate at \$7.50 per month instead of \$5.00 as heretofore and the Cameron board has set the rate of tuition for high school students whose parents reside outside the city at \$7.50 per month to conform to the new state law. Tuition for high school pupils is payable by the home district when the grade to which the pupil belongs is not taught in the home district, otherwise the parent is responsible for the payment of tuition.

In accordance with a ruling recently adopted by the Board of Education effective for the coming session children who will be seven years of age on or before June 1, 1930, will be admitted to the first grade at the opening of school in September, and children who will be six years old on or before June 1, 1930 will be admitted to the kindergarten. In compliance with the State law fixing the free school age a tuition charge of \$1.50 per month will be made for pupils in the first grade who have not reached seven years of age on September 1, 1929. No tuition charge will be made in the kindergarten for children living in Cameron.

2500 BALES OF NEW COTTON RECEIVED

CROP MOVEMENT STARTS AND
DRY WEATHER HASTENS
PICKING HERE

Up to Thursday morning 2500 bales of new crop cotton had been received at the warves of the Cameron Compress Company. The crop movement is on in earnest and the continued dry weather will hasten the season general movement.

Estimates received from those in touch with the crop in this county places the estimate for this year at about 30 per cent short of the 1928 production. Last year the county produced a little over 69,000 bales of cotton. Based on the estimate of the crop this year the yield should be about 40,000 bales or a little over.

In the bottom lands the drought has retarded development and this factor combined with the insect devastation has reduced the chances for a yield as low as has ever been noted in the drastic years of non-production. The plant appears healthy but no fruit of consequence can be found. The advanced season and the lack of rainfall in July and August has made the outlook decidedly bad.

Indications are that the next government report to be made on September 8 will show a decided reduction in the outlook for national yield.

S. B. FORD, 78 PIONEER DIES IN ROCKDALE HOME

NATIVE OF ALABAMA AND PIONEER IS BURIED IN ROCKDALE TUESDAY, AUG. 20

S. B. Ford, 78, pioneer resident of Milam county, who died at his residence in Rockdale Monday, August 19, 1929, was buried in that city Tuesday morning August 20, 1929 with a large number of friends, relatives and acquaintances of the family attending paying tribute to the memory of the pioneer who had seen history in the making as a resident here and at Rockdale and other portions of Texas.

S. B. Ford was a native of Alabama. He was born in 1851 and came to Texas when a young man of 18 years. He had lived in Milam county for 60 years being engaged in business in Cameron at one time managing the Farmers Alliance Store. He later became interested in farming and owned and operated a large farm near Ben Arnold where he lived for a number of years. He later moved to Kerrville and in recent years had resided in Rockdale.

He was married to Miss Alice Allen at Branchville about 54 years ago. They moved to Cameron where they reared a large family. Mrs. Ford died in Cameron. In 1900 he was married to Miss Boodie Winston of Minnesota.

Funeral services were held Tuesday morning August 20, 1929 at the residence in Rockdale with Rev. P. T. Ramsey of the Methodist church in Cameron conducting the services and the Henne and Meyer undertaking company directing the funeral arrangements. Interment was made in the Rockdale cemetery.

The pioneer is survived by his widow and the following children: W. C. Ford of Cameron; Major Ford, Rockdale; John Ford, Santa Anna; S. B. Ford Jr., Sweetwater; Roy Ford, San Diego, California. Mrs. W. M. Schrock, Midland; Mrs. Elmer Green, Corpus Christi; Mrs. John Snyder, El Paso and Mrs. Grover Burton of Dallas.

He is also survived by three brothers as follows, Homer Ford of Graham who was present for the funeral; Dudley Ford, Abilene; Joe Ford of Denton; and one sister, Mrs. Rufus Cosby of Maysfield.

The following friends of the family from Cameron were pallbearers: Elbert Hood, Penn Wolf, George T. Graves, Giles L. Avriett, Perry Wilkerson and Roy Baskin.

Mr. Ford in his life as he lived it among the people of this county was the true pioneer and held to the ideals of his beloved Southland. He was an inspiration to his fellowmen and his sons and daughters who survive him are blessed with the memory of this pioneer father.

The Herald extends its sympathy to the bereaved relatives and to the family of children and the aged widow who survive him.

The Bluebird Choral Club Gives Dance And Picnic Friday

The Bluebird Choral Club entertained with a picnic and dance at the Country Club Friday evening, beginning at 6:30 o'clock. The girls belonging to the club gathered at the home of Mr. and Mrs. Wm. Rogers and went from there to the club where the picnic lunch was enjoyed. The plate consisted of roasted veal, lettuce and pimiento sandwiches, stuffed eggs, potato salad, olives, pickles, potato chips and a chocolate muffin.

At eight o'clock the girls assembled at the club house where they were joined by the boys and the dancing began. Music was furnished by Sam, colored pianist. Two tables of bridge were kept going at intervals.

Those dancing were Misses Dora Emily Moore, Inez Evans, Florence Atkinson, Gladys Davis, Dinks Baskin, Harriett Flinn, Dorothy Denson, Dorothy Blaylock, Helen Blaylock, Lillian Mondrik, Frances Hause, Katherine Leath, Ethel Green, Geraldine

Slaughter, Frances McDermott and Lucille McDermott; Messrs. Kenneth Rogers, Alvin Mondrik, Billy Wallace Red Baskin, Thomas Graves, Lee Braum, Scarbrough Mayfield, 'Boots' Smith, John Young, Leland Stedman, Paul Werner, Reed Rogers, Wallace Moody, Billy Newton, Sonny Byrd, Joe Rowland, Prothro Deer, Leo Mohler, George Adams, W. T. Whatley, and M. Graham. Those playing bridge were Mr. and Mrs. Shofner Sterling, Mr. and Mrs. Vernon Roberts, 'Red' Collins, Misses LaVerne Bowmer, Martha Lou Hooks and Eloise Rogers. The picnic and dance were chaperoned by Mrs. Wm. Rogers.

BIBLE CLASS MEETS

The Friendly Bible Class of the Methodist church held its regular monthly business and social meeting Friday afternoon from four until six o'clock in the classroom at the church. A good representation of the membership was present.

Mrs. J. W. Kemp led the devotional, after which Mrs. P. T. Ramsey directed the social hour. Punch was

passed and then a number of games and stunts were enjoyed. Just before time for departure those present were served ice cream cones.

E. SCHLEMER

E. Schlemmer, age 66 years, died at 6:30 in the afternoon, August 17. Funeral services were held from his home near Watt's Switch Sunday afternoon at three o'clock with Rev. Kalkbrenner of the Lutheran church and Rev. E. S. Hutcherson of the Baptist church, Cameron, officiating. Interment was at Ben Arnold Cemetery. Coleman and Eplen in charge.

MRS. A. W. BARKER

Funeral services for Mrs. A. W. Barker were held at the Walker's Creek church Wednesday afternoon at four o'clock, with Rev. Kelly Simmons officiating. Mrs. Barker died at 6:50 o'clock in the afternoon, August 20. Interment was in Walker's Creek Cemetery, Green Brothers in charge.

Mrs. Joe Denson, Mrs. Edwin Hamilton, Mrs. Wilson Gunn, and Miss Bess DuBois formed a party going to the show at Rockdale Tuesday.

SCRUB BULL IS HALED TO COURT

Placed on Trial for Hindering
Development and Prosperity
of Dairy Industry.

Inicted for robbery, larceny, and a few other such charges, Scrub Bull went on trial for his life at Laurel, Mississippi, recently. It seems that for some time people had suspicions that Mr. Bull was hindering the right and lawful development of the dairy industry, thereby "maliciously and wilfully lowering production and decreasing profits in the dairy business," says the Bulletin of the American Bankers Association Agricultural Commission in commenting on the case.

This, it says, was the first trial of its kind ever held in that section and was attended by several hundred people. The jury, representing every vocation within the boundaries of the Laurel trade territory, rendered a unanimous verdict of "guilty." The death sentence was pronounced, "but during the night, before the sentence could be carried out, friends of the convict secretly spirited him away and he has not been seen since."

The arraignment came during the Milk Products Show sponsored by the banks of Laurel. People attending the show had the opportunity of also attending the bull's "trial" and went away firmly convinced of the seriousness of lax and out-of-date methods in the pursuit of dairying. The purposes of both the Milk Products Show and the trial were threefold, namely: to develop public sentiment for more and better Jerseys; to foster a more cooperative spirit for dairying and livestock growing, and to promote tick eradication.

The banks of Laurel entered into a cooperative arrangement in their efforts for fostering agricultural development and successful farming in the community, offering \$2,165 as premiums to the outstanding farm workers throughout the territory during 1929. An instructive booklet has been issued, showing the agricultural activity of the banks, together with announcements of contests for farmers, exhibits in the bank lobbies and prizes offered.

BANKERS DEVELOP NOVEL INSTITUTE

The Georgia Bankers Association in cooperation with the State College of Agriculture has sponsored a series of farmers' institutes in various parts of the State of an entirely new character. The principle feature is a large and comprehensive exhibit transported in four large trucks and set up at each stop. When set up it fills a space 40 by 60 feet and consists of panels, charts, and models on practically every phase of agriculture, including agronomy, horticulture, agricultural engineering, poultry, animal husbandry, soils and fertilizers, home economics and marketing. A large electrified farm model, showing the uses of electricity on the farm, modern farm buildings and the ideal layout and landscaping of the farmstead, one of the most elaborate and attractive exhibits.

Local bankers in each locale visited gave the money to cover expenses for the transportation and installation of the exhibit in their territory and assisted in the preliminary advertising and publicity. The College of Agriculture assembled the exhibit and conducted the tour through various extension specialists.

Mrs. Frank Mondrik Guest At Country Club Bridge Here

Presenting Mrs. Frank Mondrik, a recent bride who has come to Cameron to make her home, Mrs. F. C. Fahrendorf entertained last Thursday afternoon at the Country Club with bridge and 42 games forming diversions.

Because the romance between Mr. and Mrs. Mondrik began and culminated while they were students at the University of Texas, Mrs. Fahrendorf chose the University colors of white and gold in carrying out a decorative scheme. The mantle at the club house was centered with a silver candelabra holding gold candles, and this was banked with masses of white and gold flowers and ferns. Baskets and bowls of flowers in the chosen colors were noted at every advantageous point.

Miss Martha Lou Hooks, as winner of high score, was presented a quaint

pitcher in Japanese pottery and Miss Malchen Rischer, who was low, received a vase of similar design. Table cuts were low bowls of this same ware wrapped in yellow paper.

Following the games the hostess served a salad plate and an ice. She was assisted by Misses Dora Emily Moore, Inez Evans, Geraldine Slaughter, Florence Atkinson, Lillian Mondrik and Mary Newton.

BEN ARNOLD

Hugo Lorenz and family of Chapel Hill were visiting relatives here the week end.

R. H. Ponkonein of Rosebud was in our community Tuesday.

J. D. Tubbs and wife of Clarkson visited relatives here Sunday.

Otto Kelm Jr., and wife of Thornedale visited in the home of Mr. and Mrs. Otto Kelm Sr., Sunday.

Mr. and Mrs. Ed Dahse were the guests of Mr. and Mrs. Bennie Lindemann Sunday afternoon.

Norene Becker was a caller on her sister, Mrs. Robert Folschinsky Wednesday afternoon.

Mr. and Mrs. August Boecker and daughter visited in the home of Mrs. Louise Lorenz and family Sunday afternoon.

Lorene and Helarie Folschinsky enjoyed the dance at Skeeze Saturday night.

Eugene Melchior of Burton is the guest of Mr. and Mrs. Ed Dahse this week.

More Funds Allowed For Paying Tuition High School Pupils

The Cameron City Schools will receive a total of \$2443 from funds recently allowed by the State Board of Education for the payment of high school tuition under the provisions of the state law. This amount represents tuition for approximately 80 high school pupils for the 1928-29 session, and comes through common school districts whose finances would not permit the payment of high school tuition from their own resources. The total amount allotted to the common school districts of Milam County for this purpose is \$5380.

Wedding Anniversary Celebrated With 42 Party Tuesday

Tuesday was the second anniversary of the marriage of Mr. and Mrs. Edwin Hamilton of Vinton, Iowa, who are visiting relatives in Cameron this summer, and in observance of the occasion Mr. and Mrs. Roy Law entertained in the evening with eight tables of 42.

Games were played on the lawn at the rear of the house. Punch was served preceding the games by Mrs. J. C. Tucker and again during the games by Mrs. Law. Total scores were kept for the games and Mrs. Claude McGregor was high for ladies and B. F. Bonds for gentlemen. Both received awards, and Mr. and Mrs. Hamilton were presented a lovely print as a gift.

Following the games, the hostess served lime ice and angel squares. Mrs. Tom Law of Houston was an additional out of town guest.

Mr. & Mrs. R. P. Fisher Return From Trip To Arkansas Hills

Mr. and Mrs. R. P. Fisher returned Sunday from Northwest Arkansas. While in the Ozarks they visited Eureka Springs and Harrison. They also visited Diamond Cave at Jasper. Also Hollister, Branson and Forsythe in Missouri and Rockaway Beach, a delightful summer resort located on Lake Tanecoma some miles out from Branson. They were joined at Harrison, Arkansas by Mrs. Fisher's mother, Mrs. Kimberlin and her nephew, Calvin Kimberlin and Miss Clara Andrews who visited the different resorts with them. Mr. and Mrs. Fisher are back home feeling much improved as a result of their vacation trip.

MISSIONARY SOCIETY

The ladies of the Methodist church met in circles Monday afternoon for a program from the missionary magazine 'Voice.' Circle one and four met with Mrs. R. H. Davis with ten members present. Mrs. John Olson led the devotional and Mrs. W. O. Triggs discussed the leaflet. Following the lesson, a social hour was enjoyed. Circle two met with Mrs. R. B. Rylander with nine members present and one visitor, Mrs. Gaston. Mrs. Rylander conducted the devotional and Mrs. P. T. Ramsey led the

lesson. Circle three met with Mrs. H. A. Jackson with seven members present. Mrs. Pope Sapp led the lesson. This circle planned to have a rummage sale in the near future.

COOKING DEMONSTRATION

A demonstration of the Cary Vapor Cooker was held at the home of Mrs. R. H. Davis Tuesday morning with A. J. Cook in charge. The twenty ladies who were present witnessed the cooking of an entire meal in 45 minutes over one burner of a gas stove with the flame turned very low. The meal consisted of roast, potatoes, carrots, rice, apple sauce, and a desert of boiled custard, which Mr. Cook prepared, cooked and served.

At the request of some of those present another demonstration will be held in the near future.

Mrs. Earl Evers returned Saturday to her home in Cuero, after having been the guest for several days of her parents, Mr. and Mrs. J. W. Coleman.

ELECTION NOTICE

STATE OF TEXAS.

County of Milam.

Notice is hereby given that upon a petition of G. W. Malone and twenty other freeholder voters, the Honorable Commissioners Court of Milam County, Texas, on the 12th day of August 1929, the same being at a regular term, ordered an election to be held at the Liberty School House to determine whether or not horses, mules, jacks, jennetts, cattle, sheep and goats shall be permitted to run at large in the following described territory, viz: A part of Justice Precinct No. 3 of said county beginning where Cannon Snap Creek crosses the Cameron and Gause public road. Thence up Cannon Snap Creek to East fork of said Creek where it branches off in the Mrs. J. H. Ashenbeck land. Thence up said East fork to the Milano and Hanover road at the R. L. Batte 290 acre tract of land. Thence in a northerly direction with said road to the point where the Stock Law District established in January 29, 1927 crosses said road. Thence with the line of said Stock Law District to Cannon Snap Creek to the place of beginning.

The election was ordered by said court to be held on Saturday, September 28th, 1929, and I appoint G. W. Malone as manager of same.

Witness my hand and seal of office this 16th day of August A. D., 1929.

We Like Our Jobs, But—

THERE isn't anything we'd rather sell than Delco-Light. People like 'em—know they get their money's worth and then some. The only trouble is that the folks who are the most enthusiastic about Delco-Light electric plants are those that already have 'em. If the people that didn't have Delco-Light were as eager about it as those that have, our only job would be to get enough plants to go around.

What we'd like to do now is to tell you some of the things Delco-Light users say.

Every city should spend a certain amount of money for the cultural and recreational things of life, parks, recreational facilities and the like. We oftentimes think the world is giving itself up too much to pleasure and to play, but we believe, in this age of speed and high pressure it requires just these things to keep the world from plunging too deeply into the material things. A people who have not forgotten how to play are a safe people. Play develops the kindly and the human side of people while the rule always for things material often creates a hard and selfish people.

An exchange in an effort to be factious urges that every couple about to be married should follow the well known advice, found at the railroad crossing, to 'Stop, Look, Listen.' If the promoters of this movement have no more success than the railroads

have had with the same sign, it is not likely that economical conditions will be upset very soon.

Give us the ignorant man, an exchange pleads, in preference to the learned man who is forever trying to tell how much he knows. You may pity the ignorant man but you flee in dread from the learned bore. In the opinion of this column a man who persists in making himself a bore is not learned. He is a dumb bell.

It will require 100,000 persons to make the census of this country. The bill authorizing the taking of the census will be signed this week.

An outing or week end that leaves one better fitted to tackle the job next week is vacation. If, however, it leaves one worn out, it is a dissipation.

GRAY ATLANTIC HOLDS FATE OF SWISS FLYERS; MAY HAVE GIVEN LIVES IN ATTEMPT TO CONQUOR

New York, Aug. 21.—The Swiss flyers, Oscar Kaeser and Kurt Luescher, were missing Wednesday. Their names apparently added to the list of those who dared the perilous westward passage of the North Atlantic and lost their lives in the attempt.

They were last seen two days ago, flying over the Azores on their way from Lisbon to New York. They should have arrived Tuesday, but they failed to appear. Some were between the ocean islands and the fog-bound coast of America their adventure came to an untimely death.

They had little in their favor beyond the courage of their youth, they were but 21 and 22 years old. Their white monoplane was a sturdy ship of proven design, but it was unequipped for alighting on the water. Neither of them knew much of navigation

and they had been flying only since 1927.

But they had youth so they took off with blithe audacity on the adventure that has brought failure or death to all who have tried it except the German plane Bremen, who barely managed to achieve a crash landing on icebound Greenland.

Admiral Charles F. Hughes, chief of naval operations, Wednesday asked merchant ships and ordered naval vessels plying the North Atlantic to keep close watch for the flyers, whose only means of staying alive if they had to bring their plane down at sea were inflated rubber suits and a rubber boat.

There was still hope in some optimistic quarters but even there it was faint, flickering and diminishing with each additional hour.

Thomas Drug Store To Move To New Building

Gorge A. Thomas and Sons drug store will be moved into the new building next week. This building is being completed in the same contract with the construction of the Citizens National Bank and will be one of the best equipped stores in Texas.

The new furniture is being placed this week and all will be in readiness in a day or two for the store to move in.

The fixtures are the finest that can be purchased and the store which has been in Cameron for 38 years will be the most attractively arranged drug store in this section of Texas.

Announcement will be made by the store in the next issue of the Cameron papers.

S. B. FORD, 78 PIONEER DIES IN ROCKDALE HOME

NATIVE OF ALABAMA AND PIONEER IS BURIED IN ROCKDALE TUESDAY, AUG. 20

S. B. Ford, 78, pioneer resident of Milam county, who died at his residence in Rockdale Monday, August 19, 1929, was buried in that city Tuesday morning August 20, 1929 with a large number of friends, relatives and acquaintances of the family attending paying tribute to the memory of the pioneer who had seen history in the making as a resident here and at Rockdale and other portions of Texas.

S. B. Ford was a native of Alabama. He was born in 1851 and came to Texas when a young man of 18 years. He had lived in Milam county for 60 years being engaged in business in Cameron at one time managing the Farmers Alliance Store. He later became interested in farming and owned and operated a large farm near Ben Arnold where he lived for a number of years. He later moved to Kerrville and in recent years had resided in Rockdale.

He was married to Miss Alice Allen at Branchville about 54 years ago. They moved to Cameron where they

reared a large family. Mrs. Ford died in Cameron. In 1900 he was married to Miss Boodie Winston of Minerva.

Funeral services were held Tuesday morning August 20, 1929 at the residence in Rockdale with Rev. P. T. Ramsey of the Methodist church in Cameron conducting the services and the Henne and Meyer undertaking company directing the funeral arrangements. Interment was made in the Rockdale cemetery.

The pioneer is survived by his widow and the following children: W. C. Ford of Cameron; Major Ford, Rockdale; John Ford, Santa Anna; S. B. Ford Jr., Sweetwater; Roy Ford, San Diego, California; Mrs. W. M. Schrock, Midland; Mrs. Elmer Green, Corpus Christi; Mrs. John Snyder, El Paso and Mrs. Grover Burton of Dallas.

He is also survived by three brothers as follows, Homer Ford of Graham who was present for the funeral; Dudley Ford, Abilene; Joe Ford of Denton; and one sister, Mrs. Rufus Cosby of Maysfield.

The following friends of the family from Cameron were pallbearers: Elbert Hood, Penn Wolf, George T. Graves, Giles L. Avriett, Perry Wilkerson and Roy Baskin.

Mr. Ford in his life as he lived it among the people of this county was the true pioneer and held to the ideals of his beloved Southland. He was an inspiration to his fellowmen and his sons and daughters who survive him are blessed with the memory of this pioneer father.

The Herald extends its sympathy to the bereaved relatives and to the family of children and the aged widow who survive him.

E. SCHLEMER

E. Schlemmer, age 66 years, died at 6:30 in the afternoon, August 17. Funeral services were held from his home near Watt's Switch Sunday afternoon at three o'clock with Rev. Kalkbrenner of the Lutheran church and Rev. E. S. Hutcherson of the Baptist church, Cameron, officiating. Interment was at Ben Arnold Cemetery, Coleman and Eplen in charge.

According to a morning newspaper, women are now buying dresses on the installment plan. We have seen some of them wearing the first installment.

SHARPE TAKES FIRST GAME FROM WACO

RABBIT DARRAUGH ALLOWS BUT THREE HITS AND SHOOTERS WIN AGAIN

In the first of the games between Sharpe and Waco in the playoff for the Waco News-Tribune cup played on the Cameron diamond the game was won in a walk as the expression goes, three to one. The game was devoid of any spectacular plays and in the game only two extra bases on hits were made, one by Lewis in the first inning, he being first man to the bat, went to third on an infield out but got no further. The second extra base hit was made by Buckley in the eighth and he likewise made third but on a error, there to perish. Sharpe scored in the second on hits by Buckley and Currie with an error by pitcher Rickett but on the play Currie was thrown out at home plate. In the fourth Watkins drew a base on balls, Hodge followed with a hit. Buckley sacrificed putting Watkins on third and Hodge on second. Watkins was thrown out at the plate. Hodge then stole home on an infield play scoring the second of the game. Waco scored for their first and only time in the fifth on a base on balls, sacrifice hit and an error. Sharpe also scored in their half of the fifth on a fielders choice, hit batsman, error and another hit batsman, ending the scoring for the game. Darrough pitched an exceptionally fine game, allowing Waco only three hits while Sharpe got seven.

Allen, 3b.	3	0	0	0	1	1

Score by innings:
Sharpe 010 110 00x—3
Waco 000 010 000—1

Summary: 2b hits, Lewis, Buckley. Struck out by Darrough 6, by ickett 4; bases on balls off Darrough 2, off ickett 2. Stolen bases, Hodge, Currie. Sacrifice hit, Rickett. Double plays Lewis to Currie to Speegle, (2). Smith to Gorin to Byrd. Umpires McElroy and Abbott.

Waco Wins Second

The second of the Sharpe-Waco series which was staged at the Katy Park at Waco was rather one of those games where horse shoes played their part in that Waco succeeded in scoring nine runs with nine hits while the best Sharpe could do was to get three runs with eight hits. Humphries was off stride and errors at critical times accounted for the poor showing the Shooters made. Manager Rosenberg made several changes in the line up during the game shifting Lewis from Short to left field in the seventh inning, Kostick from left field to first. Rosenberg started catching but yanked himself to be replaced by Henderson, who had been playing first base. Farley went to short in the sixth. Hodge came through with a pinch hit in the ninth, hitting for Farley, but died on third when Kostick struck out.

Eight hits, three runs and four errors for Sharpe; nine hits, nine runs and two errors shows the beraks that were against the Shooters.

Score by innings:

Sharpe	100 000 002—3
Waco	212 000 040—9

Summary: 2b hits, Watkins, Henderson 2, Currie, Franklin; 3b hit, Gorin. Struck out by Humphries 6, by Stel 3, by Lewis 2. Bases on balls off Humphries 5, off Stel 3, off Lewis 1. Stolen bases Behrens, Gorin, Umpires, Abbott.

Waco Wins Two Straight

With ideal baseball weather the fans came to Cameron from far and wide to witness the defeat of the Sharpe Shooters in the most ignominious defeat they have suffered perhaps this year. Waco duplicated their defeat of the day before by making their hits in bunches off of the offering of Izzy Glenn who was very much off form from the first and was yanked in the fifth after five scores had been made off of eight hits. Glenn was relieved by Kostick in the fifth with two men out and fanned the first man to face him for the third out and was never in danger to the end of the game. Of the ten hits Waco made four of them were labelled two baggers. Watkins obtained the only extra base hit for the Shooters in the third inning when he banded out a three bagger. Of the fifteen men who faced Kostick seven were struck out. Glenn had only three strikeouts, while Lewis fanned seven of the thirty-six men to face him.

A \$390 crowd saw the game, being

the largest of the season by far.

Mrs. Vernon Roberts Hostess At Bridge At Country Club

Mrs. Vernon Roberts entertained with a prettily appointed bridge party at the Country Club Tuesday afternoon using pink and green as predominating colors in all appointments. The wide mantle and the piano were banked with shrubbery and trailing queen's crown, tied with pink maline bows; table covers, tallies and score pads were all in the chosen colors.

Mrs. H. Clay Watson of Waco was high for the afternoon, receiving as a favor a pretty vase; Mrs. Ben Baskin was presented a novelty book of recipes for low score award; and Mrs. Frank Plaster received a bowl for making the highest number of slams during the afternoon.

The hostess also carried out her colors in the collation which she served on green trays covered with luncheon sets of pink tarlton with frayed edges with napkins to match. There was a pear salad, the fruit tinted pink and served with green salad dressing, pecan rolls, crackers, and a green drink having in it pink sherbert. Centering the trays were pink vases filled with fern and queen's crown.

Out of town guests were Mrs. Clay Watson of Waco and Miss Malcomen Rischar and Mrs. Dan Legacy of Couer d'Alene, Idaho.

Judge Rutherford On International Radio

Sunday, August 25, beginning at 8:00 A. M., Central Standard time, listeners throughout the United States and Canada as well as foreign lands will again have the opportunity to hear an address by Judge Rutherford, president of the International Bible Students Association.

'Health and Life for the People' is his subject. This will be the first microphone 'appearance' of Judge Rutherford since his return from an extended tour in Europe.

Introductory music composed for the occasion by Omero Castillucco of New York City, will be played under his direction by an orchestra of selected musicians. Vocal duet numbers by the Tour de Garde Singers are also included in the program.

The broadcast will go out simultaneously from more than eighty stations interconnected in a specially arranged wire network stretching to all corners of the United States and Canada. Two short-wave stations, W2XAF, Schenectady, N. Y. 31.48 meters and CJRX, Winnipeg, Man., 25.6 meters, will broadcast for the benefit of overseas listeners.

Texas stations on the chain are as follows: WJAD, Waco; WRR, Dallas; KPRC, Houston; KTSA, San Antonio. Tune in on WJAD and get the program at 8:00 A. M. Sunday.

BIBLE CLASS MEETS

The Friendly Bible Class of the Methodist church held its regular monthly business and social meeting Friday afternoon from four until six o'clock in the classroom at the church. A good representation of the membership was present.

Mrs. J. W. Kemp led the devotional, after which Mrs. P. T. Ramsey directed the social hour. Punch was passed and then a number of games and stunts were enjoyed. Just before time for departure those present were served ice cream cones.

We are one of the fellows who does not know what the ball score is.

Mrs. Frank Mondrik Guest At Country Club Bridge Here

Presenting Mrs. Frank Mondrik, a recent bride who has come to Cameron to make her home, Mrs. F. C. Fahrendorf entertained last Thursday afternoon at the Country Club with bridge and 42 games forming diversions.

Because the romance between Mr. and Mrs. Mondrik began and culminated while they were students at the University of Texas, Mrs. Fahrendorf chose the University colors of white and gold in carrying out a decorative scheme. The mantle at the club house was centered with a silver candelabra holding gold candles, and this was banked with masses of white and gold flowers and ferns. Baskets and bowls of flowers in the chosen colors were noted at every advantageous point.

Miss Martha Lou Hooks, as winner of high score, was presented a quaint pitcher in Japanese pottery and Miss Malchen Rischar, who was low, received a vase of similar design. Table cuts were low bowls of this same ware wrapped in yellow paper.

Following the games the hostess served a salad plate and an ice. She was assisted by Misses Dora Emily Moore, Inez Evans, Geraldine Slaughter, Florence Atkinson, Lilian Mondrik and Mary Newton.

ELECTION NOTICE

STATE OF TEXAS.

County of Milam,

Notice is hereby given that upon a petition of G. W. Malone and twenty other freeholder voters, the Honorable Commissioners Court of Milam County, Texas, on the 12th day of August 1929, the same being at a regular term, ordered an election to be held at the Liberty School House to determine whether or not horses, mules,

jacks, jennetts, cattle, sheep and goats shall be permitted to run at large in the following described territory, viz: A part of Justice Precinct No. 3 of said county beginning where Cannon Snap Creek crosses the Cameron and Gause public road. Thence up Cannon Snap Creek to East fork of said Creek where it branches off in the Mrs. J. H. Ashenbeck land. Thence up said East fork to the Milano and Hanover road at the R. L. Batte 290 acre tract of land. Thence in a northerly direction with said road to the point where the Stock Law District established in January 29, 1927 crosses said road. Thence with the line of said Stock Law District to Cannon Snap Creek to the place of beginning.

The election was ordered by said court to be held on Saturday, September 28th, 1929, and I appoint G. W. Malone as manager of same.

Witness my hand and seal of office this 16th day of August A. D., 1929.

JEFF T. KEMP,

18-4tc Co. Judge, Milam Co., Tex.

SHERIFF'S SALE

The State of Texas,
County of Milam.
Notice is hereby given that by virtue of a certain Alias Execution is-

issued out of the Honorable County at Law No. 2 of Bexar county, of the 8th day of July 1929, by Jack R. Burke, Clerk of said court for the sum of Four Hundred Ninety Two and 96-100 Dollars and costs of suit, under a judgment in favor of F. D. Stout in a certain cause in said court, No. 19299 and styled F. D. Stout vs. E. J. Michna, placed in my hands for service, I, L. L. Blaylock as Sheriff of Milam County, Texas, did on the 15th day of July 1929, levy on certain Real Estate, situated in Milam County, Texas, described as follows, to-wit: Lot 11 and 12, block 15 in the town of Ben Arnold, Texas in Milam County and levied upon as the property of E. J. Michna and that on the first Tuesday in September 1929, the same being the 3rd day of said month at the Court House door, of Milam county, in the city of Cameron, Texas between the hours of 10 a. m. and 4 p. m. by virtue of said levy and said judgment I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the man, but he hates a lazy man." And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Cameron Herald, a newspaper published in Milam County.

Witness my hand, this 15th day of July 1929.

L. L. BLAYLOCK, Sheriff,
Milam County, Texas.

An Unbiased Opinion

One of the most successful patent medicine concerns in this country has been a consistent user of newspaper advertising for years. Not a week goes by that does not have an advertisement prepared by this company in the hundreds of newspapers the country over.

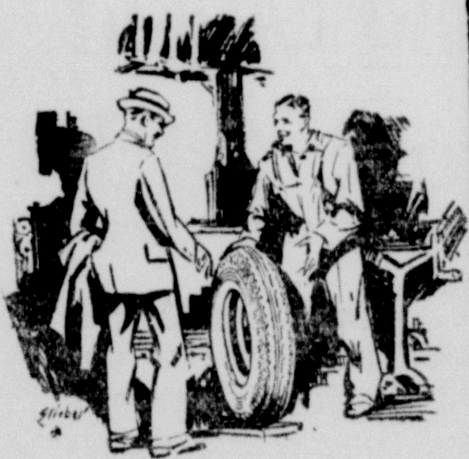

Recently the president of the company issued a statement in which he set forth the opinion of this company regarding newspaper advertising as a sales builder and promoter.

He said, "A comprehensive test of all the recognized forms of advertising exploitation, extending back to the crude methods of nearly one hundred years ago, has convinced us that one medium alone now serves our requirements best—the newspaper."

This is the opinion of a concern that has tried every other plan. Their conclusion is that the best avenue of advertising publicity is the newspaper.

The public reads the advertisements and if they are carefully and thoughtfully prepared they influence the purchaser in his decisions of where and what to buy.

Mrs. Vernon Roberts Hostess At Bridge At Country Club

Mrs. Vernon Roberts entertained with a prettily appointed bridge party at the Country Club Tuesday afternoon using pink and green as predominating colors in all appointments. The wide mantle and the piano were banked with shrubbery and trailing queen's crown, tied with pink maline bows; table covers, tallies and score pads were all in the chosen colors.

Mrs. H. Clay Watson of Waco was high for the afternoon, receiving as a favor a pretty vase; Mrs. Ben Baskin was presented a novelty book of recipes for low score award; and Mrs. Frank Plaster received a bowl for making the highest number of slams during the afternoon.

The hostess also carried out her colors in the collation which she served on green trays covered with luncheon sets of pink tarlton with frayed edges with napkins to match. There was a pear salad, the fruit tinted pink and served with green salad dressing, pecan rolls, crackers, and a green drink having in it pink sherbert. Centering the trays were pink vases filled with fern and queen's crown.

Out of town guests were Mrs. Clay Watson of Waco and Miss Malene Rischer and Mrs. Dan Legacy of Couer d'Alene, Idaho.

Judge Rutherford On International Radio

Sunday, August 25, beginning at 8:00 A. M., Central Standard time, listeners throughout the United States and Canada as well as foreign lands will again have the opportunity to hear an address by Judge Rutherford, president of the International Bible Students Association.

'Health and Life for the People' is his subject. This will be the first microphone 'appearance' of Judge Rutherford since his return from an extended tour in Europe.

Introductory music composed for the occasion by Omero Castillucco of New York City, will be played under his direction by an orchestra of selected musicians. Vocal duet numbers by the Tour de Garde Singers are also included in the program.

The broadcast will go out simultaneously from more than eighty stations interconnected in a specially arranged wire network stretching to all corners of the United States and

Canada. Two short-wave stations, W2XAF, Schenectady, N. Y. 31.48 meters and CJRX, Winnipeg, Man., 25.6 meters, will broadcast for the benefit of overseas listeners.

Texas stations on the chain are as follows: WJAD, Waco; WRR, Dallas; KPRC, Houston; KTSA, San Antonio. Tune in on WJAD and get the program at 8:00 A. M. Sunday.

Mrs. Bob Terry Is Hostess At Stroll Party Tuesday

Naming as honorees Misses Lucille, Mildred and Helen Ruth Wheelers of Freeport, Mrs. Bob Terry entertained Tuesday evening with a stroll party on the lawn of her home on West 23rd Street.

Colored Japanese lanterns lighted the lawn, where pink crepe myrtle and fern in baskets and vases emphasized a color scheme of pink and green. Strolls and dancing to Victrola music were diversions.

Mrs. Terry served individual cakes and fruit punch, the punch bowl on the porch being presided over by Misses Frances Terry and Lucille Wheelers.

THE STATE OF TEXAS

To the sheriff or any constable of Milam county, Greeting:

You are hereby commanded to summon the unknown heirs of C. Saddle, deceased by making publication of this citation once in each week for four successive weeks previous to return day hereof, in some newspaper published in your county, to be and appear before the Honorable district court of Milam county, Texas, at the next regular term thereof, to be held at the court house in Cameron on first Monday in September, 1929, same being the 2nd day of September 1929 then and there to answer the plaintiff's petition, filed in said court on the 27th day of July 1929, wherein the State of Texas is plaintiff and Mattie Saddle Clayton, Jerry Clayton and the unknown heirs of C. Saddle, deceased are defendants. File number of said suit being No. 1019.

The nature of the plaintiff's demand as set out in said petition being an action to recover of the defendants the sum of \$223.36 dollars as delinquent taxes due plaintiff for the years 1917, 1919, 1924, 1925, 1926 and 1927 including interest, penalties and costs, that have accrued thereon, said taxes, interest, penalties and costs

being due upon the following described property, situated in the county of Milam and state of Texas and within the metes and bounds and territorial 8 acres of land out of the A. G. Perry League and being the same land conveyed C. G. Cobb to C. Saddle by deed dated Nov. 29th, 1883, recorded in Vol. 21 page 451 of the deed records of Milam county, Texas.

And plaintiff further prays for the foreclosure of its liens against said property, to satisfy said taxes, interest, penalties and costs, for an order of sale, writ of possession, all costs of suit and for general and special relief, all of which will more fully appear in plaintiff's original petition now in file in this office.

Herein fail not, and have you then and there before said court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of said court, at my office in Cameron, in the county of Milam, this 27th day of July, A. D. 1929.

It's Cotton Picking Time!

And within a few days the movement of the 1929 cotton crop will be well under way. Present indications point to a good yield, and for your cotton, every local merchant wants you to receive the most possible cash.

Past experience shows that Cameron cotton buyers always pay the highest possible price for your cotton. The years past have proven that there were no fairer buyers or better prices paid for your cotton anywhere in Central Texas than in Cameron. More than that Cameron buyers set the pace for several neighboring towns.

Cameron merchants and dealers in all lines have prepared to take care of your every want. Every merchant, large or small, is daily receiving large stocks of the new-

est in fall merchandise, assuring you of plentiful assortments in every line, whether clothing, groceries, hardware, furniture, amusements, automobiles, tractors—anything you can possibly need, you can get it in Cameron.

Cameron has five modern gins, operated by experienced gin men, insuring a good sample and turnout of cotton. Cameron also has one of the most modern and best compresses in Texas to store and handle your cotton.

Three sound Cameron banks, managed by men who have the interests of your town and community at heart, insure capable and courteous handling of your financial transaction.

The leading business firms and individuals whose names are undersigned, invite you to gin and sell your cotton, buy your merchandise and

YOUTH--AND THE NEW LEADERSHIP

By CRAIG B. HAZLEWOOD
President American Bankers Association

LEADERSHIP is a picturesque word. With it, one pictures Hannibal fighting his way through the passes of the Alps—Napoleon in his campaigns—or Washington holding together his half-frozen army by the sheer magnetism of his character at Valley Forge. But I visualize something that holds a more astounding spectacle in many respects than any of these.

Craig B. Hazlewood

It is the onrush of our business life. Our economic progress plunges ahead at a rate unheard of in the history of the nations of the world and every industrial and financial leader is daily brought face to face with new and perplexing problems requiring the highest courage and intelligence for their solution.

Ninety billions a year, they tell us this country is now producing in new wealth. The rate of increase is even more staggering than the amount. It is difficult to say where it may lead us in even ten or fifteen years.

We are moving exceptionally fast. Our economic and industrial structure is placing before us problems of greater and greater magnitude. Few men can see far ahead. Few are in complete control, for this is a changing world, as even the most experienced business men will readily testify. Our methods of adjusting our selves rapidly to economic changes and of cooperating are far from perfect.

What an opportunity the leadership of five, ten or fifteen years from now presents! What an adventure it will be! What responsibilities it will lay upon the broadest shoulders that may be found! This is the challenge to leadership as I see it. In the hands of the young men must rest the responsibility for this leadership.

Boys Who Reached the Pinnacles

Business is full of the romance of youngsters whose chief characteristic was working hard and keeping at it. There was a green farmer boy who decided he would rather stand behind a counter than follow a plow. He seemed so obviously lacking in sales ability that for a time no merchant would hire him. He failed in his first position, and in his second his salary was reduced. He even agreed that he was a misfit—but he stuck. Out of his first five stores, I believe, three failed. But he persisted and worked hard. And that boy, Frank W. Woolworth, became the greatest retail merchant in the world with a store in every city of eight thousand or more population in this country.

There was another lad who clerked in a grocery store sixteen hours a day and studied mathematics in his odd moments. He became interested in the doings of the steel plant where employees traded at this store. He began to study steel and sought a position in the plant. He carried a surveyor's chain and drove stakes. At night he studied mathematics and engineering. He did not despair. He could not be diverted. He kept the pressure on for seven years. And that boy, Charles Schwab, mastered the iron industry and became one of the country's great industrial leaders.

There was a lad who sold papers of a train. When he grew up, several million men and a score of billions of dollars of capital were given profitable employment through his inventions. Even in middle life, Thomas Edison continued to work twenty hours a day, if necessary to achieve his purpose.

Leadership is not play. Leadership offers countless positions of varying opportunity, of which the highest pinnacles will mean almost unbearable responsibility in the new era. There will be men with the fire and iron to qualify even for these places. Such men must have had the very finest preparation and the most grueling tests. Their reward will be the attainment of these highest pinnacles of achievement, and the rendering of an immeasurable service to their times.

Joe Grates, Negro, Is Shot; Joe Adams, Negro Is Arrested

Joe Adams, a negro, was arrested Sunday afternoon in connection with the shooting of Joe Grates, a negro, near Burlington. Adams shot Grates

with a shotgun in the hip and the hand. The injury done was not serious. Adams is in jail here charged with assault with intent to murder.

Indian Relics Are Collected By William Linke at San Gabriel

William Linke, a Milam county farmer and cabinet maker residing near San Gabriel, has a very fine collection of Indian relics, collected from this section. The assortment shows about 1000 arrow heads, an old powder horn used by an ancestor of Mrs. Linke in a battle against Napoleon, a tomahawk, some Indian beads, found in an old grave, some old pistols and many other interesting articles.

Chemical Blast Injures Workman's Eye At Rogers

While H. P. Phillips of Rogers was doing some tin work, using sulphuric acid, the mixture exploded, filling his left eye. He was rushed to Dr. Taylor here and is now under treatment. The burn is improving but it is undecided as to whether the sight will be saved as yet.

METHODIST CHURCH

Our mid-summer congregations are

holding up encouragingly, and summer is almost gone. Next Sunday is the last in August.

We are going to have a very interesting service next Sunday night. The sermon will be given over to the story of some of the old hymns. The choir will sing some of them as special and the congregation will sing some of them. You will miss a good time if you are not there.

The pastor has another one of those short sermons for the eleven o'clock service.

The Sunday School attendance was one short of the preceding Sunday. Quite a number promised to find that absent one and bring him back.

The Leagues—all three of them had good attendance and interesting programs. The meeting hour is 7:00.

MAN FELT BLOATED

For Distress After Meals, He
Takes Thedford's Black-
Draught and Says He
Obtains Relief.

Gulfport, Miss.—"I have used Black-Draught for about five years," says Mr. George Chevalier, of this city. "I keep it in my house all the time."

"When I feel bloated, and have headache after meals, my method of taking Black-Draught is to take from a pinch to a level teaspoonful in my mouth, dry, and wash it down with about half a glassful of water, regulating the dose according to the situation by taking more or less, according to how I feel."

"I usually take a dose on going to bed, when needed, and am relieved next morning."

"I don't know of any medicine that I would exchange for Black-Draught. I believe if anyone is suffering from constipation, and would use Black-Draught as outlined above, he would get relief."

Thousands of other men and women find Black-Draught of great help in relieving common ailments, due to constipation, biliousness and indigestion.

Prepared from medicinal herbs and roots, of highest quality, carefully combined and packaged by automatic machinery.

NC-211

Thedford's
BLACK-DRAUGHT
for Constipation
Indigestion Biliousness

NEVER before in the history of this community has electric energy been so cheap as it is today. The new domestic electric service rate of the Texas Power & Light Company with the 7 and 5 cent steps for energy used, makes it possible for you to use double the amount of electricity which you used at our former rate at only a small increase in your monthly bill.

That means better lighting for your home. It means that you can now do all those things electrically which you have long wanted to do but which you have kept from doing because of the

cost. It is cheap to do things electrically today.

How often have you wished for the time to do new and interesting things, to have more time with your family, more time for relaxation and enjoyment. 7 and 5, the Economy Twins, will bring that time to you. They will do your work in less time and with very little effort on your part, so that when your work is done you will have the strength and energy to enjoy your leisure hours. Check up on electric service in your home and let 7 and 5 work for you.

Texas Power & Light Company

"Your Electric Servant"

FROM THE FILES OF THE CAMERON HERALD

28 Years Ago

At a meeting of the stockholders of the First National Bank last Tuesday the following were elected directors for the following year:

Mrs. Mary E. Hefley, J. N. Bradshaw, W. T. Hefley, J. C. Reese and T. F. Hardy.

The following were elected officers for the ensuing term:

T. F. Hardy, president.
J. N. Bradshaw, Vice president.
H. M. Hefley, Cashier.
E. P. Lester, assistant cashier.

A semi-annual dividend was declared on January 5, 1904. The bank enters upon the new year under flattering auspices.

At the meeting of the stockholders of the Citizens National Bank last Tuesday the following were elected directors for the ensuing year.

H. F. Smith, T. G. Sampson, Oxshier Smith, J. M. Sampson and B. J. Baskin.

The following officers were elected:

H. F. Smith, president.
T. G. Sampson, Cashier.
J. M. Sampson and Oxshier Smith, Assistant Cashiers.

An annual dividend of ten per cent was declared and \$3000 was passed to the surplus fund. The bank is doing a large and increasing business.

Col. John N. Bradshaw of Orlando, Fla., brother of Mrs. John M. Hefley, has arrived in this city and will spend several weeks in our midst assisting his sister in the settlement and adjustment of the vast business interests left to her care since the death of her good husband. Colonel Bradshaw has made several visits here in the past and is well and favorably known by a great many of our people, and we hope his stay among us may be very pleasant.

County Attorney Chambers was in Buckholts last Saturday on official business.

Hon. T. S. Henderson spent a few days in Austin this week attending to business before the higher courts.

Dr. Denson of Ben Arnold was trading in Cameron last Saturday.

The tea last Friday afternoon and

evening at the home of Mrs. T. S. Henderson was attended by many and a nice sum was realized for the benefit of the Baptist church. The occasion was quite a pleasant one.

Last Friday the boll weevil bill passed the house of representatives, federal congress. It carried an appropriation of \$250,000 for experimental work this year. During the discussion pending a vote on the measure Congressman Slayden read telegrams from railroads and other interests showing that the weevil destroyed half a million bales of cotton last year. A Massachusetts congressman opposed the bill, declaring that the weevil had so increased the price of the raw material as to force many Massachusetts mills to close. He stood alone. Other members from New England favored the bill, because they reasoned that its effect would be to increase the production and thereby reduce the price. It is a nice point to take care of all these opinions.

William J. Bryan reached New York last Saturday on his return from a trip to England and a tour of the continent. He was received by committees and every mark of esteem and respect was extended to him. His plan was to spend Sunday in New York and leave Monday for the West. He returned as a passenger on the Celtic. As to the impression he made abroad, we quote the following paragraph from a New York special Sunday: 'It was said by one of the passengers Sunday that on Monday when Mr. Bryan spoke at the dinner given by Ambassador Choate, that the diners were carried away by the polished diction and address of the American statesman, and asked, 'If such a man was defeated by McKinley, what manner of man must McKinley have been?'

CARD OF THANKS

Through The Cameron Herald
We take this means to express the thanks and heartfelt gratitude which cannot be expressed in words to Dr. W. R. Newton and the nurses who waited on me at the Cameron Hospital and to Sr. Daniel Garcia and Mr. and Mrs. Silverio Moreno for supply-

ing groceries to my family and to Mrs. G. Gillis for the flowers, also to all who visited me and they have been helping with groceries and money. May God richly bless one and all and the abundance of his grace be on all is my prayer and wishes.

Truly and faithfully in His service and love,

F. A. Hernandez
Mrs. F. A. Hernandez
Mrs. Myrte de Contreras.

Raise the Grade of Your Cotton

—AND—

YOU RAISE THE PRICE

The value of your cotton to the spinner determines the price you get. He gauges the value of the cotton by the way it is opened, cleaned and ginned, for those operations vitally effect the production of yarn.

Spinning values means cotton with a high percentage of uniform staple lengths, uncrimped, uncut, free from shale and with the bloom on.

Our gin increases the spinnability of every bale put through it by preserving the natural fiber length, untangling it, keeping shale out and removing stems and dirt.

We solicit your gin business on our record of service and the belief that we are best equipped to give you the better turnout. Give us a trial and you will be pleased.

Maytag still remains the only washer company that builds its own engine and is the world's largest producer of single-cylinder gasoline engines.

The Maytag has a churn attachment. A valuable exclusive Maytag feature. Ask about it.

Maytag Aluminum Washer

The Essex Car

Is only one of the many desirable things we have in stock. It is the best of its kind, of course in our opinion. Equally as good in its way is the spirit of courtesy we put behind it, the maintenance system we provide for all its owners, the personal interest we take in each and every one of them, the conscientious effort we make to do things right and earn our customers friendship.

The Essex car is a great machine and deserves that kind of backing. But the credit for that goes to the Essex factory. We could not build it here if we wanted to but we can build a business atmosphere to match it in quality, and we work days and nights to accomplish that purpose.

The Essex owner is the judge of our success. Ask him about the spirit of our business.

Horstmann Brothers Tire Store

JEWISH HOSPITAL TO OPEN HEINEMAN BLDG.

TUBERCULOUS CHILDREN TO BE
CARED FOR BY \$150,000 UNIT
TO HOSPITAL

S. Kestenbaum of the Cameron Fruit Company has received a communication from Mrs. S. Pesko, secretary of the National Jewish Hospital at Denver, Colorado, announcing opening of the Louis Heinman building for tuberculous children on September 1.

The letter in full reads as follows: I am happy to advise you that the National Jewish Hospital will open the Louis Heinman Building for Tuberculous Children about September 1, 1929. This building has been erected and equipped at a cost of \$150,000 through the legacy of the late Louis Heinman of Jamestown, New York.

This latest extension of the life-saving service of the National Jewish Hospital will specialize in the treatment of bone, joint and glandular tuberculosis in children. Children suffering from pulmonary tuberculosis will also be treated.

The success which we have heretofore secured in treating tuberculosis of the bones and joints in children, the increasing recognition of the value of sun-treatment in such cases, and the unexcelled opportunity Colorado offers for sun-treatment, has made necessary an extension of our facilities for children.

Enclosed herewith is a photograph showing the Heinman Building and the Horheimer Preventorium. As you know, this latter building has been in operation for eight years, and is dedicated to the task of upbuilding children who are predisposed to tuberculosis, and giving them the opportunity for a happy childhood and a normal productive life.

It is the opinion of the medical profession that the ultimate solution of the problem of tuberculosis lies in the successful treatment of the disease as it manifests itself in various forms in children. With the addition of the Heinman building, the National Jewish Hospital will have beds for eighty children and complete facilities for treating all forms of tuberculosis in children.

It is the hope and desire of the officers of the National Jewish Hospital that our enlarged children's facilities will be used by your community when the need arises. If there is a child in your community who might be helped through this branch of our life saving service, and whose parents are without means to pay for treatment, send that child to us.

The service of the Hofheimer Preventorium and of the Louis Heinman Building is free, national and non-sectarian. Do not confuse this work with that of any other institution. Ours is the only national institution offering this type of service for children.

The Louis Heinman Building will be opened about September 1. The building will be formally dedicated shortly thereafter, and we sincerely trust that you will find it possible to be here for the dedication.

Meanwhile, may we ask you to assist us in acquainting the people of America with our enlarged program of service? I would appreciate if you would arrange to have this letter printed in the newspapers of your city, including Jewish papers, if any, in this way advising the members of your community of the erection of this splendid building at the National Jewish Hospital. I am sure the newspapers will be glad to cooperate with you in this regard.

Will you kindly send us clippings of any such publicity which you may secure for us?

With thanks and appreciation for your interest and helpfulness, I am,
Sincerely,
S. PESKO, Secretary.

W. J. Walker Named Agent For Federal Life Insurance Co.

W. J. Walker and family, who have spent the summer in Cameron, left Tuesday for Waco where they expect to reside in the future. Mr. Walker has accepted the position of District Agent of the Federal Life Insurance Company with headquarters in Waco.

Cameron and Milam County are a part of his territory and he expects to spend much of his time here.

Mr. Walker will be remembered here for his long connection with the Cameron public schools where he was held in highest esteem by all who knew him.

We trust Mr. Walker's new work will prove successful. He hopes his old friends and former pupils will share their insurance business with him. The Federal Life writes very attractive life, health and accident, and automobile accident policies.

COMMUNITY NATURAL GAS

COMPANY
Cameron, Texas
LONE STAR GAS CO. - DALLAS, TEXAS

"STARGAS Starts Where Gas Mains Stop"

This . . . answers the question . . . which is America's finest medium-priced automobile

The Oakland All-American Six was compared with twenty other cars in 878 individual comparisons. Of the 878 points of comparison, Oakland established clear-cut superiority on 451 or 51.37 per cent. The twenty cars combined proved at best to be equal to Oakland on 382 points or 43.50 per cent. Yet thirteen of these cars are higher-priced than the All-American Six . . . Let us give you complete returns of this analysis. Then you will know that here is America's finest medium-priced automobile.

What these features
mean to you

Large piston displacement is needed to develop high power at moderate engine speed. Moderate engine speed is an important factor in the life of a car.

PISTON DISPLACE- MENT

How Oakland compares with the field

Oakland's 228 cubic inch piston displacement is greater than 12 of the 20 cars in its price field. Of the 8 remaining cars, 7 are higher priced than Oakland.

Fisher bodies are famous for style, luxury and roominess. In addition, they hold such advantages as sturdy hardwood and steel construction, VV windshield, side cowl ventilation and adjustable drivers' seats.

FISHER BODY

Only Oakland and two other cars in the field offer bodies by Fisher. And one of the two is nearly \$100 higher in price than Oakland. Of the 18 cars which have less-known bodies, 11 are priced above the All-American Six.

Prices, \$1145 to \$1375, f. o. b. Pontiac, Mich., plus delivery charges. Spring covers and Lockjoy shock absorbers included in list prices. Bumpers and rear fender guards extra. General Motors Time Payment Plan available at minimum rate.

\$1145

AND UP

Consider the delivered price as well as the list price when comparing automobile values. . . . Oakland-Pontiac delivered prices include only reasonable charges for handling and for financing when the G. M. A. C. Time Payment Plan is used.

Tire Repair Man Must Know Tire Building

"Not very long ago a serious tire injury usually meant the loss of the tire," said Mr. Horstmann of The Tire Store. "Of course, now and then one could find a repair man who could repair almost any tire injury and do it well, but such a man was an exception."

"When balloon tires came into fairly general use, tire repair equipment and methods had to be changed. These tires with their extremely flexible walls presented new problems. Firestone, the pioneer in the balloon tire field, realized the difficulties which confronted repair men and developed the necessary equipment and methods."

"Firestone did not stop here but went on and established schools at the factory and in other localities throughout the world where a man could learn proper balloon tire repair methods. At these schools students were taught the rudiments of tire building and how to make the necessary repairs—they were shown just what portions of rubber and fabric had to be cut away and replaced. In short, they were instructed how to restore the tire just as closely as possible to its original condition. This instruction was strictly practical, being accompanied by actual shop practice so that when students had completed the course, they could go out and make just as good repairs as could be made if injured tires had been sent in to the factory."

"In our shop," said Mr. Horstmann "we use Firestone methods and equipment and we know just what results can be obtained. All of our repairs are guaranteed and we can assure any customer, after we have completed the job, that the repaired portion will wear just as long as the rest of the tire."

MAYSFIELD

Mrs. Jim Barmore is visiting in Dallas this week end.

A. L. Massengale went to Cameron Friday.

Miss Vera Mayes spent Sunday with Miss Mary Ethel Massengale.

Mr. and Mrs. Eldred Massengale spent the week end with Jim Barmore.

Misses Mary Emma Thweatt, Mary and Doris White visited Miss Mildred Massengale Saturday evening.

John Thweatt has been on the sick list this week.

Tom Floyd made a business trip to Cameron Friday.

Jim Barmore's barn burned Friday evening and it was a considerable loss to him.

Mesdames DeWoody and Elliott Atkinson and little son, Gordon, who

have been visiting for several weeks in the home of Mrs. Hubert Atkinson left recently for their home in Colorado, Arkansas.

Misses Bertha, Ruby and Margaret Baylor spent Sunday afternoon with Miss Ruby Nicholson.

Miss Elizabeth Nicholson, who has been taking the summer course at Daniel Baker College at Brownwood came home Sunday afternoon for a three week's vacation.

Mrs. Wm. Freeman and children, Billy and Betty, took her mother-in-law, Mrs. Mary Freeman to Hubbard Tuesday.

Rev. R. L. Nicholson motored to Hearne with his son, Malcolm, Monday evening for the latter to take

the train for French Camp, Mississippi, where he will resume his studies in the school there.

Messrs. LeRoy and Ralph Massengale attended preaching at Marlow Sunday night.

BIRTHDAY PARTY

Sam Bill Law, son of Mr. and Mrs. Roy Law, observed his fourth birthday last Saturday afternoon, inviting several of his friends to play with him in the afternoon.

The birthday cake, iced in white, and bearing its four pink candles, was cut on the lawn. Together with the cake, candy and chewing gum were served the small guests. Out-door games were enjoyed and Sam was the recipient of many birthday remembrances from his friends.

Also we don't know a thing about it, when a golfer refers to 'finals.' Sometimes we think it may refer to something to drink.

Our boss is very exacting. He is always screaming for copy an hour ahead of the time I am ready.

Fine Plan

Old Lady (visiting prison). 'Poor man, I wish I could do something to get you out of here.'

Prisoner, 'Well, lady, if you want to change clothes with me when the guard isn't looking, I could do the rest.'

WANTED TO RENT

Two or three rooms furnished suitable for light housekeeping. Desire privilege of bath and toilet. Not necessarily close in. Would like garage for car. Address W. J. Walker care of M. G. Cox.

Better Farm Buildings Pay

Farm Implements are too valuable now-a-days to have them ruined because of a leaking roof. Livestock is worth money, too. Take it all around, it's mighty good economy to put barns and sheds in first class shape.

How about your grainery space? If you need more room, why not see us now about material for building?

Remember, we carry everything in lumber including that handy wall and ceiling material, Beaver Board—and our prices are right. Why not ask us to give you estimates and help you plan your work. No job is too small or no job is too large. Phone or call anytime and we will be right out to see you.

TOO much work, too much worry. Tired but too nervous to sleep. Counting imaginary sheep, relaxing your muscles, making your mind a blank, all no use. You'll feel "all in" tomorrow.

Just dissolve a Dr. Miles' Effervescent Nervine Tablet in a half glass of water. Drink the clear sparkling beverage. Drift off into deep dreamless sleep and get up in the morning refreshed in mind and body, and ready for the day's duties or pleasures.

Dr. Miles' Nervine is now made in two forms—Liquid and Effervescent Tablet. Both are the same therapeutically.

Get them at your drug store

L. L. RASBERRY DIES IN ROCKDALE MONDAY

L. L. (Les) Rasberry, age 53, died suddenly at his home on North Main street at an early hour Monday morning, the attending physician giving the cause of death as angina pectoris.

Mr. Rasberry had complained of an uncomfortable feeling in his chest Saturday and had made an appointment with Dr. I. P. Sessions for a thorough physical examination for the following Monday. Monday morning he arose about 5:00 a. m., as was his custom, made and drank a cup of coffee and seated himself in a chair on the back porch. A few minutes later Mrs. Rasberry heard him fall; when she reached his side he was unconscious and death followed in a few minutes.

Funeral services were held at the home at 6:00 p. m., Tuesday, conducted by Rev. Charles F. Smith, pastor of the Methodist church. Interment followed in the I. O. O. F. Cemetery. Pall bearers were Messrs. E. A. Camp, E. H. Coffield, C. M. Perry, W. T. Ramsel, E. R. Wolf and P. H. McCawley.

Lee Rasberry had spent most of his life in Rockdale and Milam county and had an unusually wide acquaintance over the county, and numbered his friends by the hundreds. He was born near Giddings in 1876 and came to Rockdale in the early days of the town's settlement. A few years ago he removed to California and resided there and at El Paso for a time, returning to Rockdale about two years ago and building the home in which he died. He is survived by his wife, one son, Jack Rasberry, an attorney of El Paso, one brother, E. L. Rasberry of Thorndale, and one sister, Mrs. C. M. Sessions of this city. Relatives present for the funeral included these, as well as Mr. and Mrs. L. Rasberry of Houston, and Mr. and Mrs. E. H. Wynne of Temple.—Rockdale Reporter.

CLARKSON

Mary Feist of Welda visited Mrs. Herman Schwarting the past week.

Bill Kohring and wife were callers at the W. M. Kohring home Sunday.

Henry Schwarting, Clarence Kelly

Howard Schwarting and wife and Howard Douglas attended the ball game in Cameron Friday between Sharpe and East Waco.

Perry Strickler, Henry and Howard Schwarting, Clarence Kelly and John Talafiaro enjoyed a fishing trip Monday night.

ELECTION NOTICE

STATE OF TEXAS,
County of Milam,

Notice is hereby given that upon a petition of G. W. Malone and twenty other freeholder voters, the Honorable Commissioners Court of Milam County, Texas, on the 12th day of August

1929, the same being at a regular term, ordered an election to be held at the Liberty School House to determine whether or not horses, mules, jacks, jennetts, cattle, sheep and goats shall be permitted to run at large in the following described territory, viz: A part of Justice Precinct No. 3 of said county beginning where Cannon Snap Creek crosses the Cameron and Gause public road. Thence up Cannon Snap Creek to East fork of said Creek where it branches off in the Mrs. J. H. Ashenbeck land. Thence up said East fork to the Milano and Hanover road at the R. L. Batte 290 acre tract of land. Thence in a northerly direction with said road to the point where the Stock Law District established in January 29, 1927 crosses said road. Thence with the line of said Stock Law District to Cannon Snap Creek to the place of beginning.

The election was ordered by said court to be held on Saturday, September 28th, 1929, and I appoint G. W. Malone as manager of same.

Witness my hand and seal of office this 16th day of August A. D., 1929.
JEFF T. KEMP,
Co. Judge, Milam Co., Tex

CARD OF THANKS

'Oh, gosh,' the girl exclaimed. 'It's started to rain. You'll have to take me home.'
'Why, I'd love to,' her bashful escort stammered, 'but you know I live at the Y.'

Learn Radio At Tyler Commercial College

Many Graduates Placed in Splendid Positions in this Newest and Most Interesting Field

Tyler Commercial College at Tyler is a Licensed Radio Technical Training Station. It is the only commercial school, so far as we know, that has a station in operation for and by the Radio Department. Tyler is on the air with Radio Code every day. Its call letters are W5YT. New equipment is being constantly added to keep the department in the forefront of radio schools.

Many Tyler radio graduates are in employment as operators on steamships that take them into ports in all parts of the world, others are in positions in the States, as land station operators, geographical research workers—all holding positions that require expert training.

The new Tyler Catalogue and other literature explains the courses and the employment opportunities. If you are interested in this new and large field, clip and mail the coupon printed below. There is no obligation. There is no branch school. Tyler leads; others follow.

The New Things For Fall Are Here

Important New Dresses and Fashionable Millinery—all pointing to a big thrill for you and a Season of Thrifty Buying

DOBBINS always announces the new things first and at the outset of a new and important style season, any announcement is good news, of course. And when one can be sure that an announcement of new arrivals in apparel will be as thoroughly a price event, it is more than good news.

Every thrifty woman who desires fashionable apparel will be here to see the new things for fall and winter. They have just come into our store and are now on display waiting your selection.

The big thrill about these new dresses are the prices. No season end bargain sale has more to offer than this season start of selling new things.

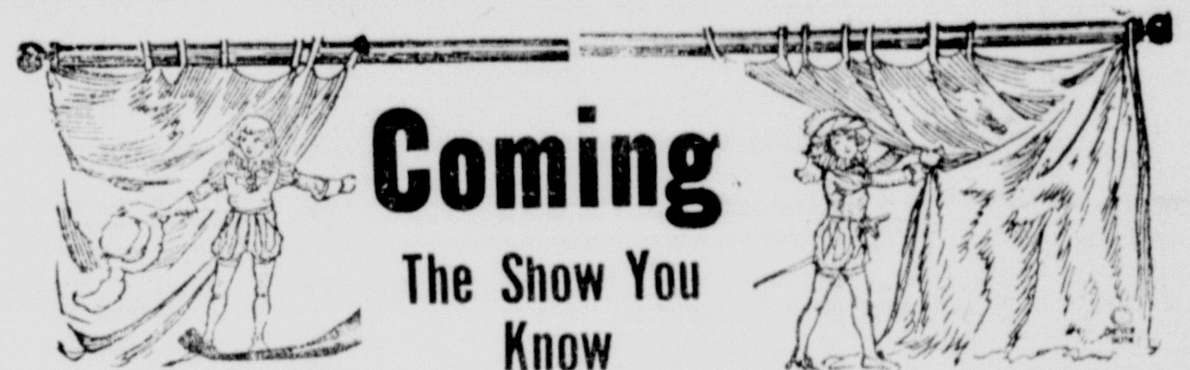

New Millinery

The really smart hats for fall have dozens of clever tricks to achieving snugness and smallness. But when they resort to cheek sweeping lines is when the fashionable world approves them. The new hats are here—softly becoming as well as extremely distinctive. We take pride in these offerings for early fall wear. So fine and so moderately priced.

DOBBINS SHOWS THE NEW THINGS FIRST has been a policy of this store for years. If you would see the new things first while they are new you should keep in touch here.

FRASER AGAIN HEADS WOODMAN OF WORLD

CONVENTION AT SEATTLE GIVES SOVEREIGN COMMANDER ENDORSEMENT

Omaha, Neb., Aug. 20, 1929—Officers of the Woodmen of World Life Insurance Association who returned here during the past week from the National convention of the Association at Seattle, were happy over the enthusiastic endorsement received by Sovereign Commander W. A. Fraser at the national meeting.

Sovereign Commander Fraser tendered his resignation as a challenge to certain efforts of men to embarrass the society by a series of court suits. As soon as Commander Fraser tendered his resignation pandemonium reigned at the meeting. Efforts were made to prevent the resignation but Sovereign Commander Fraser said he felt he owed it to himself and to his friends to take the step he had. The resignation was then accepted.

Sovereign Gregory, Congressman from Kentucky, placed the name of Mr. Fraser in nomination to succeed himself. Seconding speeches were made by Congressman Kincheloe of Kentucky, Judge Porter of Texas, General Royster of North Carolina and Judge Henderson of North Carolina.

Mr. Fraser was re-elected unanimously.

All of the other Sovereign Officers were also unanimously re-elected.

"In all my years of activity in fraternal work I never witnessed such a marvelous and wholehearted demonstration of respect and confidence as was tendered Sovereign Commander Fraser at the Seattle meeting," said Sovereign Clerk John T. Yates.

Since the national meeting telegrams and letters have been received by the national headquarters from practically every state in which we do business congratulating the Sovereign Camp for their action in re-electing Commander Fraser. The national meeting of the Woodmen of the World carried on very valuable business in connection with the organization.

Every Sovereign of every state is interested.

Among the changes in laws of the order adopted was one which calls for the nomination of a financial secretary by all local camps, commencing January 1, 1930. This financial secretary will be an avenger directly to the Sovereign Camp.

Head Camp or state Woodmen of the World conventions will be held every two years, instead of every 4 years, as in the past.

Another provision requires members who have complaints against the society to file these complaints with the Sovereign Commander prior to the institution of any law suit. The Sovereign Commander will then rule on the complaint and in the event a satisfactory settlement is not reached, the member may appeal to the board of directors of the Sovereign Camp.

Any member under 60 who becomes totally disabled shall receive one-half the face value of his certificate, prior to attaining the age of 60 years.

Arizona and California were united into a new Head Camp jurisdiction and New Mexico was also established as a Head Camp.

The Sovereign finance committee was authorized to invest surplus funds in United States or other bonds and such securities as are permitted by state laws to be purchased by life insurance companies.

Prior to the Sovereign Camp meeting Sovereign Commander Fraser appointed W. C. Braden, head consul of Louisiana, to the post of Sovereign Sentry, to fill the vacancy caused by the death of the late Col. B. W. Jewell and the advancement of other Sovereign officers.

H. O. Fishback, insurance commissioner of the state of Washington, attended the Woodmen sessions and in an address commended the Woodmen of the World on its efficient organization.

Miller Tires Please Men Who Change Own Tires Says Green

One of the surprises of Miller Rubber Company's history is the way its Deluxe tire has attracted small car buyers.

Designed especially for the use of 'big six' owners, this Deluxe tire has forced its makers to double their molds and equipment for small-car buyers.

"It's easy to see why," said C. N. Green. "The man who drives his own car is more particular about what he buys than is the man with a chauffeur. The car-owner who changes his own tires appreciates the best."

Miller has just brought out a new tire, similar appearing and a fit comparison to its high-priced Deluxe, which begins where the other tires leave off. The famous Geared-to-the-Road tread has been strengthened and toughened. The inner cord construction represents all that can be demanded in resiliency plus long life.

In actual tests, the same tires available in our own stock, over hot Florida roads, Miller Geared-to-the-Road tires outwore every other leading make. In many instances Millers wore twice as long as competitive brands on the same car.

"We're expressing months of careful tests in a very simple guarantee," says C. N. Green. "We don't ask anyone to take our word for it, but here's what we guarantee—that our new Miller Geared-to-the-Road tire will outwear any tire of the same price class, no matter whose."

This guarantee has just been announced to readers of two national magazines and many Sunday and daily papers throughout the country.

The new Miller Geared-to-the-Road tire is now available in all popular sizes in Cameron backed by this unsurpassable guarantee.

SHERIFF'S SALE

The State of Texas,
County of Milam.

Notice is hereby given that by virtue of a certain Alias Execution issued out of the Honorable County at Law No. 2 of Bexar county, of the 8th day of July 1929, by Jack R. Burke, Clerk of said court for the sum of Four Hundred Ninety Two and 96-100 Dollars and costs of suit, under a judgment in favor of F. D. Stout in a certain cause in said court, No. 19399 and styled F. D. Stout vs. E. J. Michna, placed in my hands for

service, I, L. L. Blaylock as Sheriff of Milam County, Texas, did on the 15th day of July 1929, levy on certain Real Estate, situated in Milam County, Texas, described as follows, to-wit: Lot 11 and 12, block 15 in the town of Ben Arnold, Texas in Milam County and levied upon as the property of E. J. Michna and that on the first Tuesday in September 1929, the same being the 3rd day of said month at the Court House door, of Milam County, in the city of Cameron, Texas between the hours of 10 a. m. and 4 p. m. by virtue of said levy and said judgment I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the man, but he hates a lazy man."

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Cameron Herald, a newspaper published in Milam County.

Witness my hand, this 15th day of July 1929.

L. L. BLAYLOCK, Sheriff,
Milam County, Texas.

ANNOUNCING A VARIETY OF COLORS on the Chevrolet Six at no extra cost!

In keeping with the progressive policies that have carried Chevrolet to record-breaking heights of success—the new Chevrolet Six is now made available in a wide variety of colors at no extra cost.

Still further enhancing the inherent beauty of the marvelous bodies by Fisher, these striking new colors give to the Chevrolet Six an order of smartness unapproached in any other low-priced car in the world.

And when you drive the Chev-

rolet Six, you will realize that its performance is equally as outstanding as its beauty. It flashes away at the traffic signal. It tops the steepest hills with an abundant reserve of power. The steering wheel responds to your slightest touch. And the quiet, non-locking, four-wheel brakes are unusually quick and positive in action.

Come in today. See this sensational Chevrolet Six which actually sells in the price range of the four.

The Roadster, \$525; The Phaeton, \$525; The Coach, \$595; The Coupe, \$595; The Sport Coupe, \$645; The Sedan, \$675; The Imperial Sedan, \$695. All prices f.o.b. factory, Flint, Mich.
COMPARE the delivered price as well as the list price in considering automobile values. Chevrolet's delivered prices include only reasonable charges for delivery and financing.

City Marshall

ROCKDALE MAY GET LIGNITE POWER PLANT

C. OF C. RECEIVES ENCOURAGEMENT, THOUGH NO DEFINITE PROMISE MADE

The Rockdale Chamber of Commerce, through its board of managers—H. C. Meyer, E. A. Camp, J. W. Garner and Ed Gunn—and joined by the entire business interests of this city, has recently begun negotiations with the Texas Power and Light Company for the erection here of a big lignite burning power plant similar to the one operated by that company at Trinidad, Henderson county.

This action was taken last week when it was learned that the T. P. & L. Company has tentative plans for the location of such a plant in this section.

H. C. Meyer, president of the Chamber of Commerce, went to Dallas last week and held a conference with officials of the company, and while no definite promises were made, he received considerable encouragement the fact being developed that such a plant is actually in prospect in connection with the corporation's well-established program of not only growing with Texas, but actually keeping just a little ahead of the State's growth and development.

In the resolution adopted by the local Chamber of Commerce and submitted by Mr. Meyer, facts are set forth as follows: That there is an inexhaustible supply of quality lignite adjacent to Rockdale, served by two railroads, and for many years recognized as the largest lignite operation in the United States, with the possible exception of the Dakotas; that pick-and-shovel, as well as heavy surface mining operations are in effect in this field now, and have been for many years; that the potential production of lignite coal is unlimited, and fully adequate for any plant the company might install, regardless of size or scope; that the supply of water suitable for the Company's operations is also unlimited, and that the location offers the Company every advantage as to the providing of unlimited electric power on the cheapest scale, and in a section of the State best suited to the company's needs. The resolution concludes with the offer of every assistance and cooperation by the business interests of this city with the Texas Power and Light Company in the development of the project.

'My reception was most cordial and courteous,' Mr. Meyer stated on his return from Dallas, 'and I feel that Rockdale as a possible location for this plant will be given serious consideration by the Company. I was informed that they are actually considering the erection of such a plant, and that the matter is already in the hands of the engineering department, upon whose recommendation, of course the solution will depend.—Rockdale Reporter.

CALDWELL, TEXAS

Texas and Texans

By Will H. Mayes

Texas Rural Routes

Texas is now fairly well covered with rural mail routes, these now being 2194 routes in the State serving 1,209,000 persons. The cost of this service is \$15.25 a year for each family, which is small when it is considered that Texas is yet so poorly covered by good roads.

There is nothing that has contributed more to rural life than the improved mail service unless it be the improved roads that have made the mail service possible.

The annual salary of Texas rural carriers averages \$1927, exclusive of the allowance for equipment maintenance, or about \$160 a month, which is enough to secure good service with a smile.

When it is considered that most of the State highways in Texas are comparatively new, their maintenance appears to be rather expensive. The highway department appropriates \$8,403,930 for the maintenance of 18,000 miles of road, or nearly \$500 a mile a year, however, this amount takes care of contingencies, such as flood damages to roads and bridges.

An argument advanced by the proponents of a State bond issue of considerable size is that the sooner permanent highways are built just that much sooner will maintenance costs decrease.

Prison Commission Tours

Eleven members of the Texas Prison Commission, created by the last legislature, are away on a visit to a score or more of northern and eastern prisons, accompanied by an architect and a secretary. The tour will last a month and at its end the commission expects to be informed as to the most modern methods in prison management.

While such a jaunt seems expensive if it only leads to the right improvement of the Texas prison system and to lessening the operating cost to taxpayers, the trip will be worth many times its cost.

Brazos County Roads

Brazos county voters are to vote on the issuance of a \$1,250,000 road bond issue with which it is proposed to liquidate a half million dollars in

bonds and build State roads intersecting the county, and numerous laterals leading to these State highways. People who have occasion to travel in Brazos county will readily agree that the roads are needed.

Orient Extension

The hopes of the people of a vast section of West Texas will be realized sooner than some have expected in recent years if the Santa Fe makes good its proposal to complete the Orient line to Christoval by early September and to Sonora by the first of the year. The work, however, has reached the stage where there is every reason to believe this will be done.

Tomato Tariff

Commercial organizations of the lower Rio Grande Valley are protesting the action of some of the commercial bodies in other parts of the State in opposing the proposed tariff on tomatoes. They claim that in the tariff is increased, it would mean \$10,000,000 additional revenue to the Valley each year. It has not been long since the humble tomato was regarded as rank poison. It may yet become the chief source of Texas prosperity. Who knows?

Lockhart Creamery

The Lockhart Creamery, one of the many coming concerns of the kind, capitalized at \$25,000 and owned in small amounts by local people, has recently held its annual meeting, and is highly pleased with itself. One reason is that it has paid farmers \$200 a day for milk and is seeing the milk herds of the district much increased and improved.

Rockdale's Lights

Rockdale is putting in a system of incandescent street lights under the outer edge of the awnings of business houses. Most towns of the size are lighted in that way, and it creates a most favorable impression on both home folks and travelers. There is something about a well-lighted place that creates a home town pride, and in this day of general use of electricity the unlighted town has a neglected and forbidden appearance.

The Milk Industry

To whatever proportions the tomato industry may grow it will likely find a rival for supremacy in the milk cow. Dairy products plants of all kinds are increasing rapidly in all part of Texas and farmers are finding difficulty in getting enough

cows to supply the demand for milk and cream. While the milk plants are not showing extraordinary profits they are proving a boon to farmers by keeping them supplied with ready cash throughout the year.

In Southeast Kansas the bankers have agreed to put up a million dollar fund to be loaned to dairymen for the better development of the dairy industry, and they not only expect to get back their money with interest, but to increase their deposits largely. Something of the kind may have to be done in Texas.

Clay Products Plants

Natalie, Medina County, is to have a \$146,000 clay products plant to specialize in tiles. Much of the Texas soil is adapted not only to the making of tiles and fine brick but to a high class of ceramics equalling the best pottery of the country. Some day Texas will become famous for its pottery, although as yet but little is produced except the coarsest of the clay products.

Postoffice Receipts Increase

The Pampa Times is correct in its statement that the increase in postal receipts is one of the best indications of the growth of a town. The paper quotes figures to show that postal receipts there have jumped more than one-third over the corresponding periods of last year, from which one can conclude either that Pampa is growing very rapidly or that the people who are there are unusually prosperous and using the mails more than ever. Doubtless both of these conditions exist, for they usually go together.

Building Associations

Building and loan associations assets in Texas increased more than \$20,000,000 last year, bringing the total to \$113,000,000. These associa-

tions are now under the supervision of the State banking commission, and will get the same close supervision given to State banks. The result of this, the law for which has only lately become effective, will likely be to increase assets of the associations even more rapidly.

Llano's Hotel Leased

You need not try to lease the new hotel at Llano, for it has been leased before it is completed, but along in September you can be assured of a good room 'with all modern conveniences' when you go to Llano. The hotel business in Texas is so good that whenever and wherever a new hotel is to be built there are dozens of hotel proprietors anxious to secure long-term leases.

August Newspaper Business

It used to be that August was considered a dull month in the newspaper business but evidently August 1929, is not, for the papers, large and small, are nearly all overbalanced with advertising and many are getting out 'special editions' that show the great prosperity of their sections. Texas

is getting ready for a great fall business. If your town isn't, there must be something wrong with it.

Last week we suggested to a reporter of a great daily that it might be well to indulge in the truth occasionally, suggesting that most people read the papers to learn what liars men are. He intimated that the truth is not what men want. He further said that his boss called him down not long ago for even mentioning the truth about things in general. One item of his, smacking of the truth, cost the boss \$100,000. So you see the 'deer pepul' don't want the truth and won't pay for it. That is what's the trouble with us, hewing truthfully to the lines.

You must give the women credit for knowing more about dressing than men. Men always wear a lot of superfluous clothing, especially coats during hot weather, high collars and other hot things. I guess there is no help for it, but we have heard here say that coats were comfortable on hot days.

SPINNERS-- PAY HIGHER PRICES FOR THIS COTTON

Cotton free from gin-cuts and breaks, cotton clean and smooth through and through, sells for higher prices because it reduces spinning loss. And whatever does that the mill man pays a premium for.

THE MURRAY HIGH SPEED, LOOSE ROLL, AIR BLAST GIN

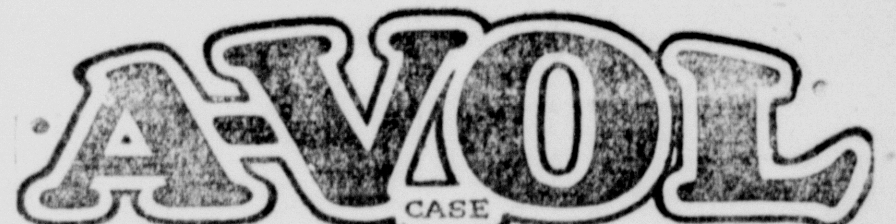

will put your cotton in the high-price class by ginning it the way the spinner wants it ginned. This great machine does not cut or break the staple. It turns out sample clean and uniform in character.

It motes by centrifugal force—out of the air and at high speed, which throws out more of the smaller motes and particles than a slow speed gin does.

Why take ordinary prices for your cotton when you can get top money for it? We'll gladly explain how, if you'll ask us.

SHARPE EVENS SERIES WITH WACO MONDAY

DARRAUGH PROVES TOO MUCH
FOR WACO MONDAY AND
EVENS COUNT

The Sharpe Shooters came into Cameron for the Monday game with the count one won and two lost so it was a matter of do it or die for the Shooters and they did it, winning a well played, heads up game by the score of seven to four. Darraugh was on the mound for Sharpe while Rickett drew the assignment for Waco. In the four games Rickett has pitched on the Cameron diamond he has been unfortunate enough to lose every one of them. Darraugh pitched a masterful game allowing Waco only six hits and but for an error, base on balls and a freak home run by catcher Miller in the second inning would have pitched shut out ball except for the eighth, when three hits netted Waco a run.

Speegle has been out of the line up for the second and third games, account of illness showed up in uniform and was used in the eighth inning as a pinch hitter and came through with a single which scored two runs. Rosenberg ran for Speegle, stole second but was left stranded there. Lee showed up to play first in Speegle's absence and did excellent work at the initial bag. In the fourth Watkins led off with a single and Henderson, next up, banged one over the fence in the general direction of Hoyte. Lee connected with one of Rickett's offerings in the second inning for a three bagger. This game was a reversal of the two that Waco had scored in that Sharpe scored seven runs off of nine hits and played errorless ball behind Darraugh. Waco made four scores off of six hits but three errors were chalked up against their records.

Score by innings:

Sharp	010	201	03x	7
Waco	030	000	010	4

SHERIFF'S SALE

The State of Texas,
County of Milam,

Notice is hereby given that by virtue of a certain Alias Execution issued out of the Honorable County at Law No. 2 of Bexar county, of the 8th day of July 1929, by Jack R. Burke, Clerk of said court for the sum of Four Hundred Ninety Two and 96-100 Dollars and costs of suit, under a judgment in favor of F. D. Stout in a certain cause in said court, No. 19399 and styled F. D. Stout vs. E. J. Michna, placed in my hands for service, I, L. L. Blaylock as Sheriff of Milam County, Texas, did on the 15th day of July 1929, levy on certain Real Estate, situated in Milam County, Texas, described as follows, to-wit: Lot 11 and 12, block 15 in the town of Ben Arnold, Texas in Milam County and levied upon as the property of E. J. Michna and that on the first Tuesday in September 1929, the same being the 3rd day of said month at the Court House door, of Milam county, in the city of Cameron, Texas between the hours of 10 a. m. and 4 p. m. by virtue of said levy and said judgment I will sell said above described Real Estate at public vendue,

for cash, to the highest bidder, as the man, but he hates a lazy man."

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Cam-

eron Herald, a newspaper published in Milam County.

Witness my hand, this 15th day of July 1929.

L. L. BLAYLOCK, Sheriff,
Milam County, Texas.

PAINS QUIT COMING

Missouri Lady Says She Got Stronger and Awful Hurting Went Away After She Took Cardui.

Quin, Mo.—"For some time, I had been having an awful time with pains in my back and sides," says Mrs. Robert Creasy, of this place. "My head would ache until I felt as if it would split open."

"I was very weak and nervous. It looked like the least little thing would upset me. I was cross with the children, and I had no patience for anything."

"Often, when I would get up in the morning, I would have to go back to bed. I was so weak. I dragged through my work, but it took all my strength to do it."

"I tried many remedies, but nothing did me any good until I started taking Cardui. I had read how Cardui had helped others, and so I wanted to try it, myself."

"Cardui proved to be all that was said of it. I took it for several months, regularly. At the end of that time, I was in good health, and have been so ever since. I gained in weight, my appetite was good, and I was able to do all my housework without it hurting me. The pains quit coming."

Thousands of cases similar to that described above have been reported by users of Cardui.

KELLY SPRINGFIELD

KELLY Has Always Been Known as the Quality Tire

It has always been a good tire—a tire you could depend upon. Rugged, reliable, long-lived—always giving your money's worth and then some—Kelly Balloons have been for years the favorite replacement tire among owners of the higher priced cars.

Now comes a NEW KELLY—the REGISTERED BALLOON—bigger and sturdier, to meet new conditions created by more powerful cars, that are driven faster and braked harder.

Extra built throughout; extra oversize, with nearly 10% more air capacity; a much thicker tread, extending farther down the side walls and giving them almost armored protection; more rubber between the plies of cords; two extra plies in the 7-inch size.

These in brief are the advantages which this superb tire possesses. It is a real de luxe tire—the finest that money can buy. To make sure that every purchaser gets the maximum service from it, each individual tire will be registered direct with the Kelly factory at the time of purchase.

We also have a large supply of Kelly Springfield and Kelly Buckeyes.
